

Items shown in grey are existing parking restrictions  
Items shown in black are proposed

**Background**  
John Ruskin Street and Dartford Street fall within the South Waltham (J) parking zone. The parking zone operates Monday to Friday, 8.30am - 6.30pm and was implemented in 1999.

**Proposals**  
The only physical change to the road markings will be the installation of a new parking bay outside Marbles House in John Ruskin Street.

These proposals will result in:

**Visitor parking (pay by phone)**

- the existing seven time restricted (30min) free bays will be converted to seven pay by phone bays.
- The proposed pay by phone bays will operate during the zone J parking zone hours and will have a maximum stay period of 2 hours
- Southwark has an existing policy to allow European blue badge (disabled) holders to park for free of charge and without time limit in any paid-for parking bay

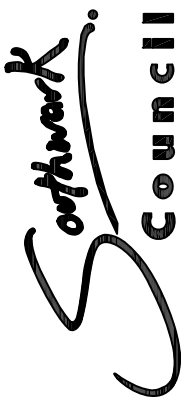

**Permit holders parking**

- a net gain of two parking spaces for residents and business who have a zone J parking permit.

**Disabled parking**

- Introducing a four hour maximum stay period on the existing disabled bay to encourage turnover of space and prevent all day parking.
- A four hour maximum stay periods on disabled bays works well in locations where the bay is located in close proximity to shops and services where there is a demand for such facilities (usually where demand for parking space is high).

**Notes**  
The north side of John Ruskin Street and Dartford Street falls within Waltham community council and Faraday ward.  
The south side of John Ruskin Street falls within Camberwell community council and Camberwell Green ward.
