Cycle Grid Funding Confirmation Letter

London Borough of Southwark

Dear Matt,

On the 3rd June 2014 the second tranche of funding for the Central London Grid, part of the Mayor's Cycling Vision, was approved at TfL Surface Board. This letter is designed to provide a cost breakdown of the funding approved by scheme in your Borough and to provide consistent and clear information to assist you in the delivery of the Grid.

The tranche of funding released at TfL Surface Board is for the design and implementation of schemes categorised as Phase 2 and for the design of schemes categorised as Phase 3. This funding approval does not include funds for the delivery of Phase 3 schemes.

A full breakdown of funding approved by scheme for your Borough is given on the following page.

All funding allocated is subject to proposals satisfying key criteria and programme objectives. Your TfL Borough Projects and Programmes representative will work in partnership with you to monitor spend against approved allocations.

If you have any queries relating to this letter and allocations detailed please contact Jessica Ellery (jessica.ellery@tfl.gov.uk) 020 3054 0851.

Yours sincerely

Jessica Ellery
