Item No. 9	Classification: Open	Date: 2 July 2012	Meeting Name: Borough, Bankside and Walworth Community Council
Report title:		Borough, Bankside and Walworth Community Council Fund 2012/13	
Ward(s) or groups affected:		Cathedrals, Chaucer, East Walworth, Faraday and Newington Wards	
From:		Stephen Douglass, Head of Community Engagement	

RECOMMENDATION

1. For the community council to agree £29,065 Borough, Bankside and Walworth community council funding.

BACKGROUND INFORMATION

2. The Community Council Fund provides revenue grants of between £100 and £1,000 for community projects. Applications are considered by the borough's five community councils, which have a total of £122,000, for projects that will benefit the community.
3. The Community Council Fund was first launched in 2004. It is intended to encourage small and 'hard to reach' groups to organise activities and events which would benefit their community. It is designed to promote the work of community councils and provide opportunities to engage with some marginalised communities. Over the years the scheme has become very popular amongst local communities with more than 250 applications being received on average in a typical round. The fund is targeted to build and improve community cohesion by creating opportunities for bringing different communities together in local activities.

KEY ISSUES FOR CONSIDERATION

Community impact statement

4. The allocation of the Borough, Bankside and Walworth Community Council Fund will, in the main, affect the people living in the Borough, Bankside and Walworth Community Council area. However, in making the area a better place to live and improving life chances for local people, the Borough, Bankside and Walworth Community Council Fund activities will have an impact on the whole of Southwark.
5. The Borough, Bankside and Walworth Community Council Fund aims to increase community participation and activity within the area and provide such groups with the support that they would have not been able to access otherwise.

Resource implications

6. The budget for the Borough, Bankside and Walworth Community Council Fund is £29,065 to be spent by the 31 March 2013.

Legal/Financial implications

7. The Localism Act 2011 gives councils a general power of competence whereby they have power to do anything that individuals generally may do. This power can be used even if legislation already exists that allows a local authority to do the same thing. However the general power of competence does not enable a local authority to do anything which it was restricted or prevented from doing under that previous legislation.
8. The Council can under the Act to provide funding to voluntary organisations but in exercising this power regard must be had to the Council's sustainable community strategy. These grants, from the community fund, are from revenue budgets.
9. The power to allocate community council funds by the community council is set out in part 3H of the constitution. The money can be granted to community projects ranging from cultural celebrations to providing equipment for local sports teams.

Cathedrals	Actionplus Foundation	Take Action Now	<p>We aim to deliver an African gala event targeting the local African community. The event will focus on educating guests about HIV through highlighting the work of the ActionPlus foundation. The gala will offer food, drink, music and other forms of entertainment including outdoor games and a treasure hunt. As well as the fun aspect the gala event will give us an opportunity to raise awareness about HIV and how it affects African communities in Southwark. We will do this through providing guests with a welcome pack which will contain key information.</p> <p>We meet the 2012 values in the following ways; showing courage by addressing an issue which carries is taboo in African communities, our information will be based on excellence; we will promote respect for difference by promoting equality in the message we convey and will extend friendship to people who are not familiar with ActionPlus Foundation's work.</p>	Christ Church 27 Blackfriars Road London SE1 8NY	£850
Cathedrals	Applegarth House TMC	20 year Anniversary Event	A small group of tenants decided would like to manage Applegarth House themselves; they had years of training to become one of the first Co-op's in Southwark. Through their courage and determination they have been going for 20 years. This event is to celebrate the 20th anniversary and to pay tribute to the life of Doris Ottley who inspired everyone she met. She was the treasurer for 20 years. Cathedrals	Bankside Residents Forum	Setting up a network of voluntary working groups	Bankside Residents Forum has been doing vital work in the local community for fifteen years, helping local residents to play their full part in the planning decisions that are transforming Bankside. Now, without the funding for a paid field-worker, we are setting up a network of volunteer working groups to sustain this work: Planning monitoring, Communication, Fundraising, and Resident Engagement. This will ensure that local residents continue to be provided with EXCELLENT advice on how to play their part in the planning process; BRF support will enable small local groups to generate the DETERMINATION and resilience to persevere in the often-daunting world of planning applications; and local people working together, sharing problems, ideas and solutions, will create FRIENDSHIP and community cohesion. A grant would help us through the coming year of organisational transition.	Community Space, 18 Great Guildford Street, SE1 0FD	£1,000
Cathedrals	Blackfriars Settlement	Summer Activities Information Day	We would like to organise a summer fun day for children, young people and their families from the local area; to raise awareness of the activities available in the area over the summer holidays. Activities to be included on the day: face painting, football competition, bouncy castle, arts & crafts, music and food/refreshments. This day would be a good opportunity for us to meet more children and young people and identify those who may benefit from getting involved in our children and young people's services. We will invite other local service providers, to promote their summer activities and raise awareness of local service provision. Olympic aims: Equality: All children will have the opportunity to access services in their area. Friendship and respect: children from different parts of the area will be brought together to compete and enjoy the day, addressing issues around territory and boundaries. Chaucer Ward	St. George in Southwark Festival	2013 St. George in Southwark Festival	<p>Equality: The Festival will involve dance, poetry and song from a range of local communities - English, Hispanic, Turkish, Ethiopian, Somalian - for adults and children. It will be promoted intensively to the local communities, rich and poor, old and young, new to the area and long-standing, as well as the areas visitors, workers and tourists.</p> <p>Courage: The story of St George and the Dragon is intrinsically one of courage in adversity. The story will be performed in various venues around the locality by the local mystery players, The Lion's Part. The Festival will celebrate this story by inviting personal accounts and anecdotes of situations and personal experiences which have required courage to get through and overcome.</p> <p>Inspiration: Tales of overcoming adversity almost inevitably move and inspire the human heart. All the Festival's weekend activities will seek to engage and inspire its audiences. The Dragon Cafe, in the crypt of St George the Martyr, will provide a focus for performances, seminars, creative workshops, exhibitions and general merriment, all of which will seek to draw on the inspiration of St George and spark the imagination and sense of belonging in all those that take part.</p>	Main base will be St George the Martyr Church,	£1,000

Chaucer Ward	Tabard After School Project	Tabard After School Project	As a charity providing childcare service within our community, we are very much part of the community. Current government cuts have left us in a vulnerable position of seeking external funding to enable us to become more sustainable. During the Olympics we aim to teach the children about the different nationalities involved and taking part. Resources bought would allow children to express themselves through art.	1 Decima St, London SE1 4QR	£1,000
Chaucer Ward	Tabard Gardens (Central) T&RA	Tabard Fun Day	Tabard Gardens Central Fun Day is a free event in the community hall to celebrate the London 2012 Olympic and Paralympic Games. The aim is to stimulate a sense of community for the estate, in which everyone will have the opportunity to take part. The day will have a variety of exciting activities such as face painting, games, bingo and lots more for everybody to get involved in. Also to provide information of interest to local tenants and residents. Through the activities on the day, residents will understand each other despite any difference.	Tabard Community Hall	£600
Chaucer Ward	Tabard Gardens (North) T&RA	Tabard Steam Train Trip	We would organise a coach trip to Tenterden in Kent. There we would board a steam train of the Kent and East Sussex Railway for a trip to Bodiam in East Sussex, that has an historic castle nearby. The railway was close by British Railways in 1970, but reopened as a heritage steam railway soon after due to the hard work and determination of volunteers. Bodiam Castle was built in the 14th Century but became a ruin. Restoration work began in the 19th Century and the excellence of the work is recognised by the castle	Tenterden in Kent and Bodiam, East Sussex	£969

The trip would encourage friendship and equality on the Tabard Gardens Estate, and hopefully people would be inspired by a trip through a beautiful, picturesque countryside. The cost of the train trip and admission to the castle would be included.		
Chaucer Ward	Tabard Gardens (South) TRA	Seaside Trip	The planned activity will be a coach trip to the beach in Broadstairs. This will provide the perfect opportunity for tenants from all backgrounds, ages and races, to meet and form new "friendships", in the process, understanding each other despite any differences. Our expectations are that through these friendships, "respect" will naturally be formed. For some members of our community, meeting new people is difficult. We hope that the trip will give them the "courage" to share some information about themselves, to the group through our meet and greet games that are planned for the coach journey.	Broadstairs	£650

Chaucer Ward	Trinity Newington Residents' Association (TNRA)	Yogalympics	<p>After a very successful 'Open Space Yoga' event last summer, funded by United St Saviours, (we taught yoga to around 60 people, aged 2 - 65, in gardens in north Southwark over 6 weekends). This year we want to concentrate our efforts into one day's celebration of the body in motion. The event will be advertised locally and open to all. There will be 3 yoga teachers and we offer yoga in 2 x 3 hour blocks, with a light snack for lunch. In the evening we will continue the celebration with a 'bring your own' party. All those attending the day course will receive a complimentary refreshment. We will offer the yoga and exercises to an appropriate level for participants. We will be able to offer a sitting yoga for the infirm. The main purpose is to get people exercising in the open air and enjoying their bodies. The format of the day will be fun; we will offer prizes and decorate the garden.</p> <p>The event will meet at least three of the London 2012 etc values: equality: open to all, activity tailored to all, according</p>	Trinity Church Square garden, SE1, in Chaucer Ward	£1,000

East Walworth	Clara Mosha	Fitness Choices Mum's Club	<p>Mum's Club was a regular fitness class based in Walworth where local mums would attend 3 exercise classes per week. Originally started in October 2011 it closed down in April 2012 due to lack of funds. Despite having a good turn out to begin with, numbers dwindled as members were young single mums on benefits and were unable to afford the classes.</p> <p>The planned activity is to reinstate this club for 3 months. In order for the club to continue a little longer I propose to change the format from 3 classes per week to 2 classes per week. Apart from the exercise classes members will get nutrition advice and coaching which will help them manage their eating giving them the courage and determination to make a difference in their own lives and their children's. The project aims to introduce mums to a whole new way of eating healthily and keeping active. The benefits of this project are huge as the club will ensure that a new generation of children learning to eat healthily and keep active through their mum's.</p>	Darwin Court, 1 Crawl Row, Walworth, London SE17 1AD	£960

Community council fund 2012/13

About the community council fund

Southwark's community councils have a total of £122,000 to support activities run by local groups for local people across the borough.

What kind of things can be funded?

The community council fund can fund projects benefitting people who live in the community council area, for example:

- One-off events such as fun days and festivals
- Workshops or activities involving members of the local community
- Publicity or merchandise to advertise an event you are doing
- All projects this year must demonstrate how they meet at least three of the London 2012 Olympic and Paralympic Games values. These values are
 - Courage
 - Excellence
 - Determination
 - Equality
 - Friendship
 - Inspiration
 - Respect

Who can apply?

- New and emerging local groups
- Small local organisations
- Any constituted local group
- Any group or individual that has a constituted local organisation to administer the funds on their behalf
- Groups that are active within the community council area

Who cannot apply?

- Organisations not established in the UK
- Organisations which do not have any local links
- Political groups or organisations

What kind of things will not be funded?

- Loans or interest payments
- Political groups or activities promoting political beliefs
- Activities which have happened or started before the grant decision date
- Activities that finish after 31 March 2013
- Activities that do not benefit people living in the community council area
- Anything which is capital funding, for instance building works or large playground equipment

How much can groups apply for?

- From £100 up to £1,000. Groups can only submit one application per community council area.

How can people apply?

- By completing the application form attached
- By completing an online application form at www.southwark.gov.uk/communitycouncilfund
- Contacting the officer for the relevant community council area, as listed on page 2, to request an application form

Closing date for receipt of all applications is **Friday 25 May 2012, 5pm.**

Late or partially filled applications will not be considered.

How can I get more information or support?

If you would like help with filling in the application please contact the officer for the relevant community council area as listed below.

How does the scheme work?

Applications will be screened to make sure they meet the criteria. Remember that eligibility for the fund is also conditional on the applicant providing all the necessary information, outlined in the application form, which includes evidence on how they are, or will be, complying with appropriate safeguarding and health and safety policies.

Applications not fulfilling any of the above criteria will not be considered.

Every applicant will be notified of decisions by a letter no longer than 15 working days after the decision is taken. Successful applicants will be asked to sign and return a condition of funding agreement. It is only once this agreement has been received that we can release the funding.

Please note that groups that are not constituted or individuals who would like to apply with project ideas should get in touch with the community council development officer (contact details below) for advice as soon as possible.

Remember all applications – whether online, email or post must reach us by Friday 25 May 2012, 5pm.

For more information about the scheme please go to www.southwark.gov.uk/communitycouncilfund

Elected councillors will be responsible for making decisions on all the eligible applications using the priorities outlined below

- Applications that demonstrate at least three of the London 2012 Olympics and Paralympic Games values
- Applications that show a high level of involvement by the local community
- Applications that involve groups working together
- Activities delivered by
 - New and emerging groups/individuals
 - Groups who have not previously received community council funding
 - Groups who are based in the community council area
- Activities taking place within the community council area – unless they involve an outing, or there is lack of space for it within the area
- Where the majority of people benefitting from the activity live within the community council area

Decisions for applications will be made and announced by councillors at the community council meeting which will take place in June or July 2012.

So when planning your activity please make sure that you give enough time for this and that it does not start before at least four weeks after the decision date.

Item No. 10.1	Classification Open	Date: 2 July 2012	Meeting Name: Borough, Bankside & Walworth Community Council
Report title:		Borough, Bankside and Walworth Community Council Cleaner Greener Safer Revenue Fund 2012/13	
Ward(s) or groups affected:		Cathedrals, Chaucer, East Walworth, Faraday and Newington Wards	
From:		Stephen Douglass, Head of Community Engagement	

RECOMMENDATION

1. That the Borough, Bankside and Walworth Community Council allocate £7,760 of the remainder of Cleaner, Greener, Safer (CGS) revenue fund 2012/13. The projects to be considered for allocation are set out in Appendix 1.

BACKGROUND INFORMATION

2. A Cleaner, Greener, Safer revenue fund 2012/13 consisting of £210,000 across the borough, with an allocation of £10, 000 per ward, has been introduced as part of the budget strategy agreed at the council assembly meeting on the 29 February 2012.
3. The aim of this fund is to give community councils decision making powers over significant amounts of revenue funding that they can allocate to meet locally determined priorities. It is anticipated that the availability of the Revenue Fund will enhance and complement the effectiveness of the Capital Fund.
4. On 1 March 2012 the Leader of the Council delegated the executive function to each community council to take the Cleaner, Greener, Safer Revenue funding decisions in their areas.
5. Clearer Greener Safer revenue fund was initially considered at Walworth Community Council meeting on Wednesday 18 April 2012. East Walworth and Newington wards allocated all of their funding. Faraday ward partially allocated their funding at the meeting on 18 April 2012. Borough, Bankside and Walworth Community Council will consider allocating the remaining amount of £7,760 to Faraday ward.

KEY ISSUES FOR CONSIDERATION

6. The community councils will use the criteria set out below for the allocation of this funding.
 - a. Proposals that make an improvement to an area on the basis of making it cleaner, greener or safer or a combination.

- b. CGS applications from the capital round which were ruled out because they were revenue applications.
 - c. The revenue fund could be used to meet the revenue costs associated with a CGS capital award.
 - d. A community council may choose to allocate some or all of their revenue resources to their CGS capital allocations.
 - e. Subject to the availability of resources, the revenue fund may be used to buy services from the council.
7. While the allocation is based on £10,000 per ward a community council can if it chooses decide to aggregate all or part of the funding and spend more than £10,000 per ward.
8. Community councils will be free to indicate whether they would like expenditure to be an ongoing commitment over more than one financial year or spending over a fixed timescale for a one-off project. Commitments will be subject to final agreement of the council budget and a decision by each community council on an annual basis.
9. As with any executive decision taken by community councils this is subject to the council's existing scrutiny arrangements.

Delivery

10. Once the community council has made their selections by the method of their choice they will be designed and delivered as soon as possible in 2012/13. Any under spends or projected overspends will be reported back to community council for resolution or reallocation.

Community Impact Statement

11. The roles and functions of community councils include the promotion of involvement of local people in the democratic process. Community councils take decisions on local matters including environmental improvement and community safety as well as consultation on a wide range of policies and strategies that affect the area.
12. An explicit objective within community councils is that they be used to actively engage as widely as possible with, and bring together, Southwark's diverse local communities on issues of shared or mutual interest. The Cleaner Greener Safer programme is an important tool in achieving community participation.
13. In fulfilling the above objectives that community councils have of bringing together and involving Southwark's diverse local communities, consideration has also been given to the council's duty under The Equality Act 2010 which requires the council to have due regard when taking decisions to the need to:
- a. Eliminate discrimination, harassment, victimisation or other prohibited conduct;

- b. Advance of equality of opportunity between persons who share a relevant protected characteristic and those who do not share it
- c. Foster good relations between those who share a relevant characteristic and those that do not share it.

Of particular regard are issues of age, disability, gender reassignment, pregnancy and maternity, race, religion or belief, sex, sexual orientation.

Having due regard to the need to advance equality of opportunity is further defined in s.149 as having due regard to the need of:

- Remove or minimise disadvantages connected with a relevant protected characteristic
- Take steps to meet the different needs of persons who sha relevant protected characteristic
- Encourage persons who share a relevant protected characteristic participate in public life or any other activity in which they are under-represented

Resource implications

14. The total cost of the CGS Revenue Fund is part of the Budget process for 2012/13 agreed by Council Assembly. Any costs incurred in implementing this fund will be met within existing resources.

Policy implications

15. The CGS Revenue Fund is fully aligned with the Council's policies toward sustainability, regeneration and community engagement.

Consultation

16. Decisions will reflect longstanding ward priorities and may be complementary to the decisions made in the CGS Capital fund allocation. In this first year of the scheme consultation will take place at the community council meetings and will therefore be an integral part of the decision making process. In future years consultation will be a key part of developing and identifying projects for funding and considering whether to proceed with indicative expenditure.

Legal Implications

17. The Local Government Act 2000 [as amended] ('the Act') gives the leader the power to delegate any executive function to whoever lawfully can undertake the function. The allocation of the Cleaner, Greener, Safer revenue fund ('CGS') is an executive function.
18. Community councils are 'area committees' within the meaning of the Act and executive functions can be delegated to them by the leader.
19. In allocating funding under the CGS Revenue Fund community councils must have regard to the council's equality duties set out in section 149 of the Equality Act 2010. The report author has demonstrated how those duties have been

considered in the body of the report at paragraphs 12 in the Community Impact Statement.

Report title:		Cleaner Greener Safer Revenue Fund 2012/13	
Ward(s) or groups affected:		Cathedrals, Chaucer, East Walworth, Faraday and Newington Wards	
From:		Stephen Douglass, Head of Community Engagement	

RECOMMENDATION

1. That the Borough, Bankside and Walworth Community Council nominates the signatories for the bank account for the Cleaner, Greener, and Safer (CGS) revenue fund 2012/13. The proposed signatories are: the Chair, Vice Chair and one other Member.

BACKGROUND INFORMATION

2. A Cleaner, Greener, Safer revenue fund 2012/13 consisting of £210,000 across the borough, with an allocation of £10,000 per ward, has been introduced as part of the budget strategy agreed at the council assembly meeting on the 29 February 2012.
3. In March 2012 the Leader approved a delegation of power to community councils to allow them to make decisions on cleaner, greener, safer revenue (CGS) funding. As part of this it was agreed that bank accounts would be set up for each community council to enable spending decisions to be effected at a local level with maximum flexibility, while maintaining appropriate checks and controls, see best practice guide for use of the CGS Revenue Local Bank Accounts attached at appendix 1
4. The aim of this fund is to give community councils decision making powers over significant amounts of revenue funding that they can allocate to meet locally determined priorities. It is anticipated that the availability of the Revenue Fund will enhance and complement the effectiveness of the Capital Fund.

Community Impact Statement

5. The roles and functions of community councils include the promotion of involvement of local people in the democratic process. 10. Decisions will reflect longstanding ward priorities and may be complementary to the decisions made in the CGS Capital fund allocation. In this first year of the scheme consultation will take place at the Community Council meetings and will therefore be an integral part of the decision making process. In future years consultation will be a key part of developing and identifying projects for funding and considering whether to proceed with indicative expenditure.

Legal Implications

11. The council's rules for the operation of local bank accounts state among other things that the Finance Director's approval is required of arrangements for making deposits and withdrawals from local bank accounts. There must be at least two signatories for all transactions and the conditions applying must be fully documented. Bank mandates must be signed by the authorised officers and a copy passed to the finance director, details of which should be kept on file for audit purposes.
12. Once the community council has agreed its nominations these details will be passed to the Finance Director for validation and action.

Report title:		Local parking amendments	
Ward(s) or groups affected:		All wards within Borough, Bankside and Walworth Community Council	
From:		Head of Public Realm	

RECOMMENDATIONS

1. That, subject to the completion of the statutory notification procedures, the community council agrees to the installation of disabled persons parking (blue badge) bays in Dawes Street, Webber Street and Brook Drive at the locations set out in Appendices 1-3.
2. That, subject to the completion of the statutory notification procedures, the community council agrees to the installation of any time waiting restrictions (double yellow lines) on Joan Street at the location set out in appendix 4.

BACKGROUND INFORMATION

3. This report presents proposals for a number of local parking amendments, which are reserved to the community council for decision under Part 3H of the constitution.
4. The origins and reasons for the proposals are discussed in the main body of the report.

KEY ISSUES FOR CONSIDERATION

Origin disabled bays – Dawes Street, Webber Street and Brook Drive

5. Three applications have been received by the network operations team for the installation of a disabled persons (blue badge) parking bay. In each case, the applicant met the necessary criteria for an origin, disabled persons parking bay.
6. The parking design team has subsequently carried out a site visit to evaluate the road network and carried out consultation with each applicant to ascertain the appropriate location for each disabled bay.
7. It is therefore recommended that disabled bays be installed at the following locations, see appendices for detailed design:

Reference	Bay location (approx)	Drawing appendix number
1213Q1017	Outside 114 Dawes Street	Appendix 1
1213Q1013	Outside 92 Webber Street	Appendix 2
1213Q1011	Outside 39 Brook Drive	Appendix 3

Joan Street - 1213Q1027

8. A local resident contacted the public realm projects (parking design) team requesting double yellow lines be installed opposite the C1 permit holder parking bay.
9. At present if the permit holders bay is empty and a vehicle stops opposite on the existing single yellow line outside of zone hours (Monday to Friday 8am-6.30pm and Saturday 9.30am-12.30pm) this prevents any permit holders from parking in the bay, as they would otherwise obstruct the street.
10. An officer visited the site and noted that the highway is wide enough to support parking on one side only. At the time of visit, there was 1 vehicle parked in the permit bay and another vehicle parked on the single yellow line opposite the permit bay leaving the last space of the permit bay unusable.
11. It is recommended that double yellow lines are installed to protect the entire length of permit bay, see appendix 4 for detailed design.

POLICY IMPLICATIONS

12. The recommendations contained within this report are consistent with the policies of the Parking and Enforcement Plan and the Transport Plan 2011, particularly:

Policy 1.1 – pursue overall traffic reduction

Policy 4.2 – create places that people can enjoy

Policy 8.1 – seek to reduce overall levels of private motor vehicle traffic on our streets

13. The proposal(s) will support the council's equalities and human rights policies and will promote social inclusion by:
 - Providing improved access for emergency vehicles, refuge vehicles, residents and visitors
 - Improving sight lines for all road users
 - Improving junction and pedestrian safety, especially those with limited mobility or visual impairment; and

COMMUNITY IMPACT STATEMENT

14. The policies within the Parking and Enforcement Plan are upheld within this report have been subject to an Equality Impact Assessment (EqIA).

RESOURCE IMPLICATIONS

15. All costs arising from implementing the proposals, as set out in the report, will be fully contained within the existing local parking amendment budget.

CONSULTATION

16. No informal (public) consultation has been carried out. Where consultation with stakeholders has been completed, this is described within the main body of the report.

17. Should the community council approve the item(s), statutory consultation will take place as part of the making of the traffic management order. A proposal notice will be erected in proximity to the site location and a press notice will be published in the Southwark News and London Gazette. If there are objections a further report will be re-submitted to the community council for determination.

Feedback for queries raised at the Borough and Bankside Community Council
meeting on 25 April 2012

Question	Response
<p>ACTION: Officers to provide a list of criteria which they had used to determine the viability of the proposed devolved highways budget schemes</p>	<p>Schemes would be considered viable if they met the following criteria:</p> <ol style="list-style-type: none">1. Within public highway2. Exclude works that would normally be mandatory in accordance with LBS highway maintenance policy3. Excluding requests for traffic calming, traffic management or highway safety schemes <p>Typical examples of viable works include upgraded finishes to footway maintenance schemes, highway or footway surfacing or patching works, dealing with trees with upgraded finishes, additional potholing works for potholes below defect level for which works would be mandatory.</p>

<p>Update on the Southwark "After Dark" badges / TfL</p>	<p>TfL provide a number of disabled parking concessions on the TLRN (Transport for London Road Network), including 'at any time' bays, primarily on the residential parts of the red route. These are intended to allow Blue Badge holders to park outside or close to their homes. Currently, the rules that govern when a Blue Badge holder can use the red route bays require that the badge is displayed.</p> <p>However, TfL have recently been made aware that a number of London boroughs issue "alternative" badges which can be used by Blue Badge holders in situations where there are concerns about theft of the Blue Badge (if for example a vehicle is parked overnight) but, these are not currently valid on the TLRN.</p> <p>The issue was also raised by the Assembly Member for Enfield and Haringey, Joanne McCartney, at the last Questions to the Mayor session on 14 March. http://mqt.london.gov.uk/mqt/public/question.do?id=40517.</p> <p>In light of this, TfL undertook to speak to the boroughs in an effort to understand how their schemes work, and whether these badges could be used on the red route. TfL's Stakeholders team is managing this, but are still in the very early stages of collating the information, including any terms of use. It is also important that, if TfL could recognise the various badges, there is a way they can clearly identify that the vehicle in question is being used by a Blue Badge holder.</p> <p>It is early days but TfL are looking at the issue of alternative badges with a view to how TfL might accommodate their use.</p>
<p>"The signs on the hoardings enclosing the Heygate Estate state clearly: 'THIS REGENERATION SITE HAS 24 HOUR LIVE SECURITY PATROLS'. The police approached residents of Garland Court on the evening of 31 December 2011, looking for witnesses to an incident by the estate. Has the Community Council been informed about this event?"</p>	<p>The community council were not formally informed about these incidents, but ward councillors became aware of them as part of their duties.</p>

<p>“Are the Community Council also aware of the case of serious assault that occurred on Wansey Street at around 11.00pm on 18 August 2011?”</p>	<p>The community council were not formally informed about these incidents, but ward councillors became aware of them as part of their duties.</p>
<p>“Why are there one-way systems operating on parts of East Street and King and Queen Street, when they are massively ignored? Half the cars parked in these zones are facing the wrong direction.”</p>	<p>Awaiting response from officers.</p>
<p>ACTION: Officers to produce a list of establishments which allow people to use their toilets, even if they are not customers.</p>	<p>Awaiting response from officers.</p>
<p>Update on Cleaner, Greener, Safer budget.</p>	<p>In 2012-13, there was £257,346 available to fund new CGS schemes in Walworth. Successful schemes were announced at the Walworth Community Council meeting on 10 March 2012, and £4,255 remains unallocated. This sum is available to allocate to works in East Walworth ward.</p> <p>A question was raised whether the £4,255 could be awarded to the proposal "Robert Browning Out and Away Scheme" - "A way of educating the children about the outdoor life and the qualities they can benefit from the outdoor activities away from the city. The location would be - Residential/countryside retreat and allotments"</p> <p>Unfortunately this idea was ineligible for funding from the Cleaner Greener Safer capital programme as it would not create permanent physical improvements in the environment.</p> <p>Past CGS-funded improvements that have been carried out to benefit children include works to playgrounds e.g. building raised beds so the children can grow vegetables, more play equipment in the playground, "outdoor" classrooms etc.</p> <p>Applicants to the 2012-13 CGS programme will be contacted later this year when the 2013-14 programme is open for applications for new projects to begin in April 2013.</p>
<p>The small park on the Morecambe Street is not being cleaned. Why is it not being managed by Quadrant?</p>	<p>This area is cleaned by Southwark Cleaning not Quadrant, and is scheduled to be litter picked daily and the grass cut on a fortnightly basis. Checks are being made to ensure this is being carried out.</p>
<p>The pavement in East Street is constantly being redone. Does the council's contract with the company not include an agreement to fix the pavement</p>	<p>Officers are aware of issues with the condition of the footway in East Street. Officers are currently working on a longer term solution to this problem and will consult with local councillors on this in the near future.</p>

properly	
Who gave permission for a cash point to be put outside to William Hill in East Street, which restricts the width of the pavement?	Awaiting response from officers.
