Notes for Guidance

This application cannot be used to vary the licence so as to extend the period for which the licence has effect or to vary substantially the premises to which it relates. If you wish to make that type of change to the premises licence, you should make a new premises licence application under section 17 of the Licensing Act 2003.

1. You do not have to pay a fee if the only purpose of the variation for which you are applying is to avoid becoming liable for the late night levy
2. Describe the premises. For example, the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place of consumption of these off-supplies of alcohol, you must include a description of where the place will be and its proximity to the premises.
3. In terms of specific regulated entertainments please note that:
 - Plays: no licence is required for performances between 08.00 and 23.00 on any day, provided that the audience does not exceed 500.

 - o a performance of amplified live music between 08.00 and 23.00 on any day, at the non-residential premises of (i) a local authority, or (ii) a school, or (iii) a hospital, provided that (a) the audience does not exceed 500, and (b) the organiser gets consent for the performance on the relevant premises from: (i) the local authority concerned, or (ii) the school or (iii) the health care provider for the hospital.

Do you want the proposed variation to have effect in relation to the introduction of the late night levy? (Please see guidance note 1)

	<input type="checkbox"/> Yes
--	------------------------------

Please describe briefly the nature of the proposed variation (see guidance note 2)

<p>Our Licence Issue date is 29/10/2020.</p> <p>MASQ LONDON currently close for business at 23:00 on Sundays to Thursdays 00:00 on Fridays & Saturdays. All public holidays are normal closing hours, with exception of 3am closing time on these three days December 26th, December 31st and January 1st.</p> <p>We want to vary these timings</p> <p>We wish to extend the closing time by 1hr to 00:00 on Sundays to Thursdays 01:00 on Fridays & Saturdays. And we want the 3am closing time on these three days to remain the same. December 26, December 31 and January 1. And Sale by retail of alcohol to be consumed on premises to Stop 30 minutes before closing time.</p> <p>When we initially applied for our premises licence in 2010, with the then officer Jayne Tear offering that we choose to close at 12am or 1am on Fridays & Saturdays, but we chose 12am thinking that will work with our business model.</p> <p>At the moment, we rarely get any single bookings on Sundays to Thursdays. We only get bookings on Friday and Saturday, with many customers cancelling or doubling down on their first line of enquiry when they find out that we close at 12am, with almost all the lost bookings taking preference on wanting to go ahead with the booking if we the closing time can be extended to 1am for them.</p> <p>Turning tables is the most efficient way for restaurants to earn money. A cover refers to a paying customer. A cover count or cover in a restaurant is defined as the number of people or guests served during a particular period of time. Increasing the amount of covers by turning tables allows restaurants to serve more customers leading to higher profits. At MASQ, 90% of our weekend bookings start from about 8pm. Which means that we can not turn tables/ covers in a single day. So we are stuck with a single booking from 8pm to 12am.</p> <p>Closing at 1am will help us at least turn tables twice and maximise our covers, and see a higher cover count on weekends, and thereby ultimately giving us higher revenue.</p> <p>This closing time variation is necessitated by A) the lack of reasonable customer patronage, B) lack of Sunday to Thursdays patronage, C) the ability to not be able to turn the tables around when we do finally have patrons on weekends, as a result of customers booking tables from about 8pm upwards.</p> <p>The 1 hour extension variation, will be on the same level as some other restaurants in the vicinity including the JD-WETHERSPOONS that is next door to us.</p> <p>The closing time option that we chose from our initial Premises License application in 2020 has failed our business model woefully, and we have been suffering the consequences of the option that we chose. As a result of these consequences, we are lacking and failing to satisfy our monthly financial commitments on Loans we took out on our all our properties as well as multiple bank and business finance Loans that we took out to set up the business, which is further more putting us into further debt by seeking additional loans from friends and family to meet up with some monthly financial commitments. All our properties and this business is now at risk. It has now gotten to a point where the business is not sustainable, and will inevitably close down in couple of months unless we have a radical change or total business model overhaul.</p> <p>Based on the business experience and trading history that we have had so far since we had the Premises license from October 2010, we strongly believe that 1am extension on the closing time will help boost our business to great heights and increase revenue.</p>
