

Item No. 10.	Classification Open	Date: 1 April 2014	Meeting Name: Camberwell Community Council
Report title:		Cleaner Greener Safer Revenue Fund 2014-15	
Ward(s) or groups affected:		South Camberwell ward	
From:		Stephen Douglass, Head of Community Engagement	

RECOMMENDATION

1. That the Camberwell Community Council considers awarding £10,000 of the unallocated Cleaner Greener Safer (CGS) revenue 2014/15 budget to Southwark Council youth services for the Dog Kennel Hill youth outreach project. The project description is set out in Appendix 1.

BACKGROUND INFORMATION

2. The last Camberwell community council meeting held on 12 February 2014 awarded a total of £41,295 out of a maximum of £60,000, leaving an allocated amount of £18,705.
3. A CGS Fund consisting of £210,000 across the borough, with an allocation of £10,000 per ward, was introduced as part of the budget strategy agreed at the council assembly meeting on the 29 February 2012. At the council assembly meeting which took place on the 27 February 2013, it was agreed to allocate an additional £10,000 per ward making a total revenue fund available of £420,000 across the borough allocated at £20,000 per ward.
4. The aim of this fund is to give community councils decision making powers over significant amounts of revenue funding that they can allocate to meet locally determined priorities. It is anticipated that the availability of the revenue fund will enhance and complement the effectiveness of the capital fund.
5. On 1 March 2012 the leader of the council delegated the executive function to each community council to take the CGS revenue funding decisions in their areas.

KEY ISSUES FOR CONSIDERATION

6. The community councils will use the criteria set out below for the allocation of this funding.
 - a. Proposals that make an improvement to an area on the basis of making it cleaner, greener or safer or a combination.
 - b. CGS applications from the capital round which were ruled out because they were revenue applications.

- c. The revenue fund could be used to meet the revenue costs associated with a CGS capital award.
 - d. A community council may choose to allocate some or all of their revenue resources to their CGS capital allocations.
 - e. Subject to the availability of resources, the revenue fund may be used to buy services from the council.
7. While the allocation is based on £20,000 per ward, a community council can, if it chooses, decide to aggregate all or part of the funding and spend more than £20,000 per ward.
8. Community councils will be free to indicate whether they would like expenditure to be an ongoing commitment over more than one financial year or spending over a fixed timescale for a one-off project. Commitments will be subject to final agreement of the council budget and a decision by each community council on an annual basis.
9. As with any executive decision taken by community councils this is subject to the council's existing scrutiny arrangements.

Delivery

10. Once the community council has made their selections by the method of their choice they will be designed and delivered as soon as possible in 2014/15. Any under spends or projected overspends will be reported back to community council for resolution or reallocation.

Community impact statement

11. The roles and functions of community councils include the promotion of involvement of local people in the democratic process. Community councils take decisions on local matters including environmental improvement and community safety as well as consultation on a wide range of policies and strategies that affect the area.
12. An explicit objective within community councils is that they be used to actively engage as widely as possible with, and bring together, Southwark's diverse local communities on issues of shared or mutual interest. The CGS programme is an important tool in achieving community participation.
13. In fulfilling the above objectives that community councils have of bringing together and involving Southwark's diverse local communities, consideration has also been given to the council's duty under the Equality Act 2010 which requires the council to have due regard when taking decisions to the need to:
- a. Eliminate discrimination, harassment, victimisation or other prohibited conduct;
 - b. Advance of equality of opportunity between persons who share a relevant protected characteristic and those who do not share it;
 - c. Foster good relations between those who share a relevant characteristic and those that do not share it.

14. Of particular regard are issues of age, disability, gender reassignment, pregnancy and maternity, race, religion or belief, sex, sexual orientation.
15. Having due regard to the need to advance equality of opportunity is further defined in S.149 as having due regard to the need to:
 - a. Remove or minimise disadvantages connected with a relevant protected characteristic;
 - b. Take steps to meet the different needs of persons who share a relevant protected characteristic.
 - c. Encourage persons who share a relevant protected characteristic participate in public life or any other activity in which they are under- represented.

Financial implications

16. The total amount available for the Camberwell CGS revenue fund in 2014/15 is £60,000. Of this, an amount of £41,295 has previously been awarded, leaving £18,705 available for additional allocation. There are therefore sufficient funds available to cover the £10,000 allocation recommended in this report.

Policy implications

17. The CGS Revenue Fund is fully aligned with the council's policies toward sustainability, regeneration and community engagement.

Consultation

18. Decisions will reflect longstanding ward priorities and may be complementary to the decisions made in the CGS Capital fund allocation. In this first year of the scheme consultation took place at the community council meetings and is therefore now an integral part of the decision making process.

Legal Implications

19. The Local Government Act 2000 [as amended] ('the Act') gives the leader the power to delegate any executive function to whoever lawfully can undertake the function. The allocation of the CGS is an executive function.
20. Community councils are "area committees" within the meaning of the Act and executive functions can be delegated to them by the leader.
21. In allocating funding under the CGS community councils must have regard to the council's equality duties set out in section 149 of the Equality Act 2010. The report author has demonstrated how those duties have been considered in the body of the report at paragraphs 13, 14 and 15 in the community impact statement.

Strategic Director of Finance and Corporate Services

22. For 2014/15, the budget for funding the Camberwell CGS revenue fund is £60k. An amount of £41,295 has previously been awarded, leaving £18,705 available for additional allocation. In addition, any underspend in 2013/14 will be carried forward

into 2014/15. There are therefore sufficient unallocated resources available to fund the £10k additional award recommended in this report.
