RECOMMENDATION

1. It is recommended that the following non-strategic traffic and parking arrangements, detailed in the drawings attached to this report, are approved for implementation subject to any necessary statutory procedures;
 - Camberwell Station Road – introduction of 'No waiting at anytime' (double yellow lines)
 - Warner Road – upgrade single yellow lines to double yellow lines (no waiting at anytime)

BACKGROUND INFORMATION

2. Part 3H of the Southwark constitution delegates decision making for non-strategic traffic management matters to the Community Council.
3. Paragraph 16 of Part 3H of the Southwark constitution sets out that the Community Council will take decisions on the following local non-strategic matters:
 - the introduction of single traffic signs
 - the introduction of short lengths of waiting and loading restrictions
 - the introduction of road markings
 - the introduction of disabled parking bays
 - the setting of consultation boundaries for consultation on traffic schemes.
4. This report gives recommendations for amending the existing traffic regulation order for waiting restrictions on Warner Road and new 'no waiting restrictions' on Camberwell Station Road.
5. The origin and reasons for the recommendations are discussed within the key issues section of this report.

KEY ISSUES FOR CONSIDERATION

6. The developer was granted planning permission (06-AP-2183) on 6 July 2007 which allows a re-development of premises to provide 83 residential units and 1663sqm of Class B1 (Office) floorspace in three separate buildings ranging in height between 3 storeys (9m) and 6 storeys (18.5m); Communal open space;

Basement car parking and bicycle storage. This planning permission includes the provision of new accesses on both Warner Road and Camberwell Station Road.

Parking matters

7. The proposal for Warner Road is to upgrade a short length of existing single yellow lines (operational 0830-1830 Mon-Fri) in front of a new crossover to double yellow lines (no waiting at any time)..
8. The proposal for Camberwell Station Road is to introduce double yellow lines (no waiting at anytime) and removal of associated permit bay in front of a new vehicle crossover. A total of two permit holder parking spaces would be lost as a result.

Traffic matters

9. The vehicle crossing from Warner Road is for service/delivery and mobility impaired visitor drop- offs.
10. The vehicle crossing from Camberwell Station Road is for access into the basement car park of the new development
