Role and function of the corporate parenting committee

2. The constitution for the municipal year 2012/2013 records the corporate parenting committee’s role and functions are as follows:
 1. To secure real and sustained improvements in the life chances of looked after children, and to work within an annual programme to that end.
 2. To develop, monitor and review a corporate parenting strategy and work plan.
 3. To seek to ensure that the life chances of looked after children are maximised in terms of health educational attainment, and access to training and employment, to aid the transition to a secure and productive adulthood.
 4. To develop and co-ordinate a life chances strategy and work plan to improve the life chances of Southwark looked after children.
 5. To recommend ways in which more integrated services can be developed across all council departments, schools and the voluntary sector to lead towards better outcomes for looked after children.
 6. To ensure that mechanisms are in place to enable looked after children and young people to play an integral role in service planning and design, and that their views are regularly sought and acted upon.
 7. To ensure performance monitoring systems are in place, and regularly review performance data to ensure sustained performance improvements in outcomes for looked after children.
 8. To receive an annual report on the adoption and fostering services to monitor their effectiveness in providing safe and secure care for looked after children.
 9. To report to the council’s cabinet on a twice yearly basis.
 10. To make recommendations to the relevant cabinet decision maker where responsibility for that particular function rests with the cabinet.
 11. To report to the scrutiny sub-committee with responsibility for children’s services after each meeting.
 12. To appoint non-voting co-opted members.

KEY ISSUES FOR CONSIDERATION

3. The corporate parenting committee agreed on 7 July 2010 to move towards thematic meetings and have followed this framework since. Additionally, the committee agreed at its meeting on 21 April 2010 to receive a mid year performance review report. The committee also agreed to receive report/s of any significant performance variations evident from the monthly review of services for looked after children and care leavers.

Policy implications

4. The policy agenda has been measured against the five "Every Child Matters" outcomes: Be Healthy; Stay Safe; Enjoy and Achieve; Make a Positive Contribution; Achieve Economic Well-Being. The committee's programme of work has been developed on these themes. In addition, the outcomes of the Ofsted inspection of safeguarding and looked after children's services published on 10 July 2012 and other Government guidance will be taken into consideration in determining and reviewing the committee's work programme.
