

# Camberwell Community Council

Wednesday 25 April 2012

7.00 pm

Lettsom Tenants Hall, 114 Vestry Road, London SE5 8PQ

## Membership

Councillor Norma Gibbes (Chair)  
Councillor Dora Dixon-Fyle (Vice-Chair)  
Councillor Kevin Ahern  
Councillor Stephen Govier  
Councillor Peter John  
Councillor the Right Revd Emmanuel Oyewole  
Councillor Veronica Ward  
Councillor Mark Williams  
Councillor Ian Wingfield

---

Members of the committee are summoned to attend this meeting

**Eleanor Kelly**

Acting Chief Executive

Date: Tuesday 17 April 2012

## Order of Business

- | Item No. | Title  |
|----------|--|
| 1.       | INTRODUCTION AND WELCOME                           |
| 2.       | APOLOGIES  |
| 3.       | DISCLOSURE OF MEMBERS' INTERESTS AND DISPENSATIONS |

Members are asked to declare any interest or dispensation and the nature of that interest or dispensation which they may have in any of the items under consideration at this meeting.

Item No.	Title	Time
4.	<b>ITEMS OF BUSINESS THAT THE CHAIR DEEMS URGENT</b>	
	The chair to advise whether they have agreed to any item of urgent business being admitted to the agenda.	
5.	<b>MINUTES</b> (Pages 4 - 14)	
	To confirm as a correct record the minutes of the meeting held on 6 March 2012.	
6.	<b>COMMUNITY ANNOUNCEMENTS</b> (Pages 15 - 16)	7.10 pm
	<ul style="list-style-type: none"> <li>• Launch of the Community Council Fund 2012 -13</li> <li>• Changes to community council areas – for information.</li> <li>• Poppy Appeal – Alice Fisher from the British Legion.</li> <li>• Camberwell Consolidated Charities.</li> <li>• Public engagement from Southwark Business Support Unit (PCT) about future of health services in the Dulwich area (stretches into Camberwell).</li> <li>• Camberwell Business Forum</li> </ul>	
7.	<b>DEPUTATIONS/PETITIONS</b> (Pages 17 - 19)	7.40 pm
	To consider any deputation requests or petitions at the meeting.	
	<ul style="list-style-type: none"> <li>• To hear a deputation from a group of residents from Shenley and Linnell Roads (SE5) regarding Lucas Gardens Controlled Parking Zone.</li> </ul>	

Item No.	Title	Time
8.	<b>PARKING ISSUES IN CAMBERWELL</b>	7.50 pm
	<ul style="list-style-type: none"> <li>• Brief introduction on parking</li> <li>• History on parking issues in the borough: What was before CPZ, why was it introduced, how did the council deal with control parking or nuisance parking?</li> <li>• Details about car ownership and data on car accidents in the Camberwell area.</li> <li>• How people can make representations to the council on parking issues: Introduction to CPZ in local area, wrongly issued parking tickets, wheel camped, parking enforcement and disabled designated parking bays?</li> <li>• Process of the decision making process: How it works within the council when cabinet member makes final decision?</li> </ul>	
	<b>BREAK AT 8.35 PM</b>	
	Opportunity for residents to chat to Councillors and Officers	
9.	<b>PUBLIC QUESTION TIME</b> (Pages 20 - 21)	8.45 pm
	<p>This is an opportunity for public questions addressed to the chair.</p> <p>Residents or persons working in the borough may ask questions on any matter in relation to which the Council has powers or duties.</p> <p>Response may be supplied in writing following the meeting.</p>	
10.	<b>CLEANER GREENER SAFER REVENUE FUND</b> (Pages 22 - 26)	8.55 pm
	<p>Executive Function</p> <p>Members to consider the Cleaner Greener Safer (CGS) revenue funding for schemes contained in the report.</p>	
11.	<b>LOCAL PARKING AMENDMENTS</b> (Pages 27 - 34)	9.05 pm
	<p>Executive Function</p> <p>Members to consider the local parking schemes contained within the report.</p>	

**Item No.**

**Title**

**Time**

**12. EXCLUSION OF PRESS AND PUBLIC**

That the public be excluded from the meeting for the following items of business on the grounds that they involve the likely disclosure of exempt information as defined in paragraphs 1 and 2, Access to Information Procedure rules of the Constitution.

**13. LEA SCHOOL GOVERNOR APPOINTMENTS**

Executive Function

Members to consider report contained in the closed agenda.

Date: Tuesday 17 April 2012

## **INFORMATION FOR MEMBERS OF THE PUBLIC**

---

**CONTACT:** Beverley Olamijulo, Constitutional Officer, Tel: 020 7525 7234 or email: [beverley.olamijulo@southwark.gov.uk](mailto:beverley.olamijulo@southwark.gov.uk)  
Website: [www.southwark.gov.uk](http://www.southwark.gov.uk)

---

### **ACCESS TO INFORMATION**

On request, agendas and reports will be supplied to members of the public, except if they contain confidential or exempted information.

### **ACCESSIBLE MEETINGS**

The council is committed to making its meetings accessible. For further details on building access, translation and interpreting services, the provision of signers and other access requirements, please contact the Constitutional Officer.

Disabled members of the public, who wish to attend community council meetings and require transport assistance in order to attend, are requested to contact the Constitutional Officer. The Constitutional Officer will try to arrange transport to and from the meeting. There will be no charge to the person requiring transport. Please note that it is necessary to contact us as far in advance as possible, and at least three working days before the meeting.

### **BABYSITTING/CARERS' ALLOWANCES**

If you are a resident of the borough and have paid someone to look after your children or an elderly or disabled dependant, so that you can attend this meeting, you may claim an allowance from the council. Please collect a claim form from the Constitutional Officer at the meeting.

### **DEPUTATIONS**

Deputations provide the opportunity for a group of people who are resident or working in the borough to make a formal representation of their views at the meeting. Deputations have to be regarding an issue within the direct responsibility of the Council. For further information on deputations, please contact the Constitutional Officer.

**For a large print copy of this pack,  
please telephone 020 7525 7234.**

## CAMBERWELL COMMUNITY COUNCIL

MINUTES of the Camberwell Community Council held on Tuesday 6 March 2012 at 7.00 pm at Brandon 3 Retired Citizens Club, 1 Grimsal Path, Warham Street, London SE5 0TB

---

**PRESENT:** Councillor Norma Gibbes (Chair)  
Councillor Dora Dixon-Fyle (Vice-Chair)  
Councillor Kevin Ahern  
Councillor Stephen Govier  
Councillor Peter John  
Councillor the Right Revd Emmanuel Oyewole  
Councillor Veronica Ward  
Councillor Mark Williams  
Councillor Ian Wingfield

**OFFICER SUPPORT:** Des Waters, Head of Public Realm  
Paul Cowell, Events Manager  
John Kissi, Flood Risk Asset Officer  
Kate Johnson, Planning Policy Officer  
Abdi Mohamed Ibrahim, Neighbourhood Coordinator  
Grace Semakula, Community Council Development Officer  
Beverley Olamijulo, Constitutional Officer

### 1. INTRODUCTION AND WELCOME

The chair welcomed councillors, members of the public and officers to the meeting.

### 2. APOLOGIES

Apologies for lateness were received from Councillors Mark Williams and Ian Wingfield.

### 3. DISCLOSURE OF MEMBERS' INTERESTS AND DISPENSATIONS

There were none.

### 4. ITEMS OF BUSINESS THAT THE CHAIR DEEMS URGENT

There were none.

## 5. MINUTES

### RESOLVED:

That the minutes of the meeting held on the 10 January 2012 be approved as a correct record and signed by the chair.

## 6. DEPUTATIONS/PETITIONS (IF ANY)

### RESOLVED:

That the deputation request from Save Camberwell Orchard Campaign be heard.

The deputation spokesperson, Donnachadh McCarthy, a representative of the Save Camberwell Orchard Campaign addressed the meeting. He said the purpose of the deputation was to highlight their campaign about protecting Camberwell Green Community Orchard.

Donnachadh explained that they sought funding for the orchard in the early 1980's and 1990's so it remained a community green space. Concern was expressed about the new Camberwell Library being built there as recent consultation on the library proposals did not indicate where the preferred location would be.

The Camberwell area had the highest need for local open space particularly with the increased density of the community area, it was very deprived of open space.

Donnachadh also mentioned that the new library could be integrated with major regeneration projects or the Camberwell Leisure Centre. That could save the council a lot of money if it could be done that way. He requested that the Camberwell community council ask officers to undertake a feasibility study with costings, and to feedback details to the community council.

In response to the questions, Councillor Veronica Ward explained that no decision had been made on where library would be. She said it was important to stress that Camberwell was desperately in need of a library service in the middle of Camberwell as the present one in this modern age was totally unacceptable.

Councillor Peter John responded to a question regarding a S106 agreement that involved a free library would be built - he stated that any regeneration scheme would have a cost that might involve some improvements to an area that could also include affordable housing. Possible options and locations for the library would be looked at however it was important to note that things do move forward on this issue.

The chair thanked the representative for the deputation and took on board the comments that were made at the meeting.

## 7. COMMUNITY ANNOUNCEMENTS AND PRESENTATIONS

### Community announcements:

The chair announced that Camberwell Library would be considered at a later meeting. Camberwell Consolidated Charities and the Cleaner Greener Safer Revenue Fund would be presented at the next community council in April 2012.

Bowel Cancer – a spokesperson for the organisation explained that Bowel Cancer UK consists of a small network of local people that have raised awareness of Bowel Cancer in the UK and want to urge more people to do this. Further information and handouts were provided at the meeting which included what signs and symptoms to look for, like bleeding when going to the toilet and pains in the stomach.

The risk factors are for people over 50 or those that have a family history of the illness. The representative said the simple steps would be taking a bowel sample that could be tested by the screening centre. The spokesperson was also available at the break to respond to questions.

For information please refer to the website [www.bowelcanceruk.org.uk](http://www.bowelcanceruk.org.uk)

## 8. COMMUNITY SAFETY UPDATES FROM THE SAFER NEIGHBOURHOOD TEAMS

PC Joe Meares based at Brunswick and South Camberwell safer neighbourhoods team reported on the ward priorities which arose out of the police ward panel meetings in the Camberwell Community Council area:

### Brunswick Park ward priorities

- Motor vehicle crime – South side of Peckham Road, the team were leaflet dropping in the area to raise awareness and not to leave valuables on show.
- Neighbourhood watch scheme has been set up in Shenley Road/Bushey Hill Road, SE5 – to put together intelligence gathering in these areas to help target known individuals that had committed offences.
- Burglary awareness – people were encouraged to jot down the serial numbers for items like iPads, televisions or any other electrical items in case they are stolen it would make it easier to locate when goods are recovered.
- Routine visits to known burglars to gather intelligence so the police know their whereabouts at all times of the day.
- Anti social behaviour (ASB) on the Estates – a number of reported calls referred to people that were gathering in the stairwells. As a result of regular patrols in the area this has now been reduced.

- Stop and Search continues to take place in the local area.

#### South Camberwell ward priorities

- One residential burglary that was captured on CCTV – the person in question had been arrested. People were encouraged to report any offences especially if residents had their own CCTVs.
- Youth engagement on the East Dulwich Estate, Albrighton Youth Club on Tuesdays and Thursdays, and a PCSO would be present at these sessions if there were any issues that needed to be discussed with them. The SNT are trying a different approach for youths to gain their trust.
- ASB on the Denmark Hill Estate – three families were not getting on, have caused problems on the estate mainly related to disorder offences. The SNT would monitor any repercussions as a result of an arrest of one family member.
- The theft of push bikes was on the increase, some of the stolen bikes are very expensive (£2,000 value) and were known to be advertised on 'Gum Tree' auction website.

#### Camberwell Green ward priorities

- Street drinking – the SNT recently seized alcohol from 21 people and have continued to work closely with the community wardens on this. If street drinkers refuse to hand over the liquor then they would receive a £30 penalty fine.
- Anti social behaviour (ASB) on Poet's Estate which involved tenancy enforcement.
- Dealing with irresponsible shopkeepers, two arrests were made for drug offences and one (drug related) stabbing.
- ASB on the Crawford Estate – working with SNT in Lambeth which involved a combined operation to deal with gangs on the estate. Also officers undertook a weapons sweep on the estate which included several arrests for possession of drugs.

#### **Staff Changes:**

PC Joe Meares reported that as of the 2 April 2012 he would be moving on as an Inspector at Greenwich Police and Sergeant Leighton would be moving to Lambeth Police as an Inspector.

In response to questions, PC Meares spoke about the training times for community wardens which he agreed to check. Hate crime is dealt with by the community safety unit who are also responsible for domestic violence. In order to tackle robbery and muggings in the area, there would be uniform support of the police as well as those in unmarked cars. They also help with the local neighbourhood watch schemes and briefings.

The chair thanked PC Joe Meares for his presentation and wished him all the best for the future.

## 9. MAIN THEME: CAMBERWELL AND THE OLYMPICS - PART I

This item was introduced by Councillor Veronica Ward, cabinet member for culture, leisure, sport and the Olympics who said that Southwark residents were involved in the Olympics and local events, e.g. 200th year anniversary of Charles Dickens so there would be lots of visitors. Also the capital legacy fund would help provide new sport facilities to help promote health, fitness and wellbeing that are linked with the cultural experiences that are available in the borough.

Paul Cowell, Events Manager outlined Southwark's vision for the Olympics, stating that it would be the largest event in the world where there should be opportunities to promote health and wellbeing and enable young people to attend the games in the borough.

Paul said the Southwark Olympic Delivery Board which consisted of local stakeholders and duties of the sub planning group which had been set up to ensure Southwark supported this inspiring, safe and inclusive games.

The different work streams included: employment, transport, operations, health, capital legacy fund, sport, accreditation and volunteering.

Andrew from the Youth Service in Children's Services outlined that Schools had signed up to "the Get set" network to enable them to apply for free Olympic tickets. Sport events have been organised to encourage young people to volunteer and to become sports leaders. There were also a wide variety of cultural and arts events and projects for young people to take up sport or any other activities so they remain active. The cultural institutions for some of these activities include: The Globe, Tate Modern and Dulwich Picture Gallery.

Andrew mentioned that volunteering amongst young people was being encouraged by signposting them on so they receive accreditation. The AQA (Assessment and Qualifications Alliance) for young people includes the Duke of Edinburgh award. Such accreditation for young people could be used as transferable skills and work experience when they were looking for jobs. A representative from the Youth Community Council suggested Andrew attend a meeting of the YCC to present these ideas to them.

### Key Dates

Torch relay – 21 July 2012 arrives in London  
 Olympics opening ceremony – 27 July 2012  
 Olympics closing ceremony – 12 August 2012  
 Paralympics opening ceremony – 29 August 2012  
 Paralympics closing ceremony – 9 September 2012

Des Waters, Head of Public Realm explained the impact the Games would have on services and public transport: journeys to and from work (commute), business travel and deliveries to local businesses. The key locations are Canada Water and London Bridge Station – with busier times being during the day. None of the roads in Southwark would be

affected although there is likely to be some displacement for some users that might decide to come into Southwark. The likelihood is that roads in the north part of the borough are going to be affected by other events so the decision would be to close those roads.

Des reported that no planned road works with the exception of emergency road works would be permitted. Between the 5 - 12 August 2012, there could be minor changes to the traffic signals in the area. The council has asked road network organisations not to carry out any road works during this time.

In response to questions the following details were noted:

- There would be delays at London Bridge railway station people were advised to take alternative routes and avoid travelling between 5pm – 7pm in the evening.

Des agreed to provide Cllr Stephen Govier with a written answer on the transport/travel arrangements as soon it becomes available.

- Those that do not have access to the internet should listen to the local radio; look out for information on leaflets and posters.
- During the Games there is to be improved accessibility, better signage and sign posting for people with disabilities.
- Barclays cycle hire - distribution would be extended to the Olympic Park.
- Camberwell Baths – no changing facilities for wheelchair users – Cllr Veronica Ward agreed to take this matter and provide a written response at the next meeting.
- Young people participation – leaflets would be printed and distributed to encourage their participation.
- A brochure would be published just before the Diamond Jubilee listing information on Southwark Experience, cultural activities events at the Globe Theatre, Peckham, Tate Modern, Thames Festival, London 2012 Festival and other indoor and outdoor events around the borough.
- Volunteering fairs are being organised for local groups.
- Health Factor Challenge which was delivered in 2011 involved providing nutritional advice and raising awareness about health and wellbeing across the borough – cycling and walking.
- Capital legacy – led by the Leader of the Council to help increase participation in sport; groups and organisations could bid for money. Ten projects in Camberwell area were identified and had received funding.
- Lists of projects included the upgrading and refurbishment of Bethwin Sports MUGA gym, new BMX track in Burgess Park and the Camberwell Leisure Centre.

The chair thanked Des Waters and his team for their presentations and the hard work they

have done on this.

## 10. PRELIMINARY FLOOD RISK ASSESSMENT

John Kissi from the Flood Risk Asset Team spoke about the flood risk assessment and surface water management plan.

### Summary of the presentation

The Camberwell area is more susceptible for surface water flooding which could affect sewerage capacity. Therefore the council was undertaking a detailed investigation, in order to reduce the likelihood of flooding.

The council worked closely with the Environment Agency and were looking at ways to seek funding from other agencies so as to reduce the impact of flooding.

Flooding occurs when large amounts of water accumulate on previously dry land.

### Historical Flooding

- Widespread flooding in 2004, also affected Southwark
- Put flooding on the national agenda
- Summer of 2007, Yorkshire, Gloucestershire and others
- Total cost of £3.2 billion
- Average cost, businesses £75,000 to £112,000
- Average cost, households £23,000 to £30,000

### Future flooding could get worse

- Climate change
- Wetter winters
- More intense rainfall
- Rising water table (winter)
- Increased interaction between flooding sources
- Increased likelihood of flooding
- London clay; little infiltration, more run off

### Response – legislation

- EU Flood Directive (2007/60/EC) (Pitt Review, Flood Risk Regulations 2009)
- Flood and Water Management Act 2010

### Action – what the council has done

- Preliminary Flood Risk Assessment
  - Significant flood risk
  - Critical drainage areas
  - Consequences of past and future flooding
- Surface Water Management Plan
  - Flooding - sources and mechanisms
  - Investment – reduce likelihood of flooding
  - Community engagement – reduce impact

**Actions - what can you do?**

- Individual flood plan – information available on the environment agency website <http://publications.environment-agency.gov.uk/>
- Water conservation
- Rain water harvesting
- Community Flood Plans: flood wardens or flood champions - the officer present asked for volunteers from the community council area

**Next steps**

- Submit ideas to EA for funding
- Initiate detailed consultation
- Obtain local knowledge
- Develop and implement

For more information on Flood Risk Management in Southwark contact John Kissi, Flood Risk Manager, john.kissi@southwark.gov.uk or telephone number 020 7525 2

**11. CAMBERWELL AND THE OLYMPICS - PART II**

The item on the Olympics was taken in the earlier part of the meeting.

**12. OPEN SPACES STRATEGY CONSULTATION**

Kate Johnson, Planning Policy Officer, presented the Open Space Strategy and highlighted the following:

- The open space strategy sets out a framework for open space provision in the borough.
- The open space strategy replaces work previously undertaken in 2003 and updates the work carried out in 2010.
- The document would make up an important part of the evidence base needed in the preparation of planning policy documents.
- Public consultation on the draft strategy is to run until 24 April 2012.
- The council plan to adopt the final strategy in September 2012.

**Site audit**

As part of the preparation of the strategy, a site audit of all existing open spaces had taken place in the area. The audit had found that open space is generally of high quality.

- Many spaces hold cultural events – strong focus for local communities.
- Perform a varied range of functions.
- Spaces are generally well utilised with a good range of facilities.

### Accessibility

- Small sections of Nunhead and North Dulwich were deficient in access to parks (all types).
- Camberwell sub area lack larger open space and natural green space and deficient in access to parks.

As part of the consultation process workshops were scheduled take place at Tooley Street offices on 17 March 2012 and on 22 March 2012 at Peckham Library.

Residents should contact the planning policy team on 0207 525 5471.

### 13. PUBLIC QUESTION TIME

There were no public questions.

### 14. CLEANER GREENER, SAFER (CGS) CAPITAL FUNDING ALLOCATION 2012 - 2013

Executive Function

#### RESOLVED:

That the following Cleaner Greener, Safer (CGS) schemes be allocated capital funding for 2012 – 2013:

Reference	Proposal Name	Award	Notes
CGS115583	Path resurfacing at 72 Grove Lane	£7,800	
CGS120288	Victorian landscaping, Brunswick Park	£6,500	
CGS120044	Voltaire Communal Garden, Fenced off green space to rear of 7-10 Voltaire House, Sceaux Gardens Estate, Camberwell, SE5 7DD. (Peckham Road side)	£30,000	
CGS118962	Cleaner Greener Wells Way Corner	£15,800	
CGS120448	Mary Boast Walk	£5,000	Feasibility study
CGS120446	New street lights in Artichoke Place	£3,900	Preference for Victorian and traditional character lanterns, in keeping with the area
118938	Social/Light/Safe	£36,000	Award for lighting elements of proposal & cleaning or replacing existing lights

118927	Camberwell Green park area improvement - Elmington Estate areas	£9,800	New table tennis table and resurfacing around existing at Camberwell Green
118924	Goschen play area	£25,000	£5k feasibility & £20k seed funding
CGS116823	Public footpath railings for new school entrance.	£2,600	GRANT

CGS118275	Security lighting and secure donation boxes	£7,800	GRANT
CGS118415	Greener, brighter gardens at Dog Kennel Hill Adventure Playground	£9,749	PART GRANT (gardening), PART AWARD (lighting)
<b>TOTAL</b>		<b>£259,769</b>	

The meeting ended at 9.50 pm.

**CHAIR:**

**DATED:**

<b>Briefing Note</b>	
<b>Name</b>	Camberwell Community Council
<b>Title</b>	Community Councils – Changes for 2012-13
<b>Report author</b>	Darryl Telles, Neighbourhoods Manager
<b>Date</b>	25 April 2012

### **REQUIRED ACTION**

To note the changes to Community Councils, agreed by Council Assembly, as a result of the Democracy Commission's recommendations.

### **INTRODUCTION**

1. The Democracy Commission was asked by the Council in February 2011 to undertake a review of the work of the community councils, including resident consultation, which examined the role and function of community councils and whether the current functions and powers are the right ones to meet the aims of community councils in the current resource context. Cabinet asked the Commission to identify at least £344,000 of savings.
2. The commission reviewed efficiency savings for community councils and identified savings of £81,527. This relates to the budgets surrounding venue/transport hire, marketing/publicity, access and catering. However the efficiencies savings alone did not meet the overall savings target necessary and therefore the commission investigated other options for savings.
3. The review concluded in December 2011 and the Commission concluded that savings could only be made if the number of Community Council areas, meetings and functions were reduced.

### **KEY RECOMMENDATIONS**

- Reducing the number of community councils from 8 to 5
- Reducing the number of meetings from at least 6 to 5 per year
- Establishing 2 planning sub-committees for minor applications with revised thresholds for decisions going to the main planning committee and the two sub-committees
- Removing school governor appointments and making changes to other areas of decision making such as transport
- Making reductions to the staff

### **CHANGES**

4. These changes were agreed by Council Assembly and come into effect from May 2012:
  - Merge Bermondsey and Rotherhithe Community Councils (retaining the current split of Livesey Ward between Bermondsey & Rotherhithe and Peckham & Nunhead)
  - Merge Peckham and Nunhead & Peckham Rye Community Councils
  - Retain the current boundaries of Dulwich Community Council
  - Retain the current boundaries of Camberwell Community Council
  - Merge Borough & Bankside and Walworth Community Councils.

5. Council Assembly also approved the commission's recommendation that the planning function is no longer exercised by community councils. Instead a new model of a main planning committee and two planning sub-committees will be created.
6. School governor decisions were reviewed by the commission and council assembly agreed the commission's recommendation that this function is no longer exercised by community councils to generate a saving of £10,895. It was noted that these decisions are normally taken in closed session which is not consistent with the engagement role of community councils.
7. Given the context of the significant reductions in the council's budget some changes have had to be made to the officer support for this function as the current cost was unsustainable. The commission identified staffing savings from the engagement function, which was agreed as part of the budget decision by council assembly. The new staffing structure reduces the overall number of community engagement staff whilst retaining one dedicated officer for each of the new five areas.
8. The commission noted that residents see the cleaner, greener, safer and Community fund schemes as evidence of them having an influence on local decisions. Having a say over how council funds are allocated at a local level is valued and recognised as really putting power into the hands of residents. Community councils should be encouraged to develop upon this model. The commission welcomed the cleaner, greener, safer revenue funding of £10,000 per ward which would be available for community councils to allocate from 1 April 2012. It also agreed that there would be no reduction to the Community fund for this year.
9. The Commission also recommended changes to the operation of Community Councils and have asked Chairs to consider the following:
  - more flexibility around meeting times
  - varying the use of local venues
  - increasing the use of workshops to encourage debate and dialogue
  - enabling residents to have more influence over the agenda setting process
  - having question time earlier on in agendas
  - stricter chairing to enable balanced input from residents
  - keeping the length of meetings within a time limit e.g. two hours
  - better use of online forums and social media
  - introducing less formality to meetings was another popular suggestion made and would compliment the desire to improve engagement. People have expressed a preference for a horse-shoe or semi-circular seating arrangement at meetings (with further semi-circular rows behind), to create less "distance" between local people and members especially considering the increase in the number of Councillors for some Community Council areas
  - explore ways to simplify the paperwork to make it more accessible, e.g. plain English summaries of information items could be produced, provided adequate officer resource is available.

<b>Item No.</b> 7.	<b>Classification:</b> Open	<b>Date:</b> 24 April 2012	<b>Meeting Name:</b> Camberwell Community Council
<b>Report title:</b>		Deputation Request – Lucas Gardens Controlled Parking	
<b>Ward(s) or groups affected:</b>		All wards within the Camberwell Community Council area	
<b>From:</b>		Strategic Director of Communities, Law & Governance	

### RECOMMENDATION

1. That the Camberwell Community Council consider a deputation request from a group of residents that live on Shenley Road and Linell Road.

### BACKGROUND INFORMATION

2. Deputation requests have been submitted by representatives of those mentioned above. A deputation can be submitted by a person of any age who lives, works or studies in Southwark. Deputations must relate to matters which the council has powers or duties or which affects Southwark.
3. The deputation refers to a report on the implementation of Lucas Gardens Controlled Parking Zone.

A summary of the deputation states:

“On 16 January 2012 the Lucas Gardens Controlled Parking Zone (LGCPZ) came into effect, operating Monday to Friday 08:30 to 18:30hrs. Displacement effects were foreseeable but ignored. The LGCPZ consultation, project reporting (including Community Impact Assessment), recommendations to decision makers, and implementation took no account of displacement effects or the wider local context within which the LGCPZ was being implemented.

- (i) Displacement occurred with immediate and (to date) persistent negative impacts on roads outside of the LGCPZ during the hours of operation. These include congestion, dangerous parking and loss of amenity for local residents. Anecdotal evidence suggests that families with young children have been especially adversely affected given the difficulties they now face finding parking spaces within a reasonable distance of their homes during the day.
- (ii) Residents living outside of the LGCPZ report persistent problems with all-day non-residential parking Monday to Friday that were not as apparent pre-LGCPZ.
- (iii) Post-implementation 'safe parking' levels 2, of which 'commuter or non-resident parking' was believed to account for around one quarter of parking inside the LGCPZ area.<sup>3</sup> These data suggest that around two-thirds of the pre-CPZ parking has been displaced or deterred by

the LGCPZ, of which a little less than half would have been 'commuter or non-resident' parking.

- (iv) Large parts of the LGCPZ have conspicuously low day time parking occupancy, especially where there are no residential addresses fronting the road. Of particular note, this includes the eastern (Lucas Gardens) side of Vestry Road, as well as the northern ends of Wilson and Dagmar Roads and the western section of Maude Road.
- (v) Concerns have been expressed about additional future parking pressures once a number of ongoing developments on Peckham Road are completed.

We request Camberwell Community Council to:

- Consult residents on streets outside of the LGCPZ not presently covered by parking controls on options to manage on-street parking pressures, including a new/extended CPZ. (See Appendix 1 for a proposed list of streets to be consulted.)
  - Urgently review the implementation and operation of the LGCPZ with a view to moderating its impact on surrounding streets while still effectively managing parking pressures inside the LGCPZ area. (See Appendix 2 for a non-exhaustive list of suggestions of potential changes.)"
4. At the meeting, the spokesperson for the deputation will be invited to speak up to five minutes on the subject matter. The community council will debate the deputation and at the conclusion of the deputation the chair will seek the consent of councillors to debate the subject. Councillors may move motions and amendments without prior notice if the subject does not relate to a report on the agenda. The meeting can decide to note the deputation or provide support if requested to do so. The community council shall not take any formal decision(s) on the subject raised unless a report is on the agenda
  5. Any relevant resource or community impact issues will be contained in the comments of the strategic director.

#### **KEY ISSUES FOR CONSIDERATION**

6. The deputation shall consist of no more than six persons, including the spokesperson.
7. Only one member of the deputation shall be allowed to address the meeting, her or his speech being limited to five minutes.
8. Councillors may ask questions of the deputation, which shall be answered by their spokesperson or any member of the deputation nominated by her or him for up to five minutes at the conclusion of the spokesperson's address.
9. If more than one deputation is to be heard in respect of one subject there shall be no debate until each deputation has been presented. The monitoring officer shall, in writing, formally communicate the decision of the meeting to the person who submitted the request for the deputation to be received.

## Feedback about issues raised at previous community council meetings

Question	Response
<p>Question raised at meeting on 6 March 2012</p> <p>Wheelchair users could not use the pool at Camberwell Leisure Centre because the Changing Rooms did not fit a wheelchair making the pool not accessible. I said I was certain that the pool was fully accessible. Although another resident confirmed the Family Changing room was accessible to wheel chair users. The cabinet member, Cllr Veronica Ward agreed to chase this up with a response at the next meeting.</p>	<p>The refurbishment works at Camberwell leisure Centre conform to DDA (Disability Discrimination Act 1005).</p> <p>I would be interested to find out from the person who made these comments what they were specifically referring to when they said that their wheelchair did not fit? We would be very keen to address and resolve where possible.</p> <p>You may recall some time ago (last September) about an enquiry from a customer that went to the press and put on their blog that the changing area was inaccessible. We made the following statement, however if this person is referring to something different then it would be useful to know what it is.</p> <p>We can confirm that all the refurbishment work conforms to DDA (Disability Discrimination Act 1005) and specifically:</p> <ul style="list-style-type: none"> <li>• Doors to both Accessible Changing Rooms G.037 and G.038 were designed to be 1000mm wide, in accordance with guidelines in creating accessible buildings (known as Approved Document M).</li> <li>• Door to the Accessible Changing Area itself were designed to be 1000mm wide, as above.</li> <li>• All doors from the centre entrance for the Accessible Change Area are either double or 'door plus a half leaf'.</li> <li>• Ceiling height within Accessible Change G.037 is lower than desired, however all efforts were made to maximise available floor to ceiling heights, given the constraints of the Grade II listed structure.</li> <li>• Changing room doors were selected to ensure their resilience in a wet environment. Larger width doors (to better accommodate those in wheelchairs or who have limited mobility) are inherently heavier than those of a standard width, however in accordance with guidelines, we did not include door closers as these may disadvantage many people who have limited upper body strength, are pushing prams or are carrying heavy objects.</li> </ul> <p>Tara Quinn, Leisure Contract &amp; Facilities Manager, Environment Dept</p>

**Public Question form**

**Your name:**

**Your mailing address:**

**What is your question?**

Please give this form to Beverley Olamijulo, Constitutional Officer, or Grace Semakula, Community Council Development Officer

<b>Item No.</b> 10	<b>Classification</b> Open	<b>Date:</b> 25 April 2012	<b>Meeting Name:</b> Camberwell Community Council
<b>Report title:</b>		Cleaner Greener Safer Revenue Fund 2012/13	
<b>Ward(s) or groups affected:</b>		Camberwell Green, Brunswick Park & South Camberwell.	
<b>From:</b>		Stephen Douglass, Head of Community Engagement.	

## RECOMMENDATION

1. That the Camberwell Community Council allocates £30,000 of the Cleaner, Greener, Safer (CGS) revenue fund 2012 -13. The projects to be considered for allocation are set out in Appendix 1.

## BACKGROUND INFORMATION

2. A Cleaner, Greener, Safer revenue fund 2012 -13 consisting of £210,000 across the borough, with an allocation of £10,000 per ward, has been introduced as part of the budget strategy agreed at the council assembly meeting on the 29 February 2012.
3. The aim of this fund is to give community councils decision making powers over significant amounts of revenue funding that they can allocate to meet locally determined priorities. It is anticipated that the availability of the revenue fund will enhance and complement the effectiveness of the Capital Fund.
4. On 1 March 2012 the Leader of the Council delegated the executive function to each community council to take the Cleaner, Greener, Safer Revenue Funding decisions in their areas.

## KEY ISSUES FOR CONSIDERATION

5. The community councils will use the criteria set out below for the allocation of this funding.
  - a. Proposals that make an improvement to an area on the basis of making it cleaner, greener or safer or a combination.
  - b. CGS applications from the capital round which were ruled out because they were revenue applications.
  - c. The revenue fund could be used to meet the revenue costs associated with a CGS capital award.
  - d. A community council may choose to allocate some or all of their revenue resources to their CGS capital allocations.

- e. Subject to the availability of resources, the revenue fund may be used to buy services from the council.
6. While the allocation is based on £10,000 per ward, a community council can if it chooses decide to aggregate all or part of the funding and spend more than £10,000 per ward.
  7. Community councils will be free to indicate whether they would like expenditure to be an ongoing commitment over more than one financial year or spending over a fixed timescale for a one-off project. Commitments will be subject to final agreement of the council budget and a decision by each community council on an annual basis.
  8. As with any executive decision taken by community councils this is subject to the council's existing overview and scrutiny arrangements.

### **Delivery**

9. Once the community council has made their selections by the method of their choice they will be designed and delivered as soon as possible in 2012/13. Any under spends or projected overspends will be reported back to Community Council for resolution or reallocation.
10. In the event that there are any positive decisions in respect of the proposals for [Marvell House, Camberwell BID and Camberwell Leisure Centre] there will need to be further considerations as to the amounts and the recipients

### **Community Impact Statement**

11. The roles and functions of community councils include the promotion of involvement of local people in the democratic process. Community Councils take decisions on local matters including environmental improvement and community safety as well as consultation on a wide range of policies and strategies that affect the area.
12. An explicit objective within community councils is that they be used to actively engage as widely as possible with, and bring together, Southwark's diverse local communities on issues of shared or mutual interest. The Cleaner Greener Safer programme is an important tool in achieving community participation.
13. In fulfilling the above objectives that community councils have of bringing together and involving Southwark's diverse local communities, consideration has also been given to the council's duty under The Equality Act 2010 which requires the council to have due regard when taking decisions that need to: Having due regard to the need to advance equality of opportunity is further defined in s.149 as having due regard to the need of
  - a. Remove or minimise disadvantages connected with a relevant protected characteristic
  - b. Take steps to meet the different needs of persons who share a relevant protected characteristic

- c. Encourage persons who share a relevant protected characteristic to participate in public life or any other activity in which they are under-represented

Of particular regard are issues of age, disability, gender reassignment, pregnancy and maternity, race, religion or belief, sex, sexual orientation.

### **Resource implications**

14. The total cost of the CGS Revenue Fund is part of the Budget process for 2012/13 agreed by Council Assembly. Any costs incurred in implementing this fund will be met within existing resources.

### **Policy implications**

15. The CGS Revenue Fund is fully aligned with the Council's policies toward sustainability, regeneration and community engagement.

### **Consultation**

16. Decisions will reflect longstanding ward priorities and may be complementary to the decisions made in the CGS Capital fund allocation. In this first year of the scheme consultation will take place at the Community Council meetings and will therefore be an integral part of the decision making process. In future years consultation will be a key part of developing and identifying projects for funding and considering whether to proceed with indicative expenditure.

### **Legal Implications**

17. The Local Government Act 2000 [as amended] ('the Act') gives the leader the power to delegate any executive function to whoever lawfully can undertake the function. The allocation of the Cleaner, Greener, Safer revenue fund ('CGS') is an executive function.
18. Community councils are 'area committees' within the meaning of the Act and executive functions can be delegated to them by the leader.
19. In allocating funding under the CGS community councils must have regard to the council's equality duties set out in section 149 of the Equality Act 2010. The report author has demonstrated how those duties have been considered in the body of the report at paragraphs 12 in the Community Impact Statement.

<b>Date final report sent to Constitutional Team</b>	16 April 2012	

<b>Appendix 1: Camberwell Community Council Cleaner Greener Safer Revenue Fund 2012 proposals for consideration</b>				
<b>Proposal Name</b>	<b>Ward</b>	<b>Location</b>	<b>Idea</b>	<b>Cost</b>
Entry phone system	Camberwell Green	Marvell House, Elmington Estate	This proposal of entry phones would benefit the people who live in the 45 flats at Marvell House. As other people have been causing anti-social behaviour which is a health and safety issue. A walkabout has been carried out by the local MP and Councillor Dixon-Fyle	<b>It is estimated that this will be £27k. However clarification needs to be sought on the tendering procedure.</b>
Sceaux Gardens T&RA. Youth Club to be opened	Brunswick Park	Sceaux Gardens T&RA	This proposal would contribute towards the youth activities on the Sceaux Gardens Estate. The outdoor sports equipment will contribute towards the provision of youth activities	<b>£500</b>
Camberwell Scout Group	Brunswick Park	Sceaux Gardens	This proposal will enable the scout group members to integrate and learn different tasks in this social and recreational environment. To provide a 1 week summer camp and additional activities	<b>£1,000.00</b>
Camberwell Scout Group	Brunswick Park	Wells Way Triangle	This proposal will contribute to the environment at Wells Way, by having community planting days for young people to participate and be involved	<b>£500</b>
Camberwell Youth Conference, including youths who are carers for adults	All Wards	Camberwell	The proposal would support a Camberwell Youth Conference for young people, including young carers. To include venue, refreshments, transport for those requiring it and to ensure young people attend, and contributors. The agenda will include a session on young carers-the agenda will be built up with the youth council and any appropriate others. The Camberwell Youth Conference, will have proposals coming from the youths and therefore there must be funds to meet some of these proposals coming from the youth. Whilst we don't know what they will be they could suggest a series of activities in or out of London aimed at offering respite to young carers	<b>£5000. The funding includes money to support any proposal from the young people.[There will be consultation with The Southwark Young Carers.]</b>
Part-Time Camberwell BID officer	All Wards	Camberwell	This proposal is for an officer to promote the economic development and engage with local businesses in Camberwell. To improve the environment and well-being of Camberwell. To promote people, places and services. Also a place for people to invest, live, work and enjoy leisure time.	<b>It is estimated that the full year costs will be £45,000 (including on costs). However clarification needs to be sought with Economic Development.</b>
Camberwell Leisure Centre-maintenance works to front façade	Camberwell Green	Camberwell Leisure Centre, Artichoke Place	This proposal is for the proposed repair and maintenance works. To include painting of windows and façade would form part of a more extensive restoration. Provisional costs from the contractor to undertake the works. Scaffolding to be in place.	<b>The current contractor costs [Buxttons] are in the region of 40k. Project management and internal costs. Total £50K</b>

<b>Item No.</b> 11.	<b>Classification:</b> Open	<b>Date:</b> 25 April 2012	<b>Meeting Name:</b> Camberwell Community Council
<b>Report title:</b>		Local parking amendments	
<b>Ward(s) or groups affected:</b>		All wards within Camberwell Community Council	
<b>From:</b>		Head of Public Realm	

### RECOMMENDATION

1. It is recommended that the following local parking amendments, detailed in the appendices to this report, are approved for implementation subject to the outcome of any necessary statutory procedures:
  - Abbotswood Road - Do not install at any time waiting restrictions
  - Grove Park – Install at any time waiting restrictions

### BACKGROUND INFORMATION

2. This report presents proposals for a number of local parking amendments, which are reserved to the Community Council for decision under Part 3H of the constitution.
3. The origins and reasons for the proposals are discussed in the main body of the report.

### KEY ISSUES FOR CONSIDERATION

#### Abbotswood Road - 1112Q4011

4. On 7 January 2012 an officer from public realm carried out a site visit to ascertain the requirement for at any time waiting restrictions (double yellow lines).
5. This investigation followed an enquiry by Councilor Ward who raised a matter on behalf of a constituent of Abbotswood Road. It was reported that parking was “taking place just past the little roundabout on either side of Abbotswood Road itself” and they were “concerned that emergency vehicles will not get through when people park in this way”. The enquiry asked whether double yellow lines should be extended.
6. During the site visit it was noted that there were no vehicles parking in this stretch of Abbotswood Road (photos in Appendix 1).
7. The road is reasonably straight in this location (the bend and small hill already has double yellow lines) giving good forward visibility for vehicles should they need to overtake a parked car.
8. The road is approx 5.5m in width. An average car is 1.8m in width therefore it is unlikely that two cars would park on opposite sides of the road to one another

without realising they were causing serious obstruction, an existing (police) offence even in the absence of double yellow lines.

9. In view of the above, it is recommended that the community council does not approve the introduction of at any time waiting restrictions (double yellow lines) at this location but that the council should reconsider this should any further reports or evidence be supplied that demonstrates obstructive parking at this location.

#### **Grove Park - 1112Q4014**

10. Public realm received correspondence from the Metropolitan Police Service (MPS) reporting obstructive parking at the entrance to their property at No.113 Grove Park. They requested that at any time waiting restrictions (double yellow lines) be installed.
11. The MPS have occupied this site since 1926. The property lies behind residential properties on Grove Park and is accessed via a private road adjacent to 112 Grove Park and two blocks of flats.
12. Large Vehicles need to access the site and include 7.5 tonne, extra wide vehicles and an extended "Sprinter" van, over 6 metres long, making it essential that the drivers have the full width of the access road available to turn out onto Grove Park.
13. The problem is that vehicles are being parked too close to corners on either side of our access road and they prevent larger vehicles entering or leaving the site.
14. It is stated that there are vehicles parked over the corners of the access road on a daily basis and as the vehicles are different every day, they do not believe that they belong to residents but most likely belong to commuters using Denmark Hill station.
15. An officer from the public realm visited the site and noted that although there were vehicles parked very close to the entrance they were not obstructing the access or egress on this occasion.
16. In view of the nature of the correspondence and in the knowledge that parking demand is high in this street (which often leads to inconsiderate/obstructive parking) it is recommended that a short length (2.5m on either side of the entrance) of at any time waiting restriction (double yellow lines) be installed at the entrance to No.113 as shown in appendix 2.

#### **POLICY IMPLICATIONS**

17. The recommendations contained within this report are consistent with the policies of the Parking and Enforcement Plan and the Transport Plan 2011, particularly:

Policy 1.1 – pursue overall traffic reduction

Policy 4.2 – create places that people can enjoy

Policy 8.1 – seek to reduce overall levels of private motor vehicle traffic on our streets

18. The proposal(s) will support the council's equalities and human rights policies and

will promote social inclusion by:

- Providing improved access for emergency vehicles, refuge vehicles, residents and visitors
- Improving sight lines for all road users
- Improving junction and pedestrian safety, especially those with limited mobility or visual impairment; and

## COMMUNITY IMPACT STATEMENT

19. The policies within the Parking and Enforcement Plan are upheld within this report have been subject to an Equality Impact Assessment (EqIA).

## RESOURCE IMPLICATIONS

20. All costs arising from implementing the proposals, as set out in the report, will be fully contained within the existing local parking amendment budget.

## CONSULTATION

21. No informal (public) consultation has been carried out. Where consultation with stakeholders has been completed, this is described within the main body of the report.

22. Should the community council approve the item(s), statutory consultation will take place as part of the making of the traffic management order. A proposal notice will be erected in proximity to the site location and a press notice will be published in the Southwark News and London Gazette. If there are objections a further report will be re-submitted to the community council for determination.
