

<b>Item No.</b> 10	<b>Classification:</b> Open	<b>Date:</b> 31 October 2011	<b>Meeting Name:</b> Camberwell Community Council
<b>Report title:</b>		Community Council Highways Capital Investment 2012/13	
<b>Ward(s) or groups affected:</b>		All in the Community Council areas	
<b>From:</b>		Gill Davies, Director Environment and Leisure	

## RECOMMENDATION

1. To agree the works to be funded from the proposed schemes in the Camberwell Community Council area as set out in appendix A or to agree alternative schemes subject to officer investigation and feasibility.

## BACKGROUND INFORMATION

2. The declining quality of public highway coupled with extreme weather events has led to further deterioration in recent years – with some non principal, unclassified roads being particularly affected. Given the nature of these roads and the lower level of traffic flows it is unlikely that such locations will feature in any major resurfacing programme. Without the necessary capital allocation to attend to such locations, complaints of poor road surfaces can only be dealt with through the reactive maintenance programme.
3. The Council's non-principal road investment programme prioritises works on non-principal roads on a borough-wide basis and this investment forms the largest part of the annual investment programme.
4. However, as part of the approved Highways capital investment programme for 2012/13 a proportion has been devolved to each community council area. Each Community Council will receive £100,000 for highways surface improvements (carriageway or footway) of their choice. These can be spent on any non-principal road on the area. Any under spends from previous years can also be allocated, up to the available funding outlined in Appendix 1.

## KEY ISSUES FOR CONSIDERATION

### Officers (Engineers) Selections

5. As an aid to the selection process officers have provided a range of required works and indicative costs for their implementation. These exclude works already programmed as part of the borough-wide priority programme. These are shown in Appendix 1. Appendix 1 also includes detail of under spends remaining from previous years.

### Community Council Selections

7. This money can be spent on any asset renewal or replacement project selected by the Community Council with the caveats that it cannot be spent on traffic safety or parking schemes, non functional or decorative installations and / or non-essential works. In addition to the resurfacing selections provided it, the money (or part thereof) could be spent on minor patching and pothole repairs should a Community Council wish to do so.

## Delivery

8. Once the Community Council has made their selections by the method of their choice they will be designed and delivered as soon as possible in 2012/13. Any under spends or projected overspends will be reported back to Community Council for resolution or reallocation.

## Community Impact Statement

9. There are no specific community impact issues arising from the recommendations.

# APPENDIX 1

## Devolved Community Council Funded Schemes

Funding

Community Council : **Camberwell**

Date : 20 October 2011

Under spend from previous years £11,515.46

Allocation for FY 2012/13 £100,000

Total available for 2012/13 **£111,515.46**

### Officer Recommendations – 2012/13

Candidate Road	Ward	Identified defects	Suggested treatment	Estimated Cost
Grosvenor Terrace	Camberwell Green	<b>Carriageway:</b> From house number 116 to near the intersection with Grosvenor Park. General surface degradation ; aggregate stripping ; transverse cracking ; previous patching starting to disintegrate ; kerbs displaced due to tree roots.	<b>Carriageway :</b> Plane off and resurface with 40mm depth plus regulating ; some channel re-profiling required near trees plus reinstatement of disturbed footway.	£25,000
Linell Rd	Brunswick Park	<b>Carriageway :</b> Local areas of subsidence suggesting sub base / grade failure ; aggregate stripping ; some transverse cracking	<b>Carriageway:</b> Plane off and resurfacing 40 -100 mm between Vestry Rd and Shenley Rd. Some channel re-profiling required.	£22,400
Woodfarrs	South Camberwell	<b>Footway :</b> Uneven surface with some tree root deformation ; irregular tree pits	<b>Footway :</b> Repave to Council standard ; including cross overs; introduce formal tree pit;	£46,750
Crossthaite Ave	South Camberwell	<b>Carriageway :</b> 100 m section in front of shops (footway currently being repaved) ; local subsidence ; patching	<b>Carriageway:</b> Plane off and repave 40mm	£24,600
