

Item No. 7.	Classification: Open	Date: 28 September 2010	Meeting Name: Licensing Committee
Report title:		The Designation of Bankside Report - Resolution date	
Ward(s) or groups affected:		Borough and Bankside, Walworth, and Bermondsey Community Council Areas	
From:		Strategic Director of Environment and Housing	

RECOMMENDATION

1. That the committee agrees and fixes an implementation date of 1 November 2010 being not less than 31 days after this Committee meeting, being a minimum of 28 days from date of first publication of the notice of order, the designations and prohibitions agreed at the Licensing Committee meeting held on 27 July 2010.

BACKGROUND INFORMATION

2. On 27 July 2010 the Licensing Committee agreed to the following:
 - a) That the committee agrees to prohibit itinerant ice cream trading in the streets of the riverside area from Southwark's western boarder to St Saviour's Dock in the East, and bordered in the South by Southwark Street & St Thomas Street as set out in Map 1, Appendix A.
 - b) That the committee agrees to designate Areas 4 and 7 of the above area for the purposes of street trading as set our in Map 2, Appendix B.
 - c) That the committee agrees to designate the Area 5 in Map 2, Appendix B as an area for licensed busking.

KEY ISSUES FOR CONSIDERATION

3. The London Local Authorities Act 1990 (as amended) allows councils to designate streets or part of streets for street trading and make a resolution specifying what can be sold or offered in that street. Section 24 of the Act sets out the procedure for designating a street as a licensed street.

1.	Order is made by the Licensing Committee, stating the date on which the order takes effect (to be not less than one month following the making of the order)
2.	Place a Notice of Making of the Order in the local press to run for two consecutive weeks, the first date of publication being no less than 28 days before the order comes into effect.

Benefits of the proposal

4. The proposal is that the income generated from the licensed street trader would be redirected for the investment in the facility and the enforcement against illegal street traders and entertainers in the area

- The proposal to designate these areas for the purpose of street trading will self finance additional officer resources for the area enforcing illegal street trading, unlicensed street entertainment and itinerant ice cream trading, the administration involved. This will ensure there will not be a further drain on Council resources.

Supplementary advice from other officers

- The supplementary advice from other officers is integrated into the body of this report.
