

Item No. 16.	Classification: Open	Date: 27 November 2012	Meeting Name: Dulwich Community Council
Report title:		Dulwich Community Council Fund 2012/13 (Round 2)	
Ward(s) or groups affected:		College and Village	
From:		Stephen Douglass, Head of Community Engagement	

RECOMMENDATION

1. For the Community Council to approve the allocation of £6,760 community council funding from applications listed in appendix 1.

BACKGROUND INFORMATION

2. The Dulwich Community Council awarded £10,679 in June 2012. The fund was not fully allocated in College and Village wards due to the low number of applications received for the in the opening round. Therefore it was deemed to launch a second round of applications on 18 September 2012 where groups were invited to submit applications. Members are asked to approve the awards amounting to £6,760, to groups that applied in the second round (appendix 1).
3. The Community Council Fund provides revenue grants of between £100 and £1,000 for community projects. Applications are considered by the borough's five community councils, which have a total of £122,000, for projects that will benefit the community.
4. The Community Council Fund was first launched in 2004. It is intended to encourage small and 'hard to reach' groups to organise activities and events which would benefit their community. It is designed to promote the work of community councils and provide opportunities to engage with some marginalised communities (appendix 2).

KEY ISSUES FOR CONSIDERATION

Community impact statement

5. The allocation of the Dulwich Community Council Fund will, in the main, affect the people living in the Dulwich Community Council area. However, in making the area a better place to live and improving life chances for local people, the Dulwich Community Council Fund activities will have an impact on the whole of Southwark.
6. The Dulwich Community Council Fund aims to increase community participation and activity within the area and provide such groups with the support that they would have not been able to access otherwise (appendix 2).
7. The roles and functions of Community Councils include the promotion of involvement of local people in the democratic process. Community Councils take decisions on local matters including environmental improvement and community

safety as well as consultation on a wide range of policies and strategies that affect the area.

8. An explicit objective within Community Councils is that they be used to actively engage as widely as possible with, and bring together, Southwark's diverse local communities on issues of shared or mutual interest. The community council fund is an important tool in achieving community participation.
9. In fulfilling the above objectives that Community Councils have of bringing together and involving Southwark's diverse local communities, consideration has also been given to the council's duty under The Equality Act 2010 which requires the council to have due regard when taking decisions to the need to:
 - a. Eliminate discrimination, harassment, victimisation or other prohibited conduct;
 - b. Advance of equality of opportunity between persons who share a relevant protected characteristic and those who do not share it
 - c. Foster good relations between those who share a relevant characteristic and those that do not share it.
10. Of particular regard are issues of age, disability, gender reassignment, pregnancy and maternity, race, religion or belief, sex, sexual orientation. In this process there are no issues that contravene the Equalities Act 2012.
11. Having due regard to the need to advance equality of opportunity is further defined in s.149 as having due regard to the need of:
 - Remove or minimise disadvantages connected with a relevant protected characteristic
 - Take steps to meet the different needs of persons who share a relevant protected characteristic
 - Encourage persons who share a relevant protected characteristic participate in public life or any other activity in which they are under-represented

Due consideration was given to equalities impact assessment during the design of this awards process and no adverse impact was evident.

Resource implications

12. The total budget for the Dulwich Community Council Fund is £17,439 to be spent by 31 March 2013.

SUPPLEMENTARY ADVICE FROM OTHER OFFICERS

Director of Legal Services

13. The Localism Act 2011 gives councils a general power of competence whereby they have power to do anything that individuals generally may do. This power can be used even if legislation already exists that allows a local authority to do the same thing. However the general power of competence does not enable a local authority to do anything which it was restricted or prevented from doing under that previous legislation.

Consultation

14. This general power of competence would include the power to:
- (a) incur expenditure;
 - (b) give financial assistance to any person;
 - (c) enter into arrangements or agreements with any person;
 - (d) co-operate with, or facilitate or co-ordinate the activities of any person;
 - (e) exercise on behalf of any person any functions of that person; and
 - (f) provide staff, goods, services or accommodation to any person.
15. The provision of funding under the CCF falls within the scope of the kind of activities the council can undertake under the general power of competence as this includes a power to give financial assistance to any person.
16. The provision of funding under the CCF falls within the scope of the kind of activities the council can undertake under the general power of competence as this includes a power to give financial assistance to any person.
17. In allocating funding under the CCF community councils must have regard to the council's equality duties set out in section 149 of the Equality Act 2010. The report author has demonstrated how those duties have been considered in the body of the report at paragraphs [9,10,11].

Reasons for Lateness

18. Due to internal consultation required for this report, it did not reach the constitutional team before the agenda despatch date.

Reasons for Urgency

19. The decision cannot wait until the next scheduled Dulwich Community Council meeting as some of the groups are planning their activities during the Christmas period.
