

**NOTIFICATION OF KEY DECISION TO BE TAKEN
GENERAL EXCEPTION NOTICE**

DETAILS OF DECISION	
Title of Report	Integrated community support – a new commissioning strategy, underpinned by an ethical care charter
Description/Nature of matter requiring Key Decision	To set out a commissioning strategy for the council's community based health and social care services, including the delivery of a Southwark ethical charter for care
Decision taker	Cabinet
Date by which Key Decision must be taken	22 July 2014
Reason why it was impracticable for decision to be on the Forward Plan	This item was not listed on the forward plan because a decision was made, subsequent to the publication of the forward plan, to align (a) a new commissioning approach to integrated community support with (b) a Gateway 3 IDM on homecare. This decision necessitated an addition of this item to the forward plan for 22 July Cabinet.
Reason why the decision cannot wait for inclusion in the next Forward Plan	The next forward plan relates to decisions to be taken from September 2014. This decision cannot be delayed until then as it is listed on the agenda of the meeting of the Cabinet scheduled to hold on 22 July 2014.
