Further proposed amendment to Open Space Strategy 2013

Elephant & Castle sub-area strategy, map on page 29, OS76

Amend label to read

**Recommended boundary change to the area of protected open space and potential site for biodiversity improvements at Nursery Row Park**

Amend the map to show the extension to the north of the open space (which is consistent with the adopted Elephant and Castle SPD 2012) (refer to map A below). The version of the map circulated with the agenda papers is shown on map B below.
