

NOTIFICATION OF KEY DECISION TO BE TAKEN

GENERAL EXCEPTION NOTICE

DETAILS OF DECISION	
Title of Report	Children's Services – Fees and Charges 2015/16
Description/Nature of matter requiring Key Decision	Agree revised fees and charges for 2015-16
Decision taker	Cabinet Member for Children and Schools
Date by which Key Decision must be taken	April 2015
Reason why it was impracticable for decision to be on the Forward Plan	The decision was formerly listed on the Forward Plan to be taken in March 2015; however there was a minor delay in the presentation of the report, putting the decision back by 1 week and it was then erroneously listed on the forward plan to be taken in May 2015.
Reason why the decision cannot wait for inclusion in the next Forward Plan	The next Forward Plan includes decisions to be made from June 2015 onwards. The new fees and charges recommended in the report effect the level of income the service will recover and therefore any further delays could have a negative financial impact to the council. The recommendations in the report need to be implemented during April so that the Fees and Charges can be set as soon as possible within the financial year 2015/16.
