## BACKGROUND INFORMATION

### The Licensing Act 2003

3. The Licensing Act 2003 provides a licensing regime for:
  - The sale of and supply of alcohol
  - The provision of regulated entertainment
  - The provision of late night refreshment.
4. Within Southwark, the licensing responsibility is wholly administered by this council.
5. The Act requires the licensing authority to carry out its functions under the Act with a view to promoting the four stated licensing objectives. These are:
  - The prevention of crime and disorder

- The promotion of public safety
  - The prevention of nuisance
  - The protection of children from harm.
6. In carrying out its licensing functions, a licensing authority must also have regard to
- The Act itself
  - The guidance to the act issued under Section 182 of the Act
  - Secondary regulations issued under the Act
  - The licensing authority's own statement of licensing policy
  - The application, including the operating schedule submitted as part of the application
  - Relevant representations
7. The premises licence application process involves the provision of all relevant information required under the Act to the licensing authority with copies provided by the applicant to the relevant responsible bodies under the Act. The application must also be advertised at the premises and in the local press. The responsible authorities and other persons within the local community may make representations on any part of the application where relevant to the four licensing objectives.

## KEY ISSUES FOR CONSIDERATION

### The premises licence application

8. On 13 April 2020 Mr Ali Shafahi applied to this council for the grant of a premises licence in respect of 17 Ilderton Road, London, SE16 3JU.
9. The application is summarised as follows:
- **Late night refreshment:**
    - Sunday to Thursday: 23:00 to 03:00
    - Friday and Saturday: 23:00 to 04:00
  - **Proposed opening hours of the premises:**
    - Sunday to Thursday: 12:00 to 03:00
    - Friday & Saturday: 12:00 to 04:00
  - The premises and proposed operation of the premises are described in the application as follows:
    - "Pizza Takeaway...This application is for delivery service only. We will not accept any customers after 23:00."
10. The premises licence application form provides the applicant's operating schedule. Parts I, K, L, and M of the operating schedule set out the proposed licensable activities, operating hours and operating control measures in full, with reference to the four licensing objectives as stated in the Licensing Act 2003. Should a premises licence be issued in respect of the application then the information provided in part M of the operating schedule will form the basis of conditions that will be attached to any licence granted subsequent to the application.

**Representations submitted by responsible authorities**

11. Representations have been submitted by this council's planning service, this council's environmental protection team and the Metropolitan Police Service.
12. The planning service's representations states that a planning application would be necessary to allow the hours of operation proposed in the premises licence application, that there is residential accommodation in close proximity to the premises and concludes that the proposed operating hours of the premises may lead to noise and disturbance affecting local residents.
13. The environmental protection team's representation observes that this council's statement of licensing police asserts that food takeaways are not considered appropriate for the area that the premises are located in. The representation contends that the proposed operation of the premises could lead to noise nuisance disturbing local residents. The representation further contends that the operating schedule provided in the application does not address the prevention of public nuisance licensing objective satisfactorily. The representation notes that the planning permission currently granted in respect of the premises does not allow for the operating hours proposed for in the premises licence application. The environmental protection team recommend that the application is refused.
14. The Metropolitan Police Service representation observes that this council's statement of licensing police asserts that food takeaways are not considered appropriate for the area that the premises are located in. The Metropolitan Police Service contend that the proposed operation of the premises will add to public nuisance and crime and disorder in the area and recommends that the application be refused.
15. Copies of the representations submitted by responsible authorities are attached as Appendix B.

**Representations from other persons**

16. No representations have been submitted by other persons.

**Conciliation**

17. All of the representations received have been provided to the applicant.
18. At this time all of the representations submitted remain outstanding and must be considered by the licensing sub committee.
19. The licensing sub-committee will be informed as to any conciliation of the objectors at the licensing sub-committee hearing to determine this application.

**Premises history**

20. On 3 October 2018 an application for a premises licence to allow for the provision of late night refreshment was submitted in respect of the premises by a Mr Bashir Haq. At that time the council's interpretation of the Licensing Act 2003 was that a premises licence was not required regarding the delivery of hot food and / or beverages between 23:00 and 05:00 the following day. The application was withdrawn on 19 October 2018 after Mr Haq had been informed of this. It is not known if Mr Haq has any connection to the applicant.

21. On re-examining the Licensing Act 2003, and guidance to the act, this council's stance has changed in that this council is now of the opinion that a premises licence allowing for the provision of late night refreshment is required for the delivery of hot food and / or beverages between 23:00 and 05:00 the following day.
22. The applicant (Mr Ali Shafahi) contacted the council's licensing unit on 13 April 2020 to state that, as per previous advice provided by the council, deliveries of hot food from the premises had been taking place after 23:00 hours since 2018 without a licensing authorisation being applied for. The applicant stated that the premises had been visited by (unidentified) council officers on 10 April 2020 who stated that a premises licence would be required to facilitate the delivery of hot food and / or beverages after 23:00 hours.
23. On 13 April 2020 Mr Shafahi applied to this council for the grant of a premises licence in respect of 17 Ilderton Road, London SE16 3JU.
24. It has been confirmed to Mr Shafahi that a licensing authorisation is required to facilitate deliveries of hot food and / or beverages between 23:00 and 05:00 the following day.
25. Mr Shafahi has submitted temporary event notices (TENs) to allow the provision of late night refreshment at the premises to facilitate delivery of hot food and / or beverages after 23:00 on selected dates. Details of these TENs are attached as Appendix C.

### Map

26. A map showing the location of the premises is attached to this report as Appendix D. The following licensed premises are also shown on the map and provide licensable activities as stated:

**Bargain Booze, 1C Ilderton Road, London SE16 3JU** licensed for:

- The sale of alcohol to be consumed off the premises:
  - Monday to Sunday: 08:00 to 23:00

**Windmill Store and Off Licence 1D - 3 Ilderton Road, London SE16 3JU** licensed for:

- The sale of alcohol to be consumed off the premises:
  - Monday to Saturday: 08:00 - 23:00
  - Sunday: 10:00 - 22:30

### Southwark council statement of licensing policy

27. Council assembly approved Southwark's statement of licensing policy 2019 - 2021 on 27 March 2019. The policy came into effect on 28 March 2019. Sections of the statement that are considered to be of particular relevance to the sub-committee's consideration are:
  - Section 3 - Purpose and scope of the policy. This reinforces the four licensing objectives and the fundamental principles upon which this Authority relies in determining licence applications

- Section 5 – Determining applications for premises licences and club premises certificates. This explains how the policy works and considers issues such as location; high standards of management; and the principles behind condition setting.
  - Section 6 – Local cumulative impact policies. This sets out this Authority's approach to cumulative impact and defines the boundaries of the current special policy areas and the classifications of premises to which they apply. To be read in conjunction with Appendix B to the policy
  - Section 7 – Hours of operation. This provides a guide to the hours of licensed operation that this Authority might consider appropriate by type of premises and (planning) area classification.
  - Section 8 – The prevention of crime and disorder. This provides general guidance on the promotion of the first licensing objective
  - Section 9 – Public safety. This provides general guidance on the promotion of the second licensing objective
  - Section 10 – The prevention of nuisance. This provides general guidance on the promotion of the third licensing objective
  - Section 11 – The protection of children from harm. This provides general guidance on the promotion of the fourth licensing objective.
28. The purpose of Southwark's statement of licensing policy is to make clear to applicants what considerations will be taken into account when determining applications and should act as a guide to the sub-committee when considering the applications. However, the sub-committee must always consider each application on its own merits and allow exceptions to the normal policy where these are justified by the circumstances of the application.
29. According to this council's statement of licensing policy the premises are located in a residential area. Closing times as stated below are suggested in the statement of licensing policy for the following types of licensed premises located in residential areas:
- Restaurants and cafes
    - Monday to Sunday: 23:00
  - Takeaways
    - Not considered suitable for the area.

### **Resource implications**

30. A fee of £190.00 has been paid by the applicant company in respect of this application being the statutory fee payable for premises within non-domestic rateable value band B.

## **Consultation**

31. Consultation has been carried out on this application in accordance with the provisions of the Licensing Act 2003. A public notice was published in a local newspaper and a similar notice exhibited outside of the premises for a period of 28 consecutive days.

## **Community impact statement**

32. Each application is required by law to be considered upon its own individual merits with all relevant matters taken into account.

## **SUPPLEMENTARY ADVICE FROM OTHER OFFICERS**

### **Director of Law and Democracy**

33. The sub-committee is asked to determine the application for a premises licence under section 17 of the Licensing Act 2003.
34. The principles which sub-committee members must apply are set out below.

### **Principles for making the determination**

35. The general principle is that applications for premises licence applications must be granted unless relevant representations are received. This is subject to the proviso that the applicant has complied with regulations in advertising and submitting the application.
36. Relevant representations are those which:
- Are about the likely effect of the granting of the application on the promotion of the licensing objectives
  - Are made by an interested party or responsible authority
  - Have not been withdrawn
  - Are not, in the opinion of the relevant licensing authority, frivolous or vexatious.
37. If relevant representations are received then the sub-committee must have regard to them, in determining whether it is necessary for the promotion of the licensing objectives to:
- To grant the licence subject to:
    - The conditions mentioned in section 18 (2)(a) modified to such extent as the licensing authority considers necessary for the promotion of the licensing objectives
    - Any condition which must under section 19, 20 or 21 be included in the licence.
  - To exclude from the scope of the licence any of the licensable activities to which the application relates
  - To refuse to specify a person in the licence as the premises supervisor
  - To reject the application.

## Conditions

38. The sub-committee's discretion is thus limited. It can only modify the conditions put forward by the applicant, or refuse the application, if it is necessary to do so. Conditions must be necessary and proportionate for the promotion of one of the four licensing objectives, and not for any other reason. Conditions must also be within the control of the licensee, and should be worded in a way which is clear, certain, consistent and enforceable.
39. The four licensing objectives are:
- The prevention of crime and disorder
  - Public safety
  - The prevention of nuisance
  - The protection of children from harm.
40. Members should note that each objective is of equal importance. There are no other licensing objectives, and the four objectives are paramount considerations at all times.
41. Conditions will not be necessary if they duplicate a statutory position. Conditions relating to night café and take away aspect of the license must relate to the night time operation of the premises and must not be used to impose conditions which could not be imposed on day time operators.
42. Members are also referred to the Home Office Revised Guidance issued under section 182 of the Licensing Act 2003 on conditions, specifically section 10.

## Reasons

43. If the sub-committee determines that it is necessary to modify the conditions, or to refuse the application for a premises licence application, it must give reasons for its decision.

## Hearing procedures

44. Subject to the licensing hearing regulations, the licensing committee may determine its own procedures. Key elements of the regulations are that:
- The hearing shall take the form of a discussion led by the authority. Cross examination shall not be permitted unless the authority considered that it is required for it to consider the representations.
  - Members of the authority are free to ask any question of any party or other person appearing at the hearing.
  - The committee must allow the parties an equal maximum period of time in which to exercise their rights to:
    - Address the authority
    - If given permission by the committee, question any other party.
    - In response to a point which the authority has given notice it will require clarification, give further information in support of their application.

- The committee shall disregard any information given by a party which is not relevant to the particular application before the committee and the licensing objectives.
  - The hearing shall be in public, although the committee may exclude the public from all or part of a hearing where it considers that the public interest in doing so outweighs the public interest in the hearing, or that part of the hearing, taking place in private.
  - In considering any representations or notice made by a party the authority may take into account documentary or other information produced by a party in support of their application, representations or notice (as applicable) either before the hearing or, with the consent of all the other parties, at the hearing.
45. This matter relates to the determination of an application for a premises licence under section 17 of the Licensing Act 2003. Regulation 26(1) (a) requires the sub-committee to make its determination at the conclusion of the hearing.

### **Council's multiple roles and the role of the licensing sub-committee**

46. Sub-committee members will note that, in relation to this application, the council has multiple roles. Council officers from various departments have been asked to consider the application from the perspective of the council as authority responsible respectively for environmental health, trading standards, health and safety and as the planning authority.
47. Members should note that the licensing sub-committee is meeting on this occasion solely to perform the role of licensing authority. The sub-committee sits in quasi-judicial capacity, and must act impartially. It must offer a fair and unbiased hearing of the application. In this case, members should disregard the council's broader policy objectives and role as statutory authority in other contexts. Members must direct themselves to making a determination solely based upon the licensing law, guidance and the council's statement of licensing policy.
48. As a quasi-judicial body the licensing sub-committee is required to consider the application on its merits. The sub-committee must take into account only relevant factors, and ignore irrelevant factors. The decision must be based on evidence, that is to say material, which tends logically to show the existence or non-existence of relevant facts, or the likelihood or unlikelihood of the occurrence of some future event, the occurrence of which would be relevant. The licensing sub-committee must give fair consideration to the contentions of all persons entitled to make representations to them.
49. The licensing sub-committee is entitled to consider events outside of the premises if they are relevant, i.e. are properly attributable to the premises being open. The proprietors do not have to be personally responsible for the incidents for the same to be relevant. However, if such events are not properly attributable to the premises being open, then the evidence is not relevant and should be excluded. Guidance is that the licensing authority will primarily focus on the direct impact of the activities taking place at the licensed premises on members of the public, living, working or engaged in normal activity in the area concerned.
50. Members will be aware of the council's code of conduct which requires them to declare personal and prejudicial interests. The code applies to members when considering licensing applications. In addition, as a quasi-judicial body, members are required to avoid both actual bias, and the appearance of bias.

51. The sub-committee can only consider matters within the application that have been raised through representations from other persons and responsible authorities. Interested parties must live in the vicinity of the premises. This will be decided on a case to case basis.
52. Under the Human Rights Act 1998, the sub-committee needs to consider the balance between the rights of the applicant and those making representations to the application when making their decision. The sub-committee has a duty under section 17 Crime and Disorder Act 1998 when making its decision to do all it can to prevent crime and disorder in the borough.
53. Other persons, responsible authorities and the applicant have the right to appeal the decision of the sub-committee to the magistrates' court within a period of 21 days beginning with the day on which the applicant was notified by the licensing authority of the decision to be appealed against.

### Guidance

54. Members are required to have regard to the Home Office guidance in carrying out the functions of licensing authority. However, guidance does not cover every possible situation, so long as the guidance has been properly and carefully understood, members may depart from it if they have reason to do so. Full reasons must be given if this is the case.

### Strategic Director of Finance and Governance

55. The head of regulatory services has confirmed that the costs of this process over and above the application fee are borne by the service.

from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

#### Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

Dear Sir/Madam

**TOWN & COUNTRY PLANNING ACT 1990 (as amended)**

**REQUEST FOR FORMAL OBSERVATIONS ON A PROPOSAL**

**APPLICATION:** CE/20/0139

**PROPOSAL:** New premises licence for late night refreshment (Indoors): Sunday to Thursday: 23:00 - 03:00, Friday and Saturday: 23:00 - 04:00 Opening hours: Sunday to Thursday: 12:00 - 03:00, Friday and Saturday: 12:00 - 04:00

**AT:** Basil Leaf Pizzeria 17 Ilderton Road London

Planning application 98AP1453 allowed the use of the ground floor as a hot food takeaway. Condition 4 of this permission limited opening hours to 10am to 11pm.

As such, a planning application to vary this condition is necessary if the applicant wishes to operate the extended hours stated in the licence application.

The hours are late, and there is residential accommodation in close proximity. The late hours may lead to noise and disturbance to neighbours.

Yours faithfully

Dear Sir/Madam

Re: Premises Licence Application reference 872445 by Ali Shafahi - Basil Leaf Pizzeria, 17 Ilderton Road, SE16 3JU

This representation is made on behalf of the Environmental Health Responsible Authority and relates to the Licensing Objective, 'the prevention of public nuisance'. It is recommended that the application is refused. The grounds for recommending refusal are presented below.

- The Southwark Statement of Licencing Policy 2019-2021 indicates that food takeaways are not considered appropriate for this area.
- Notwithstanding the previous point, the times for opening and for licensable activities that have been applied for fall outside of those contained within the Southwark Statement of Licencing Policy 2019-2021 for residential areas. This policy indicates that the closing times of takeaways should be 23:00 hours daily. The applicant has applied for 03:00 closing time for Sundays to Thursdays and 04:00 hours on Fridays and Saturdays. There are residential premises above the licensable area, as well as on the upper floors of the adjoining premises along the terrace. Operating to these times has a realistic possibility to lead to issues of public nuisance or disturbance affecting the nearby residents - in particular, noise from motorcycle engines for delivery of the food and the voices of delivery operatives congregating outside the premises, together with noise from kitchen activities in the early hours. The operating schedule is unsatisfactory in respect of the control of such eventualities. There is no risk assessment attached to the application, no noise assessment and no management plan that demonstrates how this issue would be fully addressed and controlled.
- The delivery times for stock included in the application (07:00 to 22:00) fall outside of the policy hours of 08:00 to 20:00 for this activity.
- Planning Permission for the premises as an A3 use hot food takeaway was given on 22/05/1998, reference number 98/AP/1453. Condition 4 of that permission states that this use shall not be carried out outside the hours of 10:00 to 23:00 on any day. This premises licence application goes outside of this requirement. The Home Office Revised Guidance issued under section 182 of the Licensing Act 2003, states that when terminal hours have been set within a planning condition, then the earlier closing time should be observed (relative to a licence application).

In conclusion, based on the reasons given above, I would confirm my objection to the approval of the premises licence application and recommend its refusal.

Dear Sir/Madam

**Re:- Basil leaf Pizzeria, 17 Ilderton Road London SE16 3JU**

Police are in possession of an application from the above for a new premises licence. The application is to extend the hours from 23.00hrs for Sunday to Thursday until 3am, Friday and Saturday until 4am.

The premises are situated in the residential area as designated by the Southwark Statement of Licensing Policy. The hours the premises can operate without a licence are already in line with the policy, as takeaways are not deemed suitable for residential areas. Any extension to the hours will take them outside the policy.

We object to the granting of the licence in full as any later hours outside the policy, as this would only add to public nuisance, crime and disorder in the area. There are a number of residential premises situated in close proximity to the venue. The two premises licences granted in close proximity, currently both have eleven o'clock as terminal hours.

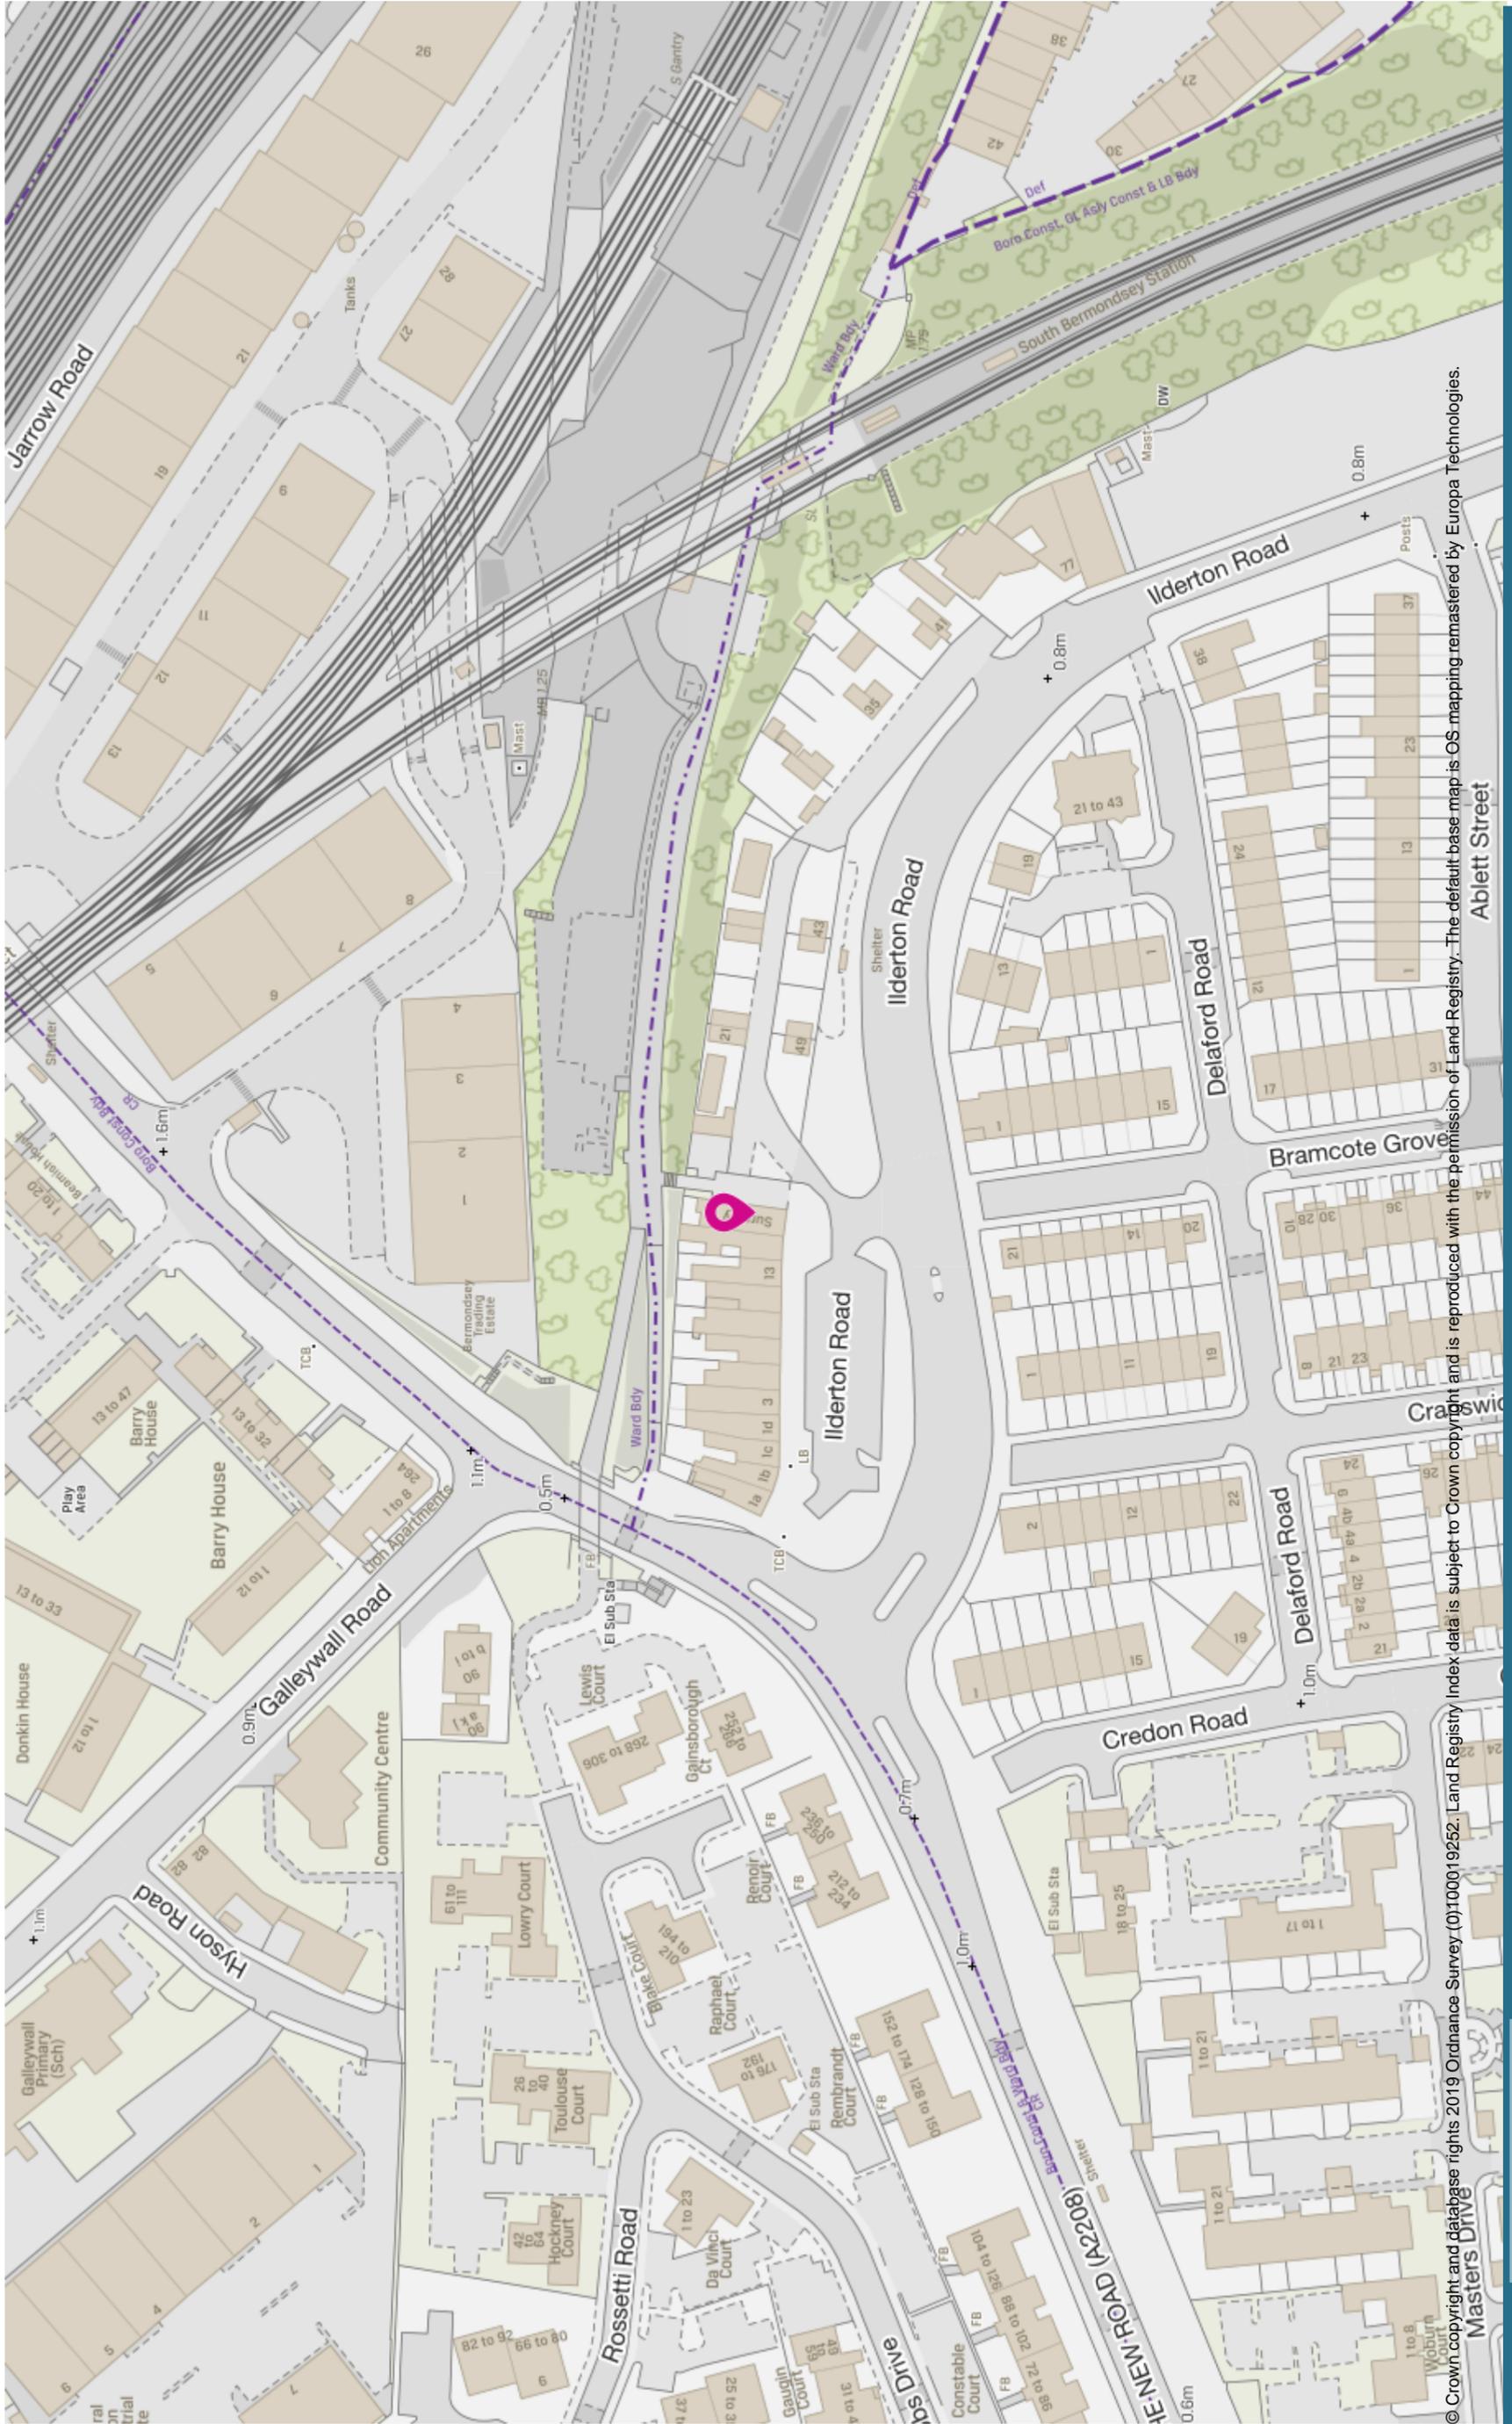

The premises also does not have planning permission to operate after 23.00hrs. Planning and licensing are two different regimes, however the Home Office Revised Guidance issued under section 182 of the Licensing Act 2003, states that when terminal hours have been set within a planning condition, then the earlier closing time should be observed (relative to a licence application).

The Following is submitted for your consideration.

Yours Sincerely
