## **1. INTRODUCTION**

- 1.1 The Community Infrastructure Levy (CIL) is a new levy that local authorities can choose to charge on new developments in their area. The money can be used to support development by funding strategic local infrastructure that the council, local community and neighbourhoods want. The benefits are increased certainty for the funding and delivery of infrastructure, increased certainty for developers and increased transparency for local people.
- 1.2 Under the Community Infrastructure Levy Regulations (CIL) (2010) (as amended) the amount of CIL to be paid needs to be explained in a formal document called a Charging Schedule. Under the regulations, the Council has to carry out two rounds of public consultation on its proposed Charging Schedule – the Preliminary Draft Charging Schedule and the Draft Charging Schedule, prior to submission of the Draft Charging Schedule to the examiner.
- 1.3 We consulted on the first stage, the Preliminary Draft Charging Schedule, from 10 July 2012 until 17 October 2012 which was a total of 14 weeks. Charging authorities are encouraged to consult for at least four weeks on their Draft Charging Schedule in order to ensure that local communities and delivery partners have sufficient opportunity to make their views known. We consulted on the second stage, the Draft Charging Schedule from 4 February 2013 until 3 April 2013.
- 1.4 The methodology and practice of preparing a CIL are still evolving and there have been some changes in requirements since the council consulted on the draft. In December 2012 the government published new statutory guidance and this was updated again in April 2013. Following the consultation on the draft Charging Schedule, the council decided to undertake further viability work to test the impact of CIL charges on development. In the light of this further work, officers are recommending some changes to the draft CIL Charging Schedule which requires a re-consultation on a revised draft.

## **2. HOW WE ARE CONSULTING ON REVISED THE DRAFT CIL CHARGING SCHEDULE – (STAGE II CONSULTATION)**

- 2.1 This consultation plan sets out the consultation that will be carried out on the Revised Draft CIL Charging Schedule. This is in accordance with our adopted Statement of Community Involvement (SCI) (2007), which explains how we will consult the community in the preparation of planning documents and the Community Infrastructure Levy Regulations 2010 (as amended). The following sections set out how we plan to meet the statutory consultation requirements.

- 2.2 Once we have finished consulting on the Revised Draft Charging Schedule (stage ii) we will collate all the responses we receive and see whether we need to make any further modifications to the Revised Draft Charging Schedule. Where any modifications are proposed, the CIL Regulations (19) and (21) (as amended) require us to produce a 'Statement of Modifications' and allow a period of four weeks for consultees to submit a request to be heard by the examiner in relation to those modifications, beginning on the day which the Revised Draft Charging Schedule is submitted to the Examiner. We will submit the Revised Draft CIL Charging Schedule to the CIL Examiner along with a consultation report, which will set out our officer comments on all the responses we received, and our evidence base.
- 2.3 This consultation plan should be read alongside the following documents:
- Revised Draft CIL Charging Schedule (stage ii): To charge CIL the Council must produce and adopt a Charging Schedule setting out the levy rates.
  - The CIL Viability Study (2013): Explains the development viability evidence on which the CIL rates are based.
  - The Infrastructure Plan (IP): Provides a list of the projects or types of infrastructure that are needed to support the growth which is planned over the Core Strategy plan period. The total indicative cost of these projects, where known, has then been compared with the funds that are known or are expected to be available from other sources including the Council's capital programme or other sources. The IP reveals a funding gap which CIL could make a significant contribution towards. The IP is required to demonstrate the need to levy CIL in the borough.
  - The Regulation 123 List: CIL Regulation 123 requires local authorities to set out a list of projects or types of infrastructure that it intends to fund through CIL, and therefore many of the costs for which cover had been sought through Section 106 planning obligations will instead be paid through CIL. Section 106 planning obligations will be scaled back to address only those impacts which are directly related to a specific development site, and are not set out in the Regulation 123 list.
  - The Equalities Analysis: Assesses the likely impact of the Revised Draft CIL Charging Schedule on the nine protected characteristics groups (age, disability, gender re-assignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation). It looks at the impact of CIL in relation to equality, diversity and social cohesion.

- 2.4 They will also be available in all of our libraries and locations listed in appendix A.
