Date: 8 February 2017

Item No: 7.	Classification: Open	Date: 8 February 2017	Meeting Name: Planning Committee
Report title:		Addendum Late observations, consultation responses, and further information	
Ward(s) or groups affected:		Cathedrals	
From:		Director of Planning	

PURPOSE

1. To advise members of observations, consultation responses and further information received in respect of the following planning application on the main agenda. These were received after the preparation of the report and the matters raised may not therefore have been taken in to account in reaching the recommendation stated.

RECOMMENDATION

2. That members note and consider the late observations, consultation responses and information received in respect of each item in reaching their decision.

FACTORS FOR CONSIDERATION

3. Late observations, consultation responses, information and revisions have been received in respect of the following planning applications on the main agenda:

Item 7.2 – Application 16/AP/4500 for: Full Planning Permission – Titan House, 144 Southwark Street, SE1

Observations within the report

- 3.1 Paragraph 2: It is stated that the 12/AP/3715 planning application was approved on the 23rd October 2016. This is incorrect, the application was approved and a decision made on the 20 October 2013, and a decision was dispatched on the 23 November 2013.
- 3.2 The decision was delayed as consultation was undertaken with English Heritage. No objection was received so the decision was dispatched just over a month later on the 23 November 2013.

REASON FOR URGENCY

4. Applications are required by statute to be considered as speedily as possible. The application has been publicised as being on the agenda for consideration at this meeting of the planning sub-committee and applicants and objectors have been invited to attend the meeting to make their views known. Deferral would delay the processing of the applications and would inconvenience all those who attend the meeting

REASON FOR LATENESS

5. The new information, comments reported and corrections to the main report and recommendation have been noted and/or received since the committee agenda was printed. They all relate to an item on the agenda and members should be aware of the objections and comments made.
