Report title:		Local parking amendments	
Ward(s) or groups affected:		All wards within Peckham and Nunhead Community Council	
From:		Head of Public Realm	

RECOMMENDATION

1. That, subject to the completion of the statutory notification procedures, the community council agrees to the installation of disabled persons' parking (blue badge) bays in Ellery Street (relating to a property in Consort Road), Wood's Road, Grummant Road (relating to a property in Peckham Road), Kings Grove, Pentridge Street, Nigel Road, Relf Road and Talfourd Place at the locations set out in appendices 1-8.

BACKGROUND INFORMATION

2. This report presents proposals for a number of local parking amendments, which are reserved to the community council for decision under Part 3H of the constitution.
3. The origins and reasons for the proposals are discussed in the main body of the report.

KEY ISSUES FOR CONSIDERATION

Origin disabled bays – Ellery Street (relating to property in Consort Road), Wood's Road, Grummant Road (relating to property in Peckham Road), Kings Grove, Pentridge Street, Nigel Road, Relf Road and Talfourd Place

4. Eight applications have been received for the installation of a disabled persons' (blue badge) parking bay. In each case, the applicant met the necessary criteria for an origin, disabled persons' parking bay.
5. Officers have subsequently carried out a site visit to evaluate the road network and carried out consultation with each applicant to ascertain the appropriate location for each disabled bay.
6. It is therefore recommended that disabled bays be installed at the following locations, see appendices for detailed design:

Reference	Bay location (approx)	Drawing number	appendix
1213Q1014	Consort Road (in Ellery Street, side of No.143 Consort Road)	Appendix 1	
1213Q1016	Outside 10 Wood's Road	Appendix 2

1213Q1032	Outside 24 Relf Road	Appendix 7	
1213Q1034	Outside 2a Talfourd Place	Appendix 8	

POLICY IMPLICATIONS

7. The recommendations contained within this report are consistent with the policies of the Parking and Enforcement Plan and the Transport Plan 2011, particularly:

Policy 1.1 – pursue overall traffic reduction

Policy 4.2 – create places that people can enjoy

Policy 8.1 – seek to reduce overall levels of private motor vehicle traffic on our streets

8. The proposal(s) will support the council's equalities and human rights policies and will promote social inclusion by:
- Providing improved access for emergency vehicles, refuge vehicles, residents and visitors
 - Improving sight lines for all road users
 - Improving junction and pedestrian safety, especially those with limited mobility or visual impairment; and

COMMUNITY IMPACT STATEMENT

RESOURCE IMPLICATIONS

10. All costs arising from implementing the proposals, as set out in the report, will be fully contained within the existing local parking amendment budget.

CONSULTATION

11. No informal (public) consultation has been carried out. Where consultation with stakeholders has been completed, this is described within the main body of the report.
12. Should the community council approve the item(s), statutory consultation will take place as part of the making of the traffic management order. A proposal notice will be erected in proximity to the site location and a press notice will be published in

Item No. 11.	Classification: Open	Date: 20 June 2012	Meeting Name: Peckham and Nunhead Community Council
Report title:		Peckham and Nunhead Community Council Fund 2012/13	
Ward(s) or groups affected:		Livesey , Nunhead, Peckham, Peckham Rye and The Lane Wards	
From:		Stephen Douglass, Head of Community Engagement	

RECOMMENDATION

1. For the Community Council to allocate £26,158 community council funding.

BACKGROUND INFORMATION

2. The Community Council Fund provides revenue grants of between £100 and £1,000 for community projects. Applications are considered by the borough's five community councils, which have a total of £122,000, for projects that will benefit the community.
3. The Community Council Fund was first launched in 2004. It is intended to encourage small and 'hard to reach' groups to organise activities and events which would benefit their community. It is designed to promote the work of community councils and provide opportunities to engage with some marginalised communities. Over the years the scheme has become very popular amongst local communities with more than 250 applications being received on average in a typical round. The fund is targeted to build and improve community cohesion by creating opportunities for bringing different communities together in local activities.

KEY ISSUES FOR CONSIDERATION

Community impact statement

4. The allocation of the Peckham and Nunhead Community Council Fund will, in the main, affect the people living in the Peckham and Nunhead Community Council area. However, in making the area a better place to live and improving life chances for local people, the Peckham and Nunhead Community Council Fund activities will have an impact on the whole of Southwark.
5. The Peckham and Nunhead Community Council Fund aims to increase community participation and activity within the area and provide such groups with the support that they would have not been able to access otherwise.

Resource implications

6. The budget for the Peckham and Nunhead Community Council Fund is £26,158 to be spent by the 31 March 2013.

Legal/Financial implications

7. The Localism Act 2011 gives councils a general power of competence whereby they have power to do anything that individuals generally may do. This power can be used even if legislation already exists that allows a local authority to do the same thing. However the general power of competence does not enable a local authority to do anything which it was restricted or prevented from doing under that previous legislation.
8. The Council can under the Act to provide funding to voluntary organisations but in exercising this power regard must be had to the Council's sustainable community strategy. These grants, from the community fund, are from revenue budgets.
9. The power to allocate community council funds by the community council is set out in part 3H of the constitution. The money can be granted to community projects ranging from cultural celebrations to providing equipment for local sports teams.
