### **Addendum**

Members are asked to note the following errors, contained within paragraph 35 of the report:

- The phrase “To assist with the committee’s consideration ...” should read “To assist with the assembly’s consideration ...”; and
- The place name “Waterloo Road” should be substituted with “Westminster Bridge Road”.

Accordingly, the amended paragraph should read:

“To assist with the assembly’s consideration of a possible extension of the western boundary of the policy area, the partnership analytical report also provides analysis of the position within the extended footprint. This includes the additional area bordered by Blackfriars Road, Westminster Bridge Road, the Lambeth border and the river frontage (see appendix 2) incorporating The Cut.”
