

Camberwell Community Council

Wednesday 17 April 2013

7.00 pm

Employment Academy, 29 Peckham Road, London SE5 8UA

Membership

Councillor Norma Gibbes (Chair)
Councillor Dora Dixon-Fyle (Vice-Chair)
Councillor Kevin Ahern
Councillor Stephen Govier
Councillor Peter John
Councillor The Right Revd Emmanuel Oyewole
Councillor Veronica Ward
Councillor Mark Williams
Councillor Ian Wingfield

Members of the committee are summoned to attend this meeting

Eleanor Kelly

Chief Executive

Date: Tuesday 9 April 2013

Order of Business

- | Item No. | Title |
|----------|--------------------------|
| 1. | INTRODUCTION AND WELCOME |
| 2. | APOLOGIES |

Item No.	Title	Time
3.	ITEMS OF BUSINESS THAT THE CHAIR DEEMS URGENT	
	The chair to advise whether they have agreed to any item of urgent business being admitted to the agenda.	
4.	DISCLOSURE OF MEMBERS' INTERESTS AND DISPENSATIONS	
	Members to declare any interests and dispensation in respect of any item of business to be considered at this meeting.	
5.	MINUTES (Pages 1 - 9)	
	To confirm as a correct record the minutes of the meeting held on 13 February 2013.	
6.	DEPUTATIONS/PETITIONS (IF ANY)	
	The chair to advise on any deputations or petitions received.	
7.	COMMUNITY ANNOUNCEMENTS	7.05pm
	<ul style="list-style-type: none"> - Chair's announcements - Youth Carers Conference update 	
8.	CLEANER, GREENER, SAFER FUNDING	7.15pm
	8.1. CLEANER, GREENER, SAFER CAPITAL FUND 2013/14 (Pages 10 - 16)	
	Note: this is an executive function	
	To consider applications for the CGS capital fund 2013/14.	
	8.2. CLEANER, GREENER, SAFER REVENUE FUND 2013/14 (Pages 17 - 23)	
	Note: this is an executive function	
	To consider applications for the CGS revenue fund 2013/14.	
9.	LOCAL PARKING AMENDMENTS (Pages 24 - 32)	7.30pm
	Note: This is an executive function	
	Councillors to consider the recommendations contained in the report.	

Item No.	Title	Time
10.	CRIME AND DISORDER STRATEGIC ASSESSMENT AND ROLLING PLAN Sarah Newton, Safer Southwark Partnership	7.35pm
11.	CONSULTATION ON HEALTH SERVICES IN THE DULWICH AREA Presentation by Rebecca Scott, Southwark NHS	7.45pm
12.	WELFARE REFORMS UPDATE Jay Daisi, Revenue & Benefits	7.55pm
13.	HOUSING COMMISSION Kevin Dykes, Community Engagement	8.05pm
14.	PUBLIC QUESTION TIME (Page 33) A public question form is included at page 33. This is an opportunity for public questions to be addressed to the chair. Residents or persons working in the borough may ask questions on any matter in relation to which the council has powers or duties. Responses may be supplied in writing following the meeting.	8.35pm
15.	COMMUNITY COUNCIL QUESTION TO COUNCIL ASSEMBLY Each community council may submit one question to a council assembly meeting that has previously been considered and noted by the community council. Any question to be submitted from a community council to council assembly should first be the subject of discussion at a community council meeting. The subject matter and question should be clearly noted in the community council's minutes and thereafter the agreed question can be referred to the constitutional team. The community council is invited to consider if it wishes to submit a question to the ordinary meeting of council assembly in 10 July 2013. OTHER REPORTS The following items are also scheduled for consideration at this meeting:	8.40pm
16.	COMMUNITY INFRASTRUCTURE LEVY (CIL) PROJECT BANK LIST	7.25pm

Item No.

Title

Time

NETWORKING SESSION WITH REFRESHMENTS PROVIDED -

Following the end of formal business there will be the opportunity to meet and talk to councillors and officers.

Date: Tuesday 9 April 2013

INFORMATION FOR MEMBERS OF THE PUBLIC

CONTACT: Tim Murtagh, Constitutional Officer, Tel: 020 7525 7187 or email: tim.murtagh@southwark.gov.uk
Website: www.southwark.gov.uk

ACCESS TO INFORMATION

On request, agendas and reports will be supplied to members of the public, except if they contain confidential or exempted information.

ACCESSIBLE MEETINGS

The council is committed to making its meetings accessible. For further details on building access, translation and interpreting services, the provision of signers and other access requirements, please contact the Constitutional Officer.

Disabled members of the public, who wish to attend community council meetings and require transport assistance in order to attend, are requested to contact the Constitutional Officer. The Constitutional Officer will try to arrange transport to and from the meeting. There will be no charge to the person requiring transport. Please note that it is necessary to contact us as far in advance as possible, and at least three working days before the meeting.

BABYSITTING/CARERS' ALLOWANCES

If you are a resident of the borough and have paid someone to look after your children or an elderly or disabled dependant, so that you can attend this meeting, you may claim an allowance from the council. Please collect a claim form from the Constitutional Officer at the meeting.

DEPUTATIONS

Deputations provide the opportunity for a group of people who are resident or working in the borough to make a formal representation of their views at the meeting. Deputations have to be regarding an issue within the direct responsibility of the Council. For further information on deputations, please contact the Constitutional Officer.

**For a large print copy of this pack,
please telephone 020 7525 7187.**

CAMBERWELL COMMUNITY COUNCIL

MINUTES of the Camberwell Community Council held on Wednesday 13 February 2013 at 7.00 pm at Heartbeat International, 3 - 15 Brisbane Street, Camberwell, London SE5 7NL

PRESENT: Councillor Norma Gibbes (Chair)
Councillor Dora Dixon-Fyle (Vice-Chair)
Councillor Peter John
Councillor The Right Revd Emmanuel Oyewole
Councillor Veronica Ward
Councillor Mark Williams
Councillor Ian Wingfield

OFFICER SUPPORT: Edward James, Children's and Adult's Services
Jo Skelton, Community Wardens Team Leader
Paul Gellard, Transport and Projects Officer
Sally Crew, Group Manager Policy and Programmes
Pippa Krishnan, Parks & Open Spaces Development Officer
Jessica Caruth, Project Manager
Juliet Seymour, Planning Policy Manager
Grace Semakula, Community Council Development Officer
Tim Murtagh, Constitutional Officer

1. INTRODUCTION AND WELCOME

The chair welcomed councillors, members of the public and officers to the meeting.

2. APOLOGIES

Apologies for absence were received from Councillors Kevin Ahern and Stephen Govier.

3. ITEMS OF BUSINESS THAT THE CHAIR DEEMS URGENT

There were none.

4. DISCLOSURE OF MEMBERS' INTERESTS AND DISPENSATIONS

There were none.

5. MINUTES

RESOLVED:

That the minutes of the meeting held on 21 November 2012, be approved as a correct record and signed by the chair.

6. DEPUTATIONS/PETITIONS (IF ANY)

There were none.

7. COMMUNITY ANNOUNCEMENTS

Community Infrastructure Levy (CIL)

The Community Infrastructure Levy (CIL) public consultation on the draft charging schedule was taking place. Councillor Peter John explained that it was a levy charged by the council on future developments in the borough. There would be different levels of charges across the borough. Consultation was ongoing and comments were welcome on the proposals put forward.

Young Carers Conference

The chair announced that on Saturday 23 February 2013, there would be a showcase event from 2pm – 6pm in the Camberwell leisure centre for young carers. The conference was an opportunity for young carers to meet and discuss their experiences and the opportunities available to local carers.

8. COMMUNITY COUNCIL FUND 2013/14

Note: This is an executive function.

Members considered the information in the report.

RESOLVED:

1. That allocations of community council funding for the following applications be approved:

Organisation	Project	Amount
St Georges Pop In	Dance Classes	£500
Friends of Brunswick Park	Brunswick Park Village Fete	£1,000

Lyndhurst School Association	International Fashion Show	£1,000
Bethwin Road Playground	Family Fun Day	£1,000
Cooltan Arts	Largactyl shuffle community picnic	£999.95
Crawford Parents Forum	Black History Month	£1,000
Walworth Golden Oldies	Cultural Summer Party	£1,000
Goshen TRA	Stay-Fit Goshen	£700
Southside Young Leaders Academy	Camberwell Enterprise Project	£997
Southwark CAB	Home Search Support	£870
Southwark Pensioners Centre	Eye to IT	£1,000
Jummy Taribo	Young Minds	£450
Southwark Woodcraft	Children and Democracy In Action	£1,000
Dog Kennel Hill Adventure Playground	Project Fun Day	£380
4 in 10 Wellness Project-SLAM	Project-Maudsley	£620
Camberwell Arts Festival	Arts Festival	£1,000
The Welcome Singers	The Welcome Singers	£910
Elmington, Lettsom, Wilsons Road, Bessemer, Grange TRAs	TRAs Big Film Week	£1,000
Stroke Care	Healthy Living Awareness Workshops	£1,000
Mumtaz Banu	Eid Celebration	£459.30
Southwark Explorers Club	Pensioners Exploring	£1,000
Opi Alimi	Recognition Awards Night	£200
Burgess Sports	Burgess Park multi-sport holiday programme	£300

2. That the under spend of £53.75 be considered at a future meeting in 2013/14.

9. YOUTH RESTORATION FUND DECISION UPDATE

Edward James, Children's and Adult's Services, explained that the following four activity bids had been chosen by local young people to be put forward for funding:

1. The Albion Youth Project, which provides educational support for young people.
2. The Eye Child, which offers a structured holiday for young people at risk of offending.
3. The Esteem Network, which provides advice on sexual health, relationships and unwanted teenage pregnancies.
4. The Offbeat Liberty Development Enterprise Project, which runs an apprenticeship fair offering advice around jobs and careers.

10. COMMUNITY SAFETY UPDATE

Safer Neighbourhood Teams

Sergeant Tom Leach, Brunswick Park and South Camberwell Safer Neighbourhood Teams (SNT) gave the following updates for each ward:

Camberwell Green

- Officers had carried out two search warrants under drugs laws
- Street drinking was targeted as part of an ongoing operation around Camberwell Green. The levels of street drinking had fallen.
- There was a problem with drug dealing in the area, in particular around betting shops. Several anti-social behaviour orders had been issued which had to an extent reduced the problem.
- Officers were working with housing associations to deal with the problems caused by dangerous dogs in housing blocks. Letters had been sent to affected residents about the progress being made.

South Camberwell

- Several arrests for conspiracy to supply drugs had been made since the last community council meeting.
- Denmark Hill and surrounding estates had been targeted recently with the aim of reducing Anti-Social Behaviour.

Brunswick Park

- Fourteen arrests had been made since the last community council meeting. A drugs warrant was executed in January.
- Officers had targeted anti-social behaviour on the Glebe Estate. Two males had recently been arrested for driving a stolen vehicle.

- The SNT were providing support for funding streams for youth groups in Southwark. Successful funding bids had been secured for local scouts, the Carrot Club and Catch-22, amongst others.

In response to questions, Sgt Leach made the following points:

- Officers were working with the RSPCA on tackling a problem at a local premises where a nuisance dog tended to bark late into the night.
- Local betting shops had been very co-operative with the SNT in tackling the problems that seemed to occur in and around their businesses.

Community Wardens

Jo Skelton, Community Wardens Team Leader, explained that the team was up to its full capacity of six wardens. The team was based at the new Queens Road offices in Peckham. Among the priority matters tackled during the last twelve weeks were: tackling anti-social behaviour, street drinking, begging, burglary and theft from school children. Wardens were aiming to get on the housing estates more often in future and welcomed community feedback on any issues.

The wardens had been working with the housing department to visit vulnerable older people in the community. Additionally, they were still looking for more volunteer street leaders to help improve the local environment.

In response to questions Jo made the following points:

- Regarding business premises leaving bin bags on the pavement for five or six days, wardens could examine trade waste agreements and take enforcement action where necessary.
- The wardens work with all the Tenants and Residents' Associations (TRAs) in Camberwell and would attend TRA meetings when work schedules allowed.
- Some specific enforcement work to tackle dog fouling on the East Dulwich Estate would be undertaken.

11. PECKHAM ROAD SOUTH, CONTROLLED PARKING ZONE UPDATE

Paul Gellard, Transport and Projects Officer, summarised the report on the Peckham Road South, controlled parking zone (CPZ) consultation. Following a deputation at the Camberwell Community Council in April 2012 requesting a CPZ consultation, the council commissioned parking occupancy surveys in October 2012.

More than 2,000 consultation packs were delivered in November to local residents. Consultation closed on 14 December 2012. 442 response questionnaires were returned along with 3 petitions. The petitions contained 598 signatures against controls in the area. Overall 77% of respondents were against parking controls in their street, with 17% in favour.

Paul explained that all comments would be included in the report going to the Cabinet Member for Environment, Transport and Recycling:

Members considered the information in the report.

RESOLVED:

That the community council notes the report and supports the following recommendations due to be made to the Cabinet Member for Environment, Transport and Recycling:

1. Not to approve the implementation of a parking zone in any of the Peckham Road South study area.
2. To approve the implementation of 'at any time' waiting restrictions (double yellow lines) on all unrestricted junctions where currently absent in the Peckham Road South study area.

12. LOCAL PARKING AMENDMENTS

Note: This is an executive function.

Members considered the information in the report.

RESOLVED:

That the following local parking amendments, detailed in the appendices to the report, be approved for implementation subject to the outcome of any necessary statutory procedures:

- Baldwin Crescent – install one disabled person's (blue badge) parking bay
- Coleman Road – install one disabled person's (blue badge) parking bay
- East Dulwich Road – install one disabled person's (blue badge) parking bay
- Crofton Road – install one disabled person's (blue badge) parking bay.

13. REVITALISE5 CAMBERWELL

Sally Crew, Group Manager Policy and Programmes, introduced the Revitalise5 Camberwell programme. It consisted of a number of different projects intended to make a real difference in the area. Consultation was under way and would run until 8 March 2013.

Camberwell Green

Pippa Krishnan, Parks & Open Spaces Development Officer, explained that the plan was to re-landscape the green. The space should work well with the surrounding area and act as a good connection with the new library. Officers were currently seeking residents'

comments on the three design options put forward, elements of each may feature in the final design. The new green would have more biodiversity. There would be new equipment in the play area and some railings may be removed to open up the park to visitors and reduce anti-social behaviour. The final design would be ready in May 2013 and would be subject to planning approval, before construction commenced. The new park should open in spring 2014.

In response to questions, Pippa made the following points:

- There would be consultation on the type of new equipment for the play area
- The amount of long grass and wild flowers would be increased as it would improve the park's biodiversity
- There would be improved lighting in the park.

A new library for Camberwell

Jessica Caruth, Project Manager, explained that the new library would fit in with the other infrastructure improvements in the area. The library would be adjacent to the Green in front of the Magistrates Court. Views were sought on what to put in the new library. There would be more space for books and learning materials along with public toilets and baby changing facilities. It would have many computers for public use and free wifi. There would be a consistent approach with the Green and some seasonal variations. A planning application would be submitted in March 2013 with construction commencing later in the year, subject to approval, with completion likely in spring/summer 2014.

In response to questions, Jessica made the following points:

- There will be a civic square space between the Magistrates Court and the new library. The court had been involved in the process and a balance between historic and new would be achieved
- Some of the existing trees would be re-located and there was a commitment to re-planting. There would be more trees in the area around the Green. Some trees currently affecting the smooth walkways with their roots would be replaced.

Streetscape improvements

Sally Crew explained that the plans were a partnership project between Southwark Council, Transport for London, which manages Camberwell New Road and Camberwell Church Street and Lambeth Council, which looks after Coldharbour Lane and parts of Denmark Hill. There were two options being considered and both would introduce a 20mph speed limit along with more space for pedestrians. Some bus stops would be adjusted or moved to improve access for passengers. Residents' comments on the proposals were sought. Following consultation, the preferred option would be published and works should start in summer 2013.

In response to questions, Sally made the following points:

- There were two bus garages in the area that required bus stands and facilities to support passengers. The bus service issue had been considered and addressed in the options.

Councillors added that a tube link would help the public transport situation in Camberwell and residents were urged to sign an online petition to that end.

Pocket spaces

Sally Crew explained that the pocket spaces project looked at some of the under- utilised, quiet spaces within Camberwell such as Grove Lane and Coldharbour passage. A site audit of the spaces in Camberwell had been carried out and priorities were set on improvements. Residents were now being asked if they agreed or disagreed with those priorities. After the consultation there would be a design process and residents would have an opportunity for input on those designs.

Camberwell Supplementary Planning Document (SPD)

Juliet Seymour, Planning Policy Manager, explained that the SPD was being prepared for the Camberwell area. The SPD was detailed guidance based in part on feedback from local residents. Officers were seeking views on the building designs, streets and spaces wanted by people in the area. The SPD covered affordable housing, retail and office space and would be finalised in 2014 with a draft available in September 2013. Consultation would run until 19 April 2013. Contact juliet.seymour@southwark.gov.uk or Tel. 020 7525 0508.

Sally Crew said that there were further Revitalise5 Camberwell events planned and residents were encouraged to give their views throughout the process. Contact sally.crew@southwark.gov.uk or Tel. 020 7525 5564.

14. PUBLIC QUESTION TIME

There were two written questions submitted. One concerning double yellow lines on Talfourd Road and the other regarding lighting in council buildings.

A written response would be forwarded by officers ahead of the next meeting.

15. COMMUNITY COUNCIL QUESTION TO COUNCIL ASSEMBLY

Following the earlier discussions around the various projects taking place under the Revitalise5 Camberwell programme, the community council considered whether to submit a question to the next Council Assembly meeting and agreed the following:

RESOLVED:

Please update Camberwell Community Council on the Council's work to lobby Transport for London to bring the Bakerloo line to Camberwell and onto Peckham.

The meeting ended at 8.40pm

CHAIR:

DATED:

Item No. 8.1	Classification: Open	Date: 17 April 2013	Meeting Name: Camberwell Community Council
Report title:		Cleaner Greener Safer 2013/14: Capital Funding Allocation	
Ward(s) or groups affected:		All wards within the Camberwell Community Council area	
From:		Strategic Director of Environment and Leisure	

RECOMMENDATION

1. To approve the allocation of funds for the 2013-14 Cleaner Greener Safer (CGS) capital programme in the Camberwell Community Council area from the list of applications set out in appendix 1.

BACKGROUND INFORMATION

2. The Council's CGS capital programme has been running since 2003.
3. In the first ten years of the CGS programme, £26,633,000 has been allocated to community councils leading to 1,548 projects being approved.
4. In the Camberwell Community Council area, £3,356,326 has been allocated to 210 projects, 194 of which have been completed to date.
5. For 2013/14, community councils have also been able to allocate CGS revenue and applications were invited for both capital and revenue ideas. The allocation of revenue is dealt with by a separate report on this meeting's agenda.
6. Examples of the types of projects that have been funded include:
 - Parks, community gardens, landscaping, tree planting and wildlife areas
 - Children's playgrounds, youth facilities, ball courts and cycle tracks
 - Lighting, security measures, pavements, streets, and tackling 'grot spots'

KEY ISSUES FOR CONSIDERATION

7. There is £268,571 for the 2013/14 CGS capital programme and £12,880 unallocated funding from previous years, giving an overall budget of £281,451 for new projects in the Camberwell Community Council area.
8. Eligible proposals must bring about a permanent improvement and make an area cleaner, greener or safer.
9. Proposals with revenue costs, including salaries or computer equipment, feasibility studies, costs for events, festivals, workshops or other one-off events are not eligible for capital funding. CCTV proposals, internal improvements to housing property, works on schools where there is no access to the general public are also not eligible. Works on private property are not eligible unless

there is a long-term guarantee of public access or a demonstrable public benefit.

10. The application form invited expressions of interest for the applicants to deliver projects themselves. A due diligence exercise to ensure that this is both practical and realistic has been undertaken as part of the feasibility process. In such cases, the council would give the funding allocation to the applicant in the form of a capital grant, with appropriate conditions attached.

Policy implications

11. The CGS programme is fully aligned with the council's policies around sustainability, regeneration and community engagement.

Community impact statement

12. The roles and functions of community councils include the promotion of involvement of local people in the democratic process and taking decision-making closer to local people. Community councils take decisions on local matters including environmental improvement and community safety as well as consultation on a wide range of policies and strategies that affect the area.
13. An explicit objective within community councils is that they be used to actively engage as widely as possible with, and bring together, Southwark's diverse local communities on issues of shared or mutual interest. The CGS programme is an important tool in achieving community participation.
14. All ideas for CGS projects come directly from the local community via a simple project nomination form. Specific schemes will then be agreed by community councils and will reflect local needs and priorities.

Resource implications

15. The funding for the 2013/14 CGS capital programme was approved by the cabinet and is part of the council's overall capital programme as detailed in the launch of CGS Programme 2013/14 report dated September 2012.
16. The under spends from previous years are detailed in CGS: Funding Reallocation report dated 21 November 2012.
17. All professional fees related to the project are also allowed to be treated as the capital costs of the project. Where projects are awarded as a grant to organisations, the community council award letter will not include the professional fees which will be charged direct to project costs.
18. CGS projects must be completed within two years of award of funding. Projects that are unlikely to be completed within two years will be reported to community council and available budgets may be reallocated to other projects.
19. After the defects and liability period, or three year maintenance period in the case of planting works, all future maintenance is assumed by the asset owner, for example housing, parks, highways, or in some cases external asset owners. Therefore, there are no revenue implications to the Public Realm projects business unit as a result of approving the proposed allocation.

Consultation

20. All CGS projects require consultation with stakeholders, including the project applicant, local residents, Tenants and Residents Associations and local community groups where appropriate.

SUPPLEMENTARY ADVICE FROM OTHER OFFICERS

Director of Legal Services

20. This report is recommending that the Camberwell Community Council approve the allocation of funds to the individual projects specified at appendix 1. The power for this function is derived from Part 3H paragraph 11 of the Constitution which states that community councils have the power of "Approval of the allocation of funds to cleaner, greener, safer capital and revenue schemes of a local nature, using the resources and criteria identified by the cabinet."
21. The Cabinet Member for Transport Environment and Recycling approved the funding for the 2013/2014 programme in September 2012 by exercising his powers under Part 3D paragraph 2 of the Constitution; and the community council approval being sought here is therefore the next constitutional step in the process.
22. Community council Members also have powers under paragraph 12 of Part 3H of the Constitution to oversee and take responsibility for the development and implementation of the local schemes.

Strategic Director of Finance and Corporate Services

23. This report recommends approval of the allocation of funds for the 2013/14 CGS programme in the Camberwell Community Council area from the list of applications set out in appendix 1.
24. The strategic director of finance and corporate services notes the resource implications contained within the report, and confirms that the capital funding for the CGS programme has been approved as part of the overall council capital programme.
25. Officer time and any other costs connected with this recommendation will be contained within existing budgeted revenue resources.

Item No. 8.2	Classification Open	Date: 17 April 2013	Meeting Name: Camberwell Community Council
Report title:		Cleaner Greener Safer Revenue Fund 2013/14	
Ward(s) or groups affected:		Brunswick Park, Camberwell Green and South Camberwell Wards	
From:		Stephen Douglass, Head of Community Engagement	

RECOMMENDATION

1. That the Camberwell Community Council allocates the £60,000 of the Cleaner, Greener, Safer (CGS) Revenue Fund 2013-14. The projects to be considered for allocation are set out in Appendix 1.

BACKGROUND INFORMATION

2. A CGS Fund 2013/14 consisting of £210,000 across the borough, with an allocation of £10,000 per ward, has been introduced as part of the budget strategy agreed at the council assembly meeting on the 29 February 2012. Also at that meeting it was agreed to allocate an additional £10,000 per ward making the total revenue fund available of £410,000 across the borough resulting in £20,000 per ward.
3. The aim of this fund is to give community councils decision making powers over significant amounts of revenue funding that they can allocate to meet locally determined priorities. It is anticipated that the availability of the revenue fund will enhance and complement the effectiveness of the capital fund.
4. On 1 March 2012 the Leader of the Council delegated the executive function to each community council to take the CGS revenue funding decisions in their areas.

KEY ISSUES FOR CONSIDERATION

5. The community councils will use the criteria set out below for the allocation of this funding.
 - a. Proposals that make an improvement to an area on the basis of making it cleaner, greener or safer or a combination.
 - b. CGS applications from the capital round which were ruled out because they were revenue applications.
 - c. The revenue fund could be used to meet the revenue costs associated with a CGS capital award.
 - d. A community council may choose to allocate some or all of their revenue resources to their CGS capital allocations.

- e. Subject to the availability of resources, the revenue fund may be used to buy services from the council.
6. While the allocation is based on £20,000 per ward, a community council can, if it chooses, decide to aggregate all or part of the funding and spend more than £20,000 per ward.
 7. Community councils will be free to indicate whether they would like expenditure to be an ongoing commitment over more than one financial year or spending over a fixed timescale for a one-off project. Commitments will be subject to final agreement of the council budget and a decision by each community council on an annual basis.
 8. As with any executive decision taken by community councils this is subject to the council's existing scrutiny arrangements.

Delivery

9. Once the community council has made their selections by the method of their choice they will be designed and delivered as soon as possible in 2013/14. Any under spends or projected overspends will be reported back to community council for resolution or reallocation.

Community Impact Statement

10. The roles and functions of community councils include the promotion of involvement of local people in the democratic process. Community councils take decisions on local matters including environmental improvement and community safety as well as consultation on a wide range of policies and strategies that affect the area.
11. An explicit objective within community councils is that they be used to actively engage as widely as possible with, and bring together, Southwark's diverse local communities on issues of shared or mutual interest. The CGS programme is an important tool in achieving community participation.
12. In fulfilling the above objectives that community councils have of bringing together and involving Southwark's diverse local communities, consideration has also been given to the council's duty under The Equality Act 2010 which requires the council to have due regard when taking decisions to the need to:
 - a. Eliminate discrimination, harassment, victimisation or other prohibited conduct;
 - b. Advance of equality of opportunity between persons who share a relevant protected characteristic and those who do not share it;
 - c. Foster good relations between those who share a relevant characteristic and those that do not share it.
13. Of particular regard are issues of age, disability, gender reassignment, pregnancy and maternity, race, religion or belief, sex, sexual orientation.
14. Having due regard to the need to advance equality of opportunity is further defined in section 149 of the Equality Act as having due regard to the need of:

- a. Remove or minimise disadvantages connected with a relevant protected characteristic;
- b. Take steps to meet the different needs of persons who share a relevant protected characteristic;
- c. Encourage persons who share a relevant protected characteristic participate in public life or any other activity in which they are under- represented.

Resource implications

15. The total cost of the CGS revenue fund is part of the budget process for 2013/14 agreed by Council Assembly. Any costs incurred in implementing this fund will be met within existing resources.

Policy implications

16. The CGS Revenue Fund is fully aligned with the Council's policies toward sustainability, regeneration and community engagement.

Consultation

17. Decisions will reflect longstanding ward priorities and may be complementary to the decisions made in the CGS Capital fund allocation. In this first year of the scheme consultation took place at the community council meetings and is therefore now an integral part of the decision making process.

Legal Implications

18. The Local Government Act 2000 [as amended] ('the Act') gives the leader the power to delegate any executive function to whoever lawfully can undertake the function. The allocation of the Cleaner, Greener, Safer revenue fund (CGS) is an executive function.
19. Community councils are 'area committees' within the meaning of the Act and executive functions can be delegated to them by the leader.
20. In allocating funding under the CGS community councils must have regard to the council's equality duties set out in section 149 of the Equality Act 2010. The report author has demonstrated how those duties have been considered in the body of the report at paragraphs 12, 13 and 14 in the Community Impact Statement.

SUPPLEMENTARY ADVICE FROM OTHER OFFICERS

Director of Legal Services

21. Legal comments have been addressed under paragraphs 18, 19 and 20.

Camberwell Community Council Cleaner Greener Safer Revenue Fund 2013 proposals for consideration				
Proposal Name	Ward	Location	Idea	Cost
Camberwell Scout Group	Brunswick Park	Brunswick Park	This proposal will enable the scout group members to integrate and learn different tasks in this social and recreational environment. To provide a 1 week summer camp and additional activities	£2,000
Sceaux Gardens After School Project	Brunswick Park	Sceaux Gardens	This proposal would contribute towards the books and other activities for children from the estate to take part in after school activities	£500
IBA Charity	Brunswick Park	Vestry Road	The proposal would support the next Camberwell Youth Conference for young people, including young carers. The first Conference was started by Councillor Gibbes and held in February 2013 and was a success. To include venue, refreshments, transport for those requiring it and to ensure young people attend, and contributors. The Camberwell Youth Conference, will have proposals coming from the youths and therefore there must be funds to meet some of these proposals coming from the youth.	£1,000
Elaine Josephs Summer Project	Brunswick Park	Brunswick Park	This project has been running for 2 years and provides daytime educational, arts and sports activities for children from the local estates. This allocation will allow them to expand their activities and reach more children. It is planned for this to run in partnership with Sceaux Gardens TRA.	£1,000
Camberwell Youth and Young Carers Conference	Brunswick Park	Brunswick Park	The proposal would support the next Camberwell Youth Conference for young people, including young carers. The first Conference was started by Councillor Gibbes and held in February 2013 and was a success. To include venue, refreshments, transport for those requiring it and to ensure young people attend, and contributors. The Camberwell Youth Conference, will have proposals coming from the youths and therefore there must be funds to meet some of these proposals coming from the youth. The funding includes money to support any proposal from the young people. There will be consultation with the Southwark Young Carers.	£5,000

Camberwell Community Council Cleaner Greener Safer Revenue Fund 2013 proposals for consideration				
Lettsom Estate Educational Activities	Brunswick Park	Lettsom Estate	This proposal would provide educational activities for the children on the estate.	£500
Friends Of Brunswick Park	Brunswick Park	Brunswick Park	This proposal is for a community planting project in Brunswick Park.	£500
The Stanswood Gardens Projects 1 & 2	Brunswick Park	Brunswick Park	The proposal would support the delivery of the two Cleaner Greener Safer Revenue Projects. The proposal for Part 1 is to provide a greenhouse for seeding, planting and propagation. To create a platform and base to teach local residents how to grow plants and vegetables. The proposal for part 2 is to provide workshops for local children for spring-summer gardening.	£1,581
Southwark Youth Council	Brunswick Park	Brunswick Park	The proposal is to a contribution to Southwark Youth Council {SYC}, part of Southwark Youth Services, for their manifesto pledge pertaining to international development work. This group of 16 young people elected 18 months ago by their peer group are working on three themes: inter-generational work with older people, crime and safety of young people and international development work with young people in South Africa. The amount will be a contribution to this area of work.	£5,000
Youth Futures	Camberwell Green	Camberwell Green	The proposal is to contribute to their youth work in the Camberwell Green area. They are a charity and work with local, disaffected young boys and girls. Work closely with Southwark Youth Services but are unfunded. The young people organised and staged an immensely successful showcase in March, which had over 100 young people in attendance as well as The Mayor, Local Councillors, Council Youth Workers and members of the Tenant and Residents Association.	£10,000

Southwark Youth Council	Camberwell Green	Camberwell Green	The proposal is to a contribution to Southwark Youth Council {SYC}, part of Southwark Youth Services, for their manifesto pledge pertaining to international development work. This group of 16 young people elected 18 months ago by their peer group are working on three themes: inter-generational work with older people, crime and safety of young people and international development work with young people in South Africa. The amount will be a contribution to this area of work.	£10,000
-------------------------	------------------	------------------	---	----------------

Item No. 9.	Classification: Open	Date: 17 April 2013	Meeting Name: Camberwell Community Council
Report title:		Local parking amendments	
Ward(s) or groups affected:		All wards within Camberwell Community Council	
From:		Strategic Director of Environment and Leisure	

RECOMMENDATIONS

1. It is recommended that the following local parking amendments, detailed in the appendices to this report, are approved for implementation subject to the outcome of any necessary statutory procedures:
2. Baldwin Crescent – remove one permit bay and install a double yellow line to provide access to a planned new dropped kerb and vehicle crossover leading to No. 11.
3. Grove Lane – remove one permit bay and install a double yellow line to provide access to a planned new dropped kerb and vehicle crossover leading to No. 165.
4. Everthorpe Road - install double yellow lines at the junction of Oglander Road and Oxenford Street.

BACKGROUND INFORMATION

5. This report presents recommendations for a number of local parking amendments.
6. Part 3H of the Southwark Constitution delegates decision making for local non-strategic traffic management matters to the community council.
7. The origins and reasons for the recommendations are discussed within the key issues section of this report.

KEY ISSUES FOR CONSIDERATION

Baldwin Crescent

8. The council's asset management team have received, considered and approved in principle (subject to this decision and statutory consultation) the construction of a dropped kerb and vehicle crossover leading to No. 11 Baldwin Crescent.
9. The proposed crossover location currently has a permit holder's only parking bay in front of it, this bay is part of Camberwell (K) Controlled Parking Zone (CPZ).
10. It is not possible to maintain a parking bay and dropped kerb at the same location as the presence of both would provide a conflicting message to motorists.
11. Officers are proposing to progress a local parking amendment such that the

parking bay is removed and a waiting restriction (double yellow line) is installed; this will result in the loss of approximately one parking space.

12. Double yellow lines prohibit waiting (generally referred to as parking) 'at any time' however loading and unloading is permitted.
13. It is noted that double yellow lines are now the council's standard restriction for crossovers located within a parking zone. This is part of a wider objective to reduce sign clutter and to improve comprehension of restrictions at the point of parking.
14. It is recommended, as shown in Appendix 1 that the bay marking outside No. 11 is removed and 6 metres of double yellow line is installed.

Grove Lane

15. The council's asset management team have received, considered and approved in principle (subject to this decision and statutory consultation) the construction of a dropped kerb and vehicle crossover leading to No. 165 Grove Lane.
16. The proposed crossover location currently has a permit holder's only parking bay in front of it, this bay is part of South Camberwell (L) Controlled Parking Zone (CPZ).
17. It is not possible to maintain a parking bay and dropped kerb at the same location as the presence of both would provide a conflicting message to motorists.
18. Officers are proposing to progress a local parking amendment such that the parking bay is removed and a waiting restriction (double yellow line) is installed; this will result in the loss of approximately two parking spaces.
19. Two parking spaces are being lost because the proposed dropped kerb is due to be located at the northwest boundary line of the property. One space could have been retained if the crossover was located at the southeastern boundary line however this would have required the relocation of a lamp column which is prohibitively costly.
20. Double yellow lines prohibit waiting (generally referred to as parking) 'at any time' however loading and unloading is permitted.
21. It is noted that double yellow lines are now the council's standard restriction for crossovers located within a parking zone. This is part of a wider objective to reduce sign clutter and to improve comprehension of restrictions at the point of parking.
22. It is recommended, as shown in Appendix 2 that the bay marking outside No.165 is removed and 9.5 metres of double yellow line is installed.

Everthorpe Road

23. The council was contacted by the street leader asking that double yellow lines are installed at the junctions of Everthorpe Road and Oglander Road.
24. The street leader stated at present the number of vehicles parking in Everthorpe

Road has increased and he is concerned that they are parking close to the junction.

25. At present Everthorpe Road is uncontrolled and vehicles are parking too close to the junction mentioned above, on 26 March 2013, an officer carried out a site visit to this location and found vehicles were parked closer than 10 metres to the junction reducing the sight lines.
26. The Highway Code¹ makes clear that motorists must not park within 10 metres of a junction, unless in a designated bay. However the council has no power to enforce this without the introduction of a traffic order and subsequent implementation of waiting restrictions (yellow lines).
27. It is therefore recommended, as detailed in Appendix 3, that at any time waiting restrictions (double yellow lines) are introduced to protect sight lines and enable enforcement at the junctions of Everthorpe Road and Oglander Road.

Policy implications

28. The recommendations contained within this report are consistent with the policies of the Transport Plan 2011, particularly

Policy 1.1 – pursue overall traffic reduction

Policy 4.2 – create places that people can enjoy.

Policy 8.1 – seek to reduce overall levels of private motor vehicle traffic on our streets

Community impact statement

29. The policies within the Transport Plan are upheld within this report have been subject to an Equality Impact Assessment.
30. The recommendations are area based and therefore will have greatest affect upon those people living, working or traveling in the vicinity of the areas where the proposals are made.
31. The introduction of blue badge parking gives direct benefit to disabled motorists, particularly to the individual who has applied for that bay.
32. The introduction of yellow lines at junctions gives benefit to all road users through the improvement of inter-visibility and therefore road safety.
33. There is a risk that new restrictions may cause parking to be displaced and, indirectly, have an adverse impact upon road users and neighboring properties at that location. However this cannot be entirely preempted until the recommendations have been implemented and observed.
34. With the exception of those benefits and risks identified above, the recommendations are not considered to have a disproportionate affect on any other community or group.
35. The recommendations support the council's equalities and human rights policies

¹ [Highway Code, rule 243](#)

and promote social inclusion by:

- Providing improved parking facilities for blue badge (disabled) holders in proximity to their homes.
- Providing improved access for key services such as emergency and refuge vehicles.
- Improving road safety, in particular for vulnerable road users, on the public highway.

Resource implications

36. All costs arising from implementing the recommendations will be fully contained within the existing local parking amendment budget.

Legal implications

37. Traffic Management Orders would be made under powers contained within the Road Traffic Regulation Act (RTRA) 1984.
38. Should the recommendations be approved the council will give notice of its intention to make a traffic order in accordance with the Local Authorities Traffic Order (Procedure) (England and Wales) Regulations 1996.
39. These regulations also require the Council to consider any representations received as a result of publishing the draft order for a period of 21 days following publication of the draft order.
40. Should any objections be received they must be properly considered in the light of administrative law principles, Human Rights law and the relevant statutory powers.
41. By virtue of section 122, the Council must exercise its powers under the RTRA 1984 so as to secure the expeditious, convenient and safe movement of vehicular and other traffic including pedestrians, and the provision of suitable and adequate parking facilities on and off the highway.
42. These powers must be exercised so far as practicable having regard to the following matters:
- a) the desirability of securing and maintaining reasonable access to premises;
 - b) the effect on the amenities of any locality affected including the regulation and restriction of heavy commercial traffic so as to preserve or improve amenity;
 - c) the national air quality strategy;
 - d) facilitating the passage of public service vehicles and securing the safety and convenience of their passengers;
 - e) any other matters appearing to the Council to be relevant.

Consultation

43. No informal (public) consultation has been carried out.
44. Where consultation with stakeholders has been completed, this is described within the key issues section of the report.
45. Should the community council approve the items, statutory consultation will take place as part of the making of the traffic management order. The process for statutory consultation is defined by national regulations.
46. The council will place a proposal notice in proximity to the site location and also publish the notice in the Southwark News and the London Gazette.
47. The notice and any associated documents and plans will also be made available for inspection on the council's website or by appointment at its Tooley Street office.
48. Any person wishing to comment upon or object to the proposed order will have 21 days in which to do so.
49. Should an objection be made that officers are unable to informally resolve, this objection will be reported to the community council for determination, in accordance with the Southwark Constitution.
