PROPOSAL

Erection of 5 storey building including basement car park to provide 9 x 3 bedroom houses, private amenity space, soft and hard landscaping and boundary treatment.

The planning officer presented the report and drew members' attention to the addendum report which had been circulated.

Members asked questions of the planning officer and design officer.

No objectors were present.

The applicant's agenda spoke in favour of the application and members asked questions of the applicant and their agent.

There were no supporters and no councillors spoke in their capacity as ward member.

Members discussed the application.

RESOLVED

That application 10-AP-1891 be approved subject to the conditions set out in the report and the additional conditions:

1. Notwithstanding the details shown on the approved plans, revised details of the boundary treatment to Dog Kennel Hill (east elevation) showing a lower and less solid boundary treatment shall be submitted to and approved in writing by the Local Planning Authority. The development shall be carried out in accordance with the details thereby approved, unless otherwise agreed in writing by the Local Planning Authority.

Reason:

The boundary treatment with Dog Kennel Hill as currently shown would create a hostile frontage to the street which would be harmful to the visual amenities of the streetscene. Revised details are required to ensure that this element of the proposal would comply with saved policies 3.12 'Quality in design' and 3.13 'Urban design' of the Southwark Plan 2007, and strategic policy 12 'Design and conservation' of the draft Core Strategy (2011).

2. The building hereby permitted shall fully comply with the dimensions shown on the approved drawings, and shall be no more than 6m higher than the ridge of the roof of 1 Dog Kennel Hill.

Reason:

To ensure that the building does not exceed the height shown on the approved plans in the interests of visual and residential amenity and in order to accord with saved policy 3.2 'Protection of Amenity' of the Southwark Plan (2007) and Strategic Policy 13 'High Environmental Standards' of the draft Core Strategy (2011).
