

DRAFT CONSULTATION PLAN:

DRAFT OLD KENT ROAD DESIGN GUIDE SPD

London Borough of Southwark
January 2006

Introduction

The council is preparing a Design Guide for the Old Kent Road, which will set out the council's urban design aspirations for future developments along the road and will include design-related planning guidance to supplement the policies in the Unitary Development Plan. It will be adopted as a Supplementary Planning Document (SPD) and will form a material consideration in the assessment of planning applications along the Old Kent Road. It will be used to ensure that new developments along the Old Kent Road are well designed and contribute to improvement of the urban environment.

In order to ensure that the local community have adequate opportunity to be consulted on the Draft Design Guide, the following consultation plan has been drafted, setting who will be consulted and by what means.
