DECISION(S)

Agree recommendations in report.

REASONS FOR DECISION

In taking this decision I would like to emphasise Southwark's commitment to supporting the neighbourhood forum to prepare a plan that has widespread support in the local community. When complete it should be independently examined to ensure it is in general conformity with the strategic policies contained in the development plan and to ensure that it is a truly representative expression of the community's wishes. I will then establish a legal process to give it significant influence over planning decisions made in the area.
