

NOTIFICATION OF KEY DECISION TO BE TAKEN

GENERAL EXCEPTION NOTICE

DETAILS OF DECISION	
Title of Report	Gateway 2 Dickens Estate Warm, Dry and Safe works
Description/Nature of matter requiring Key Decision	Approval the award of the Dickens Estate Warm, Dry and Safe works contract
Decision taker	Strategic Director of Housing and Community Services
Date by which Key Decision must be taken	December 2013
Reason why it was impracticable for decision to be on the Forward Plan	The decision was listed on the forward plan for decision in November 2013. It was not possible to gather all the information required to fully complete the report in time for a decision in that month.
Reason why the decision cannot wait for inclusion in the next Forward Plan	The next forward plan relates to decisions due to be taken from February onwards. The decision cannot wait to be included in that plan as the contract award is scheduled for 9 January 2014. A decision is required in December in order not to delay the works to be undertaken to those council properties.
