Chaucer Ward	Tabard Gardens (South) TRA	Seaside Trip	The planned activity will be a coach trip to the beach in Broadstairs. This will provide the perfect opportunity for tenants from all backgrounds, ages and races, to meet and form new "friendships", in the process, understanding each other despite any differences. Our expectations are that through these friendships, "respect" will naturally be formed. For some members of our community, meeting new people is difficult. We hope that the trip will give them the "courage" to share some information about themselves, to the group through our meet and greet games that are planned for the coach journey.	Broadstairs	£650
