To gather local people and organisations views to feed into the development work. 	Surrey Docks
Additional cleaning for Ilderton Road	Livesey
<p>THyme on our Hands - We wish to work in partnership to bring an underused and overgrown garden back into use and make it accessible to all. During and after the development we will use the garden to improve the health and wellbeing, employment, volunteer and leisure opportunities of people in the local community. 10 local people will gain employment and volunteering experience, 50 people will engage in healthy activity and growing food, 30 will engage in arts activities and over 200 local people, especially those on local estates who do not have private gardens, will have access to the space.</p>	Rotherhithe
<p>Alfred Salter Astroturf lighting capital shortfall - To supply flood lighting around the Astroturf at the rear of the school (Roberts Close) This will enable us and the community to be able to use this area after daylight on a regular basis. This area was originally adopted by the school with the agreement that this area would be open from end of school for the local community.</p>	Rotherhithe

Project proposal	Ward
DIY Allotment :Family Gardening Sessions - "Grow to Sell" at the DIY Allotment will tackle the issue of adult unemployment in Bermondsey. We have support of Capital Growth Team LB and Southwark Family Learning to deliver a years worth of "Grow to Sell" allotment sessions in Southwark Park. Herbs and vegetables will be sold to a restaurant in Bermondsey.	Rotherhithe
Creation of Living Wall using the boundary wall between the St Peter & The Guardian Angels R C Church and the King's Stair Gardens	Rotherhithe
Creation of Living Wall using the boundary wall between the St Peter & The Guardian Angels R C Church and the King's Stair Gardens	Rotherhithe
Pynfolds Estate Communal Garden Initiative - To encourage the people living in the estate to engage in gardening and related activities, to foster healthier lifestyle, social interaction and awareness of environmental issues.	Rotherhithe
Community consultation for The Aristotle Project, Bringing the community together through arts, computer science, movement and games. The project includes Aristotle Sports, Aristotle Arts and Aristotle Science. - To build an interactive website to facilitate community consultaion for Aristotle project. An alternative arts centre where visiting artists who exhibit or perform at night will do workshops for children and the public during the day. We wish to offer creative animation classes based on the history of the local area and explore Nano technology and micro science using creative animation. Linking to the nature reserve around this area, we will develop the knowledge of what goes on inside the seeds and cells. Working with local groups and schools to make the space work throughout the day and as an inspirational after school venue.	Rotherhithe
Development of a Southwark Athletics Clubs at redeveloped Southwark Park Sports Centre. Redevelopment of the track and other athletics areas is due for completion in 2014. A club will be run out of Melish Fields Sports Ground, Salter Road in partnerhship with Bacons College and transfer when the sport centre opens.	Rotherhithe
