Note: This is an executive function for decision by the community council.

Councillors discussed the information included in the report and that the allocation process for projects had yet not been agreed.

RESOLVED:

1. That the funded schemes set out in Appendix 2 of the report be noted.
2. That the update of the Community Infrastructure Project List (CIPL) for this community council, set out in Appendix 2 of the report, be agreed.
3. That a report with a full list of projects and outlining the process, by which allocations will be decided, be brought back to the June meeting of the community council.
