<b>Report title:</b>		Health improvement performance report: childhood obesity, tobacco, alcohol, drugs & sexual health update	
<b>Wards or groups affected:</b>		All	
<b>From:</b>		Jin Lim, Assistant Director of Public Health	

## RECOMMENDATIONS

1. The board is requested:
  - a) To note the update on performance and activity for childhood obesity, tobacco, alcohol, drugs and sexual health (Appendix 1).

## EXECUTIVE SUMMARY

2. The Health and Wellbeing Board received the refreshed Health and Wellbeing Strategic framework in 2015 and has requested regular thematic updates on performance and activity. This update is on the childhood obesity, tobacco, alcohol, drugs and sexual health themes of the Health and Wellbeing Strategy.
3. The Health and Wellbeing Board has previously agreed challenging targets for childhood obesity and tobacco and also received a report on a range of indicators for alcohol, drugs and sexual health for monitoring purposes.
4. This update provides a regular reporting template for activity and key indicators relating to the 4 HWB Board priorities: childhood obesity, tobacco, alcohol, drugs and sexual health themes. As the strategies and action plans are developed or refreshed, activity will be reported back to the HWB Board. The range of indicators will be refined as new data becomes available.

## Policy implications

5. Southwark Council and the Southwark CCG have a statutory duty under the 2012 Health and Social Care Act to produce a health and well being strategy for Southwark. The health and wellbeing board leads the production of the strategy. Local health and wellbeing commissioning and service plans have to pay due regard to the health and wellbeing strategy.

## Community impact statement

6. The health and wellbeing strategy and associated action plans seek to improve the health of the population and to reduce health inequalities. It is acknowledged that some communities and individuals are less likely to access or make use of the services offered and targeted support or initiatives are expected to address this.

## Legal implications

7. The board is required to produce and publish a joint health and wellbeing strategy on behalf of the local authority and clinical commissioning group. The proposals and actions outlined in this report will assist the board in fulfilling this requirement and will support the strategy's implementation.

## Financial implications

8. There are no financial implications contained within this report. However, the priorities identified in the health and wellbeing strategy will have implications for other key local strategies and action plans and the development of commissioning intentions to improve the health and wellbeing of Southwark's population.
