CONSULTATION PLAN:
LOCAL DEVELOPMENT FRAMEWORK
ANNUAL MONITORING REPORT 2007/08

London Borough of Southwark
September 2008
Introduction

The council is required to undertake monitoring of its local development framework (LDF). This monitoring needs to examine the extent to which the council has met its timetable for preparing the documents that will make up the LDF. Monitoring also needs to analyse the extent to which the policies within the LDF are being implemented, and whether or not they are having the desired outcomes. This includes examining what effects the plan is having on the environment, economy and community within Southwark.

Monitoring provides the basis for reviewing and revising plans so that they remain relevant to changing circumstances and priorities and respond to identified negative effects. It is therefore very important that everyone in the local community has adequate opportunity to be consulted on how we monitor the LDF.

The first annual monitoring (AMR) report prepared under the Act was completed in 2005. Each year since then the council has sought to improve how it monitors by reducing gaps in information and also ensuring that the way the council monitors the LDF is clear, relevant and comprehensive.

This year’s AMR is the fourth AMR and will cover the year 1 April 2007 until 31 March 2008. It needs to be submitted to the Secretary of State by December 31 this year.

It is important that consultation of the community raises awareness of the monitoring process and its benefits and also invites ideas and comments on how we can monitor better.

The following consultation plan sets out who will be consulted, when, and by what means.
