CABB W1409	Cathedrals	BOST / Marlborough Community Sports Day	<p>The proposed event is a community sports day that will coincide with the start of the World Cup football tournament on 12 June 2014. The Brazilian themed sports day will be a celebration to mark the completion of the Marlborough improvement works funded through the Cleaner, Greener, Safer (CGS) and Section 106 programmes. The event will also serve to promote the sports facilities that are available to the whole of the SE1 community. The Marlborough boasts a full-size beach volleyball court and this facility will be central to the celebrations.</p> <p>We plan to hold a Copacabana beach party with opportunities for the community to play a variety of sports and have fun. The activities we are looking to hold are: a football tournament (naturally!); beach volleyball; capoeira demonstrations and workshops; samba dancing and drumming workshops; a 'Rio carnival' procession for children and healthy eating Brazilian style.</p> <p>Behind the fun there will be a serious theme which is around encouraging greater levels of participation in sports and physical activity. 			<p>Surveys show that in their primary schools the music provision is very uneven: most have at least occasional singing lessons, but instrumental work is uncommon. In addition, children enjoy the opportunity to play at community events, and gain confidence in their families' acknowledgement of their achievement. We would like to provide a programme incorporating singing and percussion items which can be offered at community events and at our regular termly concerts.</p> <p>We are teaching young children in initial stages of musicianship, which requires a continuous, progressive programme. The opportunities for music that singing and percussion provide are an effective way of teaching these skills so that children can make measurable progress and feel pride in their achievement. Our experience shows that those pupils learning an instrument who also take part in ensemble playing make better progress and are more likely to be successful if they take ABRSM exams, besides getting more satisfaction from playing.</p>	<p>at Blackfriars Settlement. On the day, banners, bunting and balloons will alert other park users to come and join this fun event.</p> <p>The early afternoon fun dog show will have prizes for best-dressed mutt, best veteran, etc. A fun dog agility show will also be held, using lightweight portable dog agility equipment. The show will be followed by a community picnic. It may include a bric-a-brac area, to allow dog owners to exchange surplus toys, dog bowls, etc. This event will be organised in conjunction with the park managers and the Friends of the park, and in consultation with all other stakeholders. It will be a great opportunity to all groups of park users to get together and enjoy a fun afternoon,</p>	<p>Geraldine Mary Harmsworth Park SE1</p>

We receive no core funding and are managed through an executive of volunteers who are Southwark residents.</p> <p>The Network has about 500 members in Southwark. Since 2010, the Network has run a monthly social group that provides a safe space for LGB&T people to come together. The events are a mixture of social and topic based events and we hold them in community venues and spaces across Southwark. In 2013/14 this included an event at Tate Modern on LGBT & BME identities, a book launch and several other topic based events</p>	Bankside, Borough and Walworth

NEBBW1 405	All Wards	Volunteer Centre Southwark / Southwark Stars	<p>We would like to hold a special Southwark Stars awards event to celebrate volunteering within Borough, Bankside and Walworth. The event would celebrate volunteering and offer local groups the chance to nominate their volunteers to receive special awards presented by the Mayor.</p> <p>Volunteers are key to supporting local communities, and in tough economic times their work is even more important, yet being a volunteer can be a thankless task. This event will showcase the importance of recognising volunteers, and give local groups the opportunity to take 3 of their volunteers to an event as a special way of saying thank you. This in turn will increase volunteer retention through greater motivation.</p> <p>This work builds on past events where we have found that 93% of award recipients providing feedback from the event said that receiving an award made them feel more motivated to volunteer and 87% of respondents stated that the event was important in supporting volunteering.</p> <p>As well as being an awards event it would be a local celebration of volunteering with music, refreshments and a chance to meet other people.</p>	All groups nominating volunteers would be from across the community council area, venue tbc

NEBBW1 416	Newington	Camberwell After School Project (CASP) / Young Achievers Awards Ceremony 2014	We are seeking funding for an Award Ceremony to recognise the progress of young boys on successfully completing our Young Achievers' Programme (YAP). YAP is a personal development and life skills programme, raising the aspirations and attainment of 11 – 15 year old boys of African and Caribbean origin. It works by identifying and dealing with some of the barriers that prevent them from achieving their full potential at school. We work with local schools that identify students who are falling behind and exhibiting disruptive behaviour, who will benefit from our school term-time mentoring, drama based and workshop programmes. We focus on developing communication, negotiation skills, listening skills, having positive interaction and maintaining healthy relationships as well as personal achievements and development. The celebration will be an opportunity for the young people, their families, schools, and wider community to get together to discuss the importance of their work and their achievements. An award ceremony will encourage and inspire the young people involved to achieve their targets and motivate them towards their long term goals. A celebration such as this will give all involved an opportunity to reflect and learn on the importance of the young people's work and accomplishments during YAP.
