

Love Walk

Areas have been identified where parking arrangements can be amended to improve parking conditions for residents, these are listed below and shown on the plan overleaf.

Proposal B

The introduction of a permit holder (zone L) parking bay.

Proposal C

Reduce the width of the parking bays from 2.0m to 1.8m to ensure vehicular access is maintained at all times.

Proposal D

Extend the existing parking place by 5.0m, creating an additional parking space.

Evesham Walk / Love Walk South Camberwell (L) Controlled Parking Zone (CPZ)

June 2011

How much will the permit cost?

Type of permit	Cost of permit			
	1 month	3 months	6 months	12 months
Resident	£13.60	£33.45	£52.25	£99.30
Residents' visitors	£16 for ten, one-day permits (1 st book) £36 for ten, one-day permits (2 nd + book per year)			

How can I have my say?

It is very important that this consultation accurately reflects the views of residents in Evesham Walk and Love Walk. We won't know what you think unless you tell us.

Should you wish to make any comments on the proposed scheme shown overleaf, please do so by completing and returning the enclosed questionnaire in the freepost envelope provided.

You can also send us your comments by emailing parkingreview@southwark.gov.uk. Please provide your name and full address on any correspondence.

Consultation closes: Friday 1 July 2011

What happens next?

Once we have taken into consideration the results of the consultation, a final design will be presented to Camberwell Community Council in September 2011.

We will write to you again before any of the proposals are implemented giving further details of exactly when and what you need to do.

For further information on how and where to park in Southwark please visit www.southwark.gov.uk/parking

Dear resident, business owner/occupier,

Southwark Council is committed to effective on-street parking for residents, businesses and visitors to the borough.

Background

When the South Camberwell (L) Controlled Parking Zone (CPZ) was introduced in 1999, Evesham Walk was not included, despite being public highway and within the boundary of the zone.

Within a CPZ, it is required that all lengths of the carriageway be marked with either a yellow line or a parking bay.

At present, Evesham Walk has a free parking arrangement, this may encourage displaced parking, causing obstructive and reduced parking capacity for residents and their visitors.

The introduction of permit holders parking should reduce parking pressure that currently exists in Evesham Walk.

Additionally, in Love Walk, three parking spaces are not designated for permit holders which causes difficulty for local residents.

What are we consulting upon?

Evesham Walk (Proposal A)

In view of Evesham Walk's cul-de-sac layout we are currently seeking special sign type approval from the Department for Transport (DfT) to implement controls that differ from a standard CPZ.

It is proposed that a sign will be placed close to the entrance of Evesham Walk (see enclosed design). Any vehicle parking beyond this point will be required to display a valid South Camberwell (L) parking permit during the operational hours (8.30am – 6.30pm, Monday to Friday).

There will be no parking bays or yellow lines marked within Evesham Walk. There will be one sign, situated at Evesham Walk junction with Love Walk, to indicate that beyond that point vehicles are required to display a permit to park.

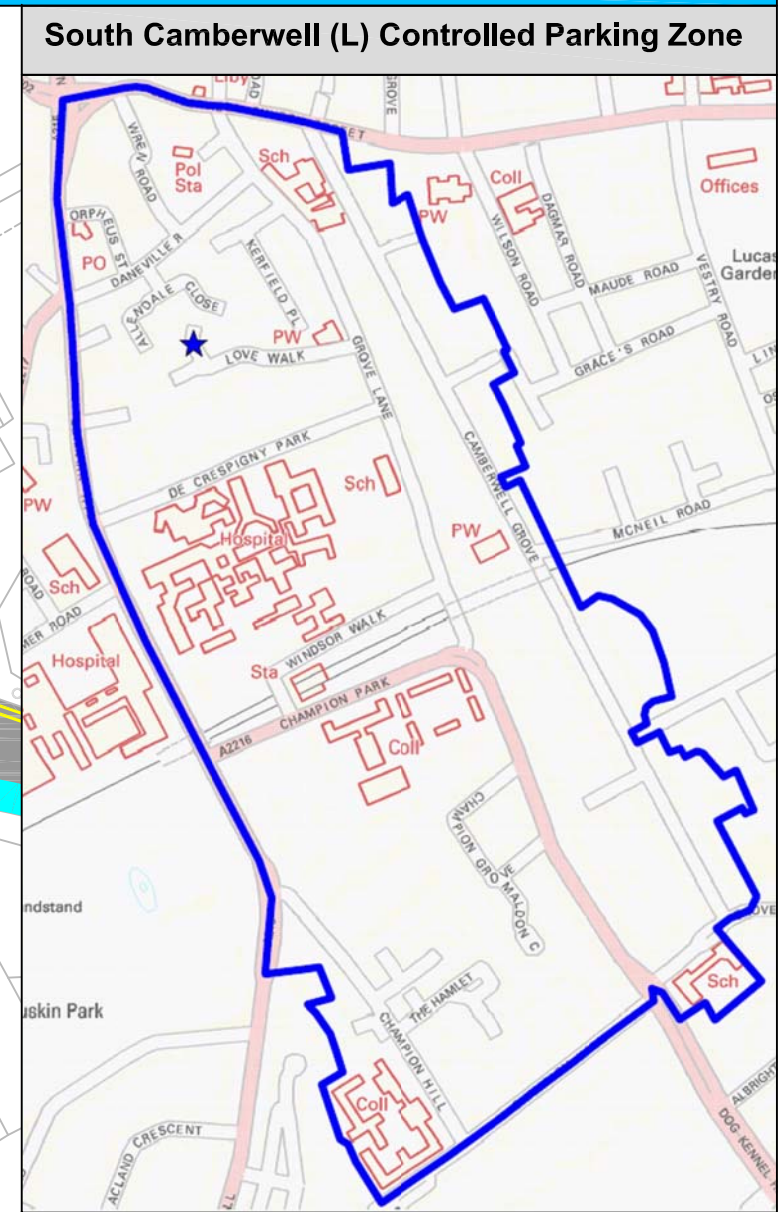

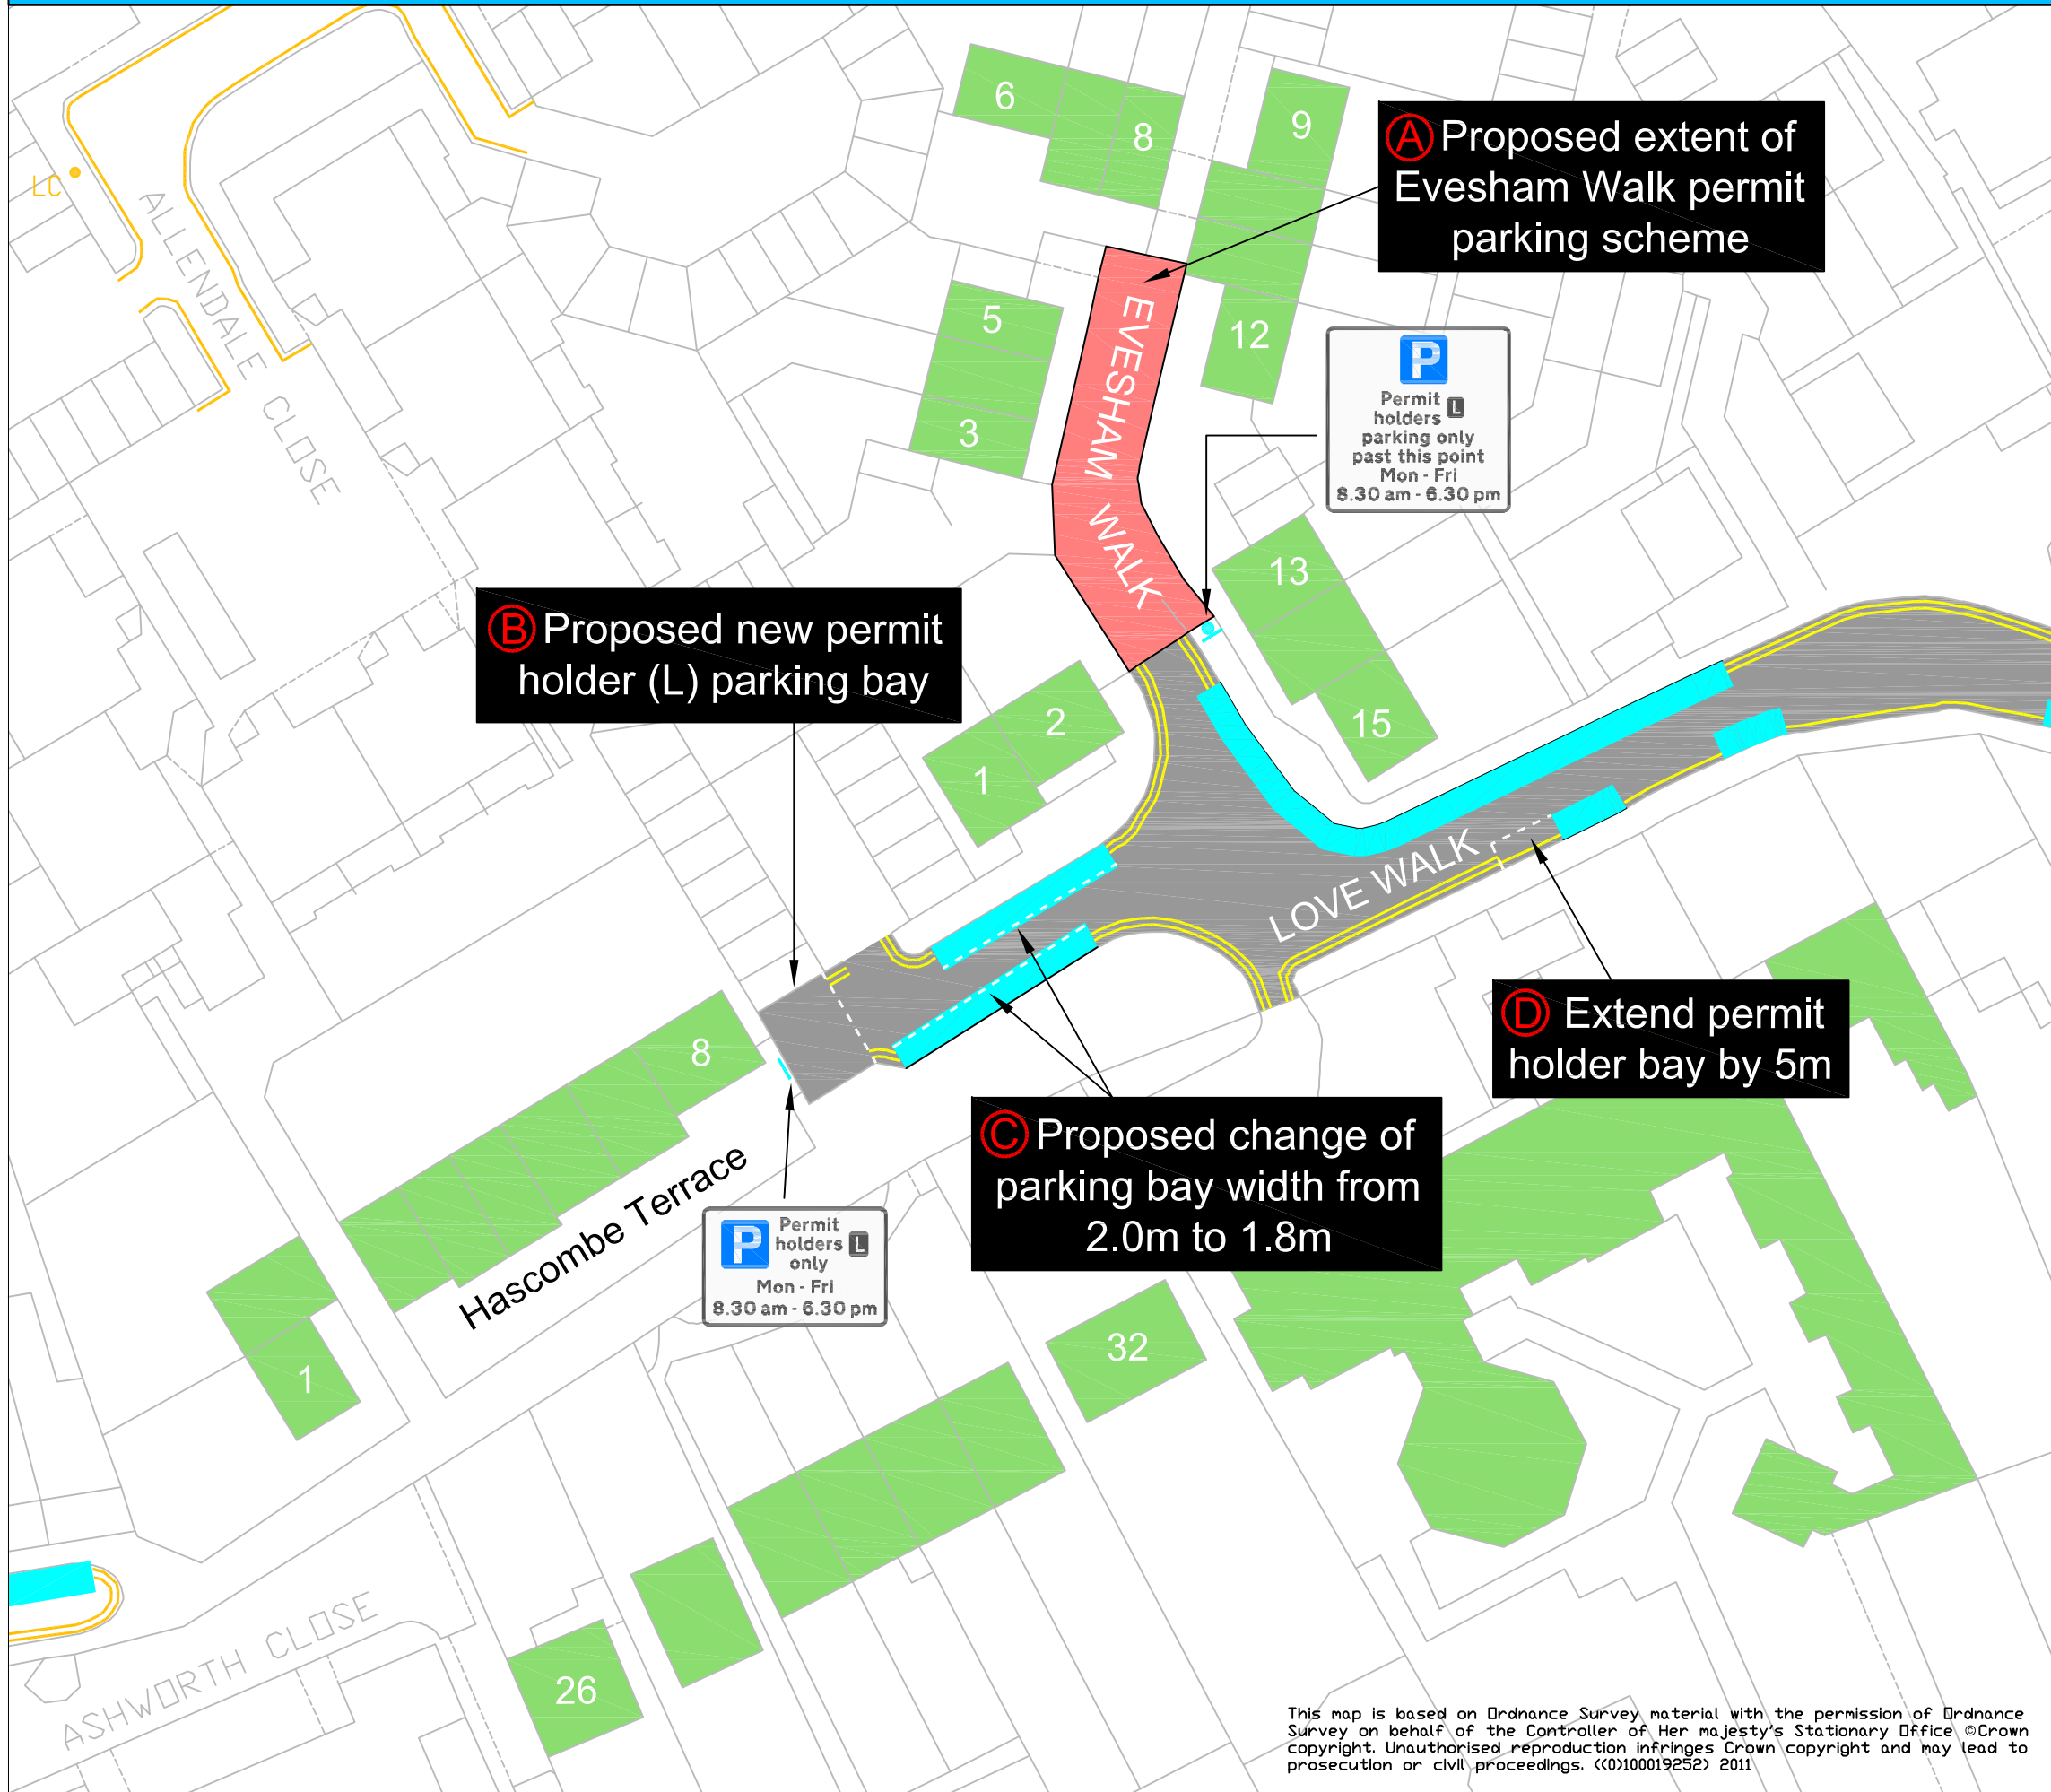

This proposal only applies to the area highlighted on the plan overleaf and not private off-street driveways or the garages forecourt.

The proposed parking scheme in Evesham Walk will be identical to a scheme very successfully introduced in The Hamlet, which also falls within the South Camberwell (L) CPZ. This was introduced in March 2009. Signs were installed at the entrance of The Hamlet giving a minimum-impact upon the amenity of the cul-de-sac.

The Hamlet

Evesham Walk / Love Walk proposed parking changes

Appendix 1

We would like to hear your views on the proposed parking layout for Evesham Walk and Love Walk. Please read the background document and consider the plan before completing the questionnaire and return it to us in the supplied freepost envelope by Friday 1 July 2011

Proposal A

Do you support the introduction of a permit holders only scheme in Evesham Walk?

- Yes No Undecided

Proposal B

Do you agree with the introduction of a permit holders only space in Love Walk?

- Yes No Undecided

Proposal C

Do you agree with reducing the width of the existing parking places in Love Walk?

- Yes No Undecided

Proposal D

Do you support the extension of the existing parking place in Love Walk?

- Yes No Undecided

Do you have any further comments or suggestion on the proposed parking layout?
