Planning Committee

Guidance on conduct of business for planning applications, enforcement cases and other planning proposals

1. The reports are taken in the order of business on the agenda.
2. The officers present the report and recommendations and answer points raised by members of the committee.
3. The role of members of the planning committee is to make planning decisions openly, impartially, with sound judgement and for justifiable reasons in accordance with the statutory planning framework.
4. The following may address the committee (if they are present and wish to speak) for **not more than 3 minutes each**.

- (a) One representative (spokesperson) for any objectors. If there is more than one objector wishing to speak, the time is then divided within the 3-minute time slot.
- (b) The applicant or applicant's agent.
- (c) One representative for any supporters (who live within 100 metres of the development site).
- (d) Ward councillor (spokesperson) from where the proposal is located.
- (e) The members of the committee will then debate the application and consider the recommendation.

Note: Members of the committee may question those who speak only on matters relevant to the roles and functions of the planning committee that are outlined in the constitution and in accordance with the statutory planning framework.

5. If there are a number of people who are objecting to, or are in support of, an application or an enforcement of action, you are requested to identify a representative to address the committee. If more than one person wishes to speak, the 3-minute time allowance must be divided amongst those who wish to speak. Where you are unable to decide who is to speak in advance of the meeting, you are advised to meet with other objectors in the foyer of the council offices prior to the start of the meeting to identify a representative. If this is not possible, the chair will ask which objector(s) would like to speak at the point the actual item is being considered.
6. Speakers should lead the committee to subjects on which they would welcome further questioning.
7. Those people nominated to speak on behalf of objectors, supporters or applicants, as well as ward members, should sit on the front row of the public seating area. This is for ease of communication between the committee and the speaker, in case any issues need to be clarified later in the proceedings; it is **not** an opportunity to take part in the debate of the committee.

8. Each speaker should restrict their comments to the planning aspects of the proposal and should avoid repeating what is already in the report. The meeting is not a hearing where all participants present evidence to be examined by other participants.
9. This is a council committee meeting which is open to the public and there should be no interruptions from the audience.
10. No smoking is allowed at committee.
11. Members of the public are welcome to film, audio record, photograph, or tweet the public proceedings of the meeting; please be considerate towards other people in the room and take care not to disturb the proceedings.

The arrangements at the meeting may be varied at the discretion of the chair.

RECOMMENDATIONS

1. That the determination of planning applications, or formal observations and comments, the instigation of enforcement action and the receipt of the reports included in the attached items be considered.
2. That the decisions made on the planning applications be subject to the conditions and/or made for the reasons set out in the attached reports unless otherwise stated.
3. That where reasons for decisions or conditions are not included or not as included in the reports relating to an individual item, they be clearly specified.

BACKGROUND INFORMATION

4. The council's powers to consider planning business are detailed in Part 3F which describes the role and functions of the planning committee and planning sub-committees. These were agreed by the annual meeting of the council on 23 May 2012. The matters reserved to the planning committee and planning sub-committees exercising planning functions are described in part 3F of the Southwark Council constitution.

KEY ISSUES FOR CONSIDERATION

5. In respect of the attached planning committee items members are asked, where appropriate:
 - a. To determine those applications in respect of site(s) within the borough, subject where applicable, to the consent of the Secretary of State for Housing, Communities and Local Government and any directions made by the Mayor of London.
 - b. To give observations on applications in respect of which the council is not the planning authority in planning matters but which relate to site(s) within the borough, or where the site(s) is outside the borough but may affect the amenity of residents within the borough.
 - c. To receive for information any reports on the previous determination of applications, current activities on site, or other information relating to specific planning applications requested by members.

6. Each of the following items are preceded by a map showing the location of the land/property to which the report relates. Following the report, there is a draft decision notice detailing the officer's recommendation indicating approval or refusal. Where a refusal is recommended the draft decision notice will detail the reasons for such refusal.
7. Applicants have the right to appeal to Planning Inspector against a refusal of planning permission and against any condition imposed as part of permission. Costs are incurred in presenting the council's case at appeal which maybe substantial if the matter is dealt with at a public inquiry.
8. The sanctioning of enforcement action can also involve costs such as process serving, court costs and of legal representation.
9. Where either party is felt to have acted unreasonably in an appeal the inspector can make an award of costs against the offending party.
10. All legal/counsel fees and costs as well as awards of costs against the council are borne by the budget of the relevant department.

Community impact statement

11. Community impact considerations are contained within each item.

SUPPLEMENTARY ADVICE FROM OTHER OFFICERS

Director of Law and Democracy

12. A resolution to grant planning permission shall mean that the director of planning is authorised to grant planning permission. The resolution does not itself constitute the permission and only the formal document authorised by the committee and issued under the signature of the director of planning shall constitute a planning permission. Any additional conditions required by the committee will be recorded in the minutes and the final planning permission issued will reflect the requirements of the planning committee.
13. A resolution to grant planning permission subject to legal agreement shall mean that the director of planning is authorised to issue a planning permission subject to the applicant and any other necessary party entering into a written agreement in a form of words prepared by the director of law and democracy, and which is satisfactory to the director of planning. Developers meet the council's legal costs of such agreements. Such an agreement shall be entered into under section 106 of the Town and Country Planning Act 1990 or under another appropriate enactment as shall be determined by the director of law and democracy. The planning permission will not be issued unless such an agreement is completed.
14. Section 70 of the Town and Country Planning Act 1990 as amended requires the council to have regard to the provisions of the development plan, so far as material to the application, and to any other material considerations when dealing with applications for planning permission. Where there is any conflict with any policy contained in the

development plan, the conflict must be resolved in favour of the policy which is contained in the last document to be adopted, approved or published, as the case may be (s38(5) Planning and Compulsory Purchase Act 2004).

15. Section 38(6) of the Planning and Compulsory Purchase Act 2004 provides that where, in making any determination under the planning Acts, regard is to be had to the development plan, the determination shall be made in accordance with the plan unless material considerations indicate otherwise. The development plan is currently Southwark's Core Strategy adopted by the council in April 2011, saved policies contained in the Southwark Plan 2007, the where there is any conflict with any policy contained in the development plan, the conflict must be resolved in favour of the policy which is contained in the last document to be adopted, approved or published, as the case may be (s38(5) Planning and Compulsory Purchase Act 2004).
16. On 15 January 2012 section 143 of the Localism Act 2011 came into force which provides that local finance considerations (such as government grants and other financial assistance such as New Homes Bonus) and monies received through CIL (including the Mayoral CIL) are a material consideration to be taken into account in the determination of planning applications in England. However, the weight to be attached to such matters remains a matter for the decision-maker.
17. "Regulation 122 of the Community Infrastructure Levy regulations (CIL) 2010, provides that "a planning obligation may only constitute a reason for granting planning permission if the obligation is:
 - a. necessary to make the development acceptable in planning terms;
 - b. directly related to the development; and
 - c. fairly and reasonably related to the scale and kind to the development.

A planning obligation may only constitute a reason for granting planning permission if it complies with the above statutory tests."

18. The obligation must also be such as a reasonable planning authority, duly appreciating its statutory duties can properly impose i.e. it must not be so unreasonable that no reasonable authority could have imposed it. Before resolving to grant planning permission subject to a legal agreement members should therefore satisfy themselves that the subject matter of the proposed agreement will meet these tests.
19. The National Planning Policy Framework (NPPF) came into force on 27 March 2012. The NPPF replaces previous government guidance including all planning practice guidance (PPGs) and planning policy statements (PPSs). For the purpose of decision-taking policies in the Core Strategy (and the London Plan) should not be considered out of date simply because they were adopted prior to publication of the NPPF. For 12 months from the day of publication, decision-takers may continue to give full weight to relevant policies adopted in accordance with the Planning and Compulsory Purchase Act (PCPA) 2004 even if there is a limited degree of conflict with the NPPF.
20. In other cases and following and following the 12 month period, due weight should be given to relevant policies in existing plans according to their degree of consistency with the NPPF. This is the approach to be taken when considering saved plan policies under the Southwark Plan 2007. The approach to be taken is that the closer the

policies in the Southwark Plan to the policies in the NPPF, the greater the weight that may be given.
