- 5139529.BS.004 – Drawing No. 001 – Proposed Elevations
- 5139529.BS.005 - Drawing no. 001 – Site Plan
- 5139529.BS.006 – Drawing No. 001 – Location Plan
- 5139529.BS.007 – drawing No. 001 – Topographical Survey with Utilities and Services
- Design and Access Statement – Southwark Athletics Centre dated 16/12/2015 by Faithful and Gould Constructive Expertise
- 15/024/A/002 A – Existing Site Plan
- 15/024/A/003 B – Proposed Site Plan
- Arboricultural Impact Assessment by ATKINS dated December 2015
- 5139529/COL/ARB001 – Tree Protection Plan
- Southwark Athletics Centre Phase 2 Ecological Impact Assessment , Revision 1.0, dated 15/12/2015

Subject to the following eight conditions:

Time limit for implementing this permission and the approved plans

- 1 The development hereby permitted shall be begun before the end of three years from the date of this permission.

Reason

As required by Section 91 of the Town and Country Planning Act 1990 as amended.

- 2 The development hereby permitted shall not be carried out otherwise than in accordance with the following approved plans:

5139529.BS.002 Drawing No. 001 Southwark Athletics Centre ¿ Proposed General Arrangement Plan

5139529.BS.004 Drawing No. 001 Proposed Elevations

5139529.BS.006 Drawing No. 001 Location Plan

5139529.BS.007 Drawing No. 001 Topographical Survey with Utilities and Services

Design and Access Statement Southwark Athletics Centre dated 16/12/2015 by Faithful and Gould Constructive Expertise

15/024/A/003 B Proposed Site Plan

Reason:

For the avoidance of doubt and in the interests of proper planning.

Pre-commencement condition(s) - the details required to be submitted for approval by the condition(s) listed below must be submitted to and approved by the council before any work in connection with implementing this permission is

commenced.

- 3 Prior to works commencing, including any demolition, an Arboricultural Method Statement shall be submitted to and approved in writing by the Local Planning Authority.
- a) A pre-commencement meeting shall be arranged, the details of which shall be notified to the Local Planning Authority for agreement in writing prior to the meeting and prior to works commencing on site, including any demolition, changes to ground levels, pruning or tree removal.
- b) A detailed Arboricultural Method Statement showing the means by which any retained trees on or directly adjacent to the site are to be protected from damage by demolition works, excavation, vehicles, stored or stacked building supplies, waste or other materials, and building plant, scaffolding or other equipment, shall then be submitted to and approved in writing by the Local Planning Authority. The method statements shall include details of facilitative pruning specifications and a supervision schedule overseen by an accredited arboricultural consultant.
- c) Cross sections shall be provided to show surface and other changes to levels, special engineering or construction details and any proposed activity within root protection areas required in order to facilitate demolition, construction and excavation.

The existing trees on or adjoining the site which are to be retained shall be protected and both the site and trees managed in accordance with the recommendations contained in the method statement. Following the pre-commencement meeting all tree protection measures shall be installed, carried out and retained throughout the period of the works, unless otherwise agreed in writing by the Local Planning Authority. In any case, all works must adhere to BS5837: (2012) Trees in relation to demolition, design and construction and BS3998: (2010) Tree work - recommendations.

If within the expiration of 5 years from the date of the occupation of the building for its permitted use any retained tree is removed, uprooted is destroyed or dies, another tree shall be planted at the same place and that tree shall be of such size and species, and shall be planted at such time, as may be specified in writing by the Local Planning Authority.

Reason

To avoid damage to the existing trees which represent an important visual amenity in the area, in accordance with The National Planning Policy Framework 2012 Parts 7, 8, 11 & 12 and policies of The Core Strategy 2011: SP11 Open spaces and wildlife; SP12 Design and conservation; SP13 High environmental standards, and Saved Policies of The Southwark Plan 2007: Policy 3.2 Protection of amenity; Policy 3.12 Quality in Design; Policy 3.13 Urban Design and Policy 3.28 Biodiversity.

- 4 Prior to works commencing, full details of all proposed tree planting including a total of 223cm stem girth shall be submitted to and approved in writing by the Local Planning Authority. This will include tree pit cross sections, planting and maintenance specifications, use of guards or other protective measures and confirmation of location, species, sizes, nursery stock type, supplier and defect period. All tree planting shall be carried out in accordance with those details and at those times. Planting shall comply with BS5837: Trees in relation to demolition, design and construction (2012) and BS: 4428 Code of practice for general landscaping operations.

If within a period of five years from the date of the planting of any tree that tree, or any tree planted in replacement for it, is removed, uprooted or destroyed or dies, or becomes, in the opinion of the local planning authority, seriously damaged or defective, another tree of the same species and size as that originally planted shall be planted at the same place in the first suitable planting season., unless the local planning authority gives its written consent to any variation.

To ensure the proposed development will preserve and enhance the visual amenities of the locality and is designed for the maximum benefit of local biodiversity, in addition to the attenuation of surface water runoff in accordance with The National Planning Policy Framework 2012 Parts 7, 8, 11 & 12 and policies of The Core Strategy 2011: SP11 Open spaces and wildlife; SP12 Design and conservation; SP13 High environmental standards, and Saved Policies of The Southwark Plan 2007: Policy 3.2 Protection of amenity; Policy 3.12 Quality in Design; Policy 3.13 Urban Design and Policy 3.28 Biodiversity.

- 5 Details of bird and/or bat nesting boxes / bricks shall be submitted to and approved in writing by the Local Planning Authority prior to the commencement of the use hereby granted permission.

No less than four nesting boxes / bricks shall be provided and the details shall include the exact location, specification and design of the habitats. The boxes / bricks shall be installed with the development prior to the first occupation of the building to which they form part or the first use of the space in which they are contained.

The nesting boxes / bricks shall be installed strictly in accordance with the details so approved, shall be maintained as such thereafter.

Discharge of this condition will be granted on receiving the details of the nest/roost features and mapped locations and Southwark Council agreeing the submitted plans, and once the nest/roost features are installed in full in accordance to the agreed plans. A post completion assessment will be required to confirm the nest/roost features have been installed to the agreed specification.

Reason: To ensure the development provides the maximum possible provision towards creation of habitats and valuable areas for biodiversity in accordance with policies: 5.10 and 7.19 of the London Plan 2011, Policy 3.28 of the Southwark Plan and Strategic Policy 11 of the Southwark Core strategy.

Commencement of works above grade - the details required to be submitted for approval by the condition(s) listed below must be submitted to and approved by the council before any work above grade is commenced. The term 'above grade' here means any works above ground level.

- 6 Before any above grade work hereby authorised begins, detailed drawings of a hard and soft landscaping scheme showing the treatment of all parts of the site not covered by buildings (including cross sections, surfacing materials of any parking, access, or pathways layouts, materials and edge details and material samples of hard landscaping), shall be submitted to and approved in writing by the Local Planning Authority. The landscaping shall not be carried out otherwise than in accordance with any such approval given and shall be retained for the duration of the use.

The planting, seeding and/or turfing shall be carried out in the first planting season following completion of building works and any trees or shrubs that is found to be dead, dying, severely damaged or diseased within five years of the completion of the building works OR five years of the carrying out of the landscaping scheme (whichever is later), shall be replaced in the next planting season by specimens of the same size and species in the first suitable planting season. Planting shall comply to BS: 4428 Code of practice for general landscaping operations, BS: 5837 (2012) Trees in relation to demolition, design and construction and BS 7370-4:1993 Grounds maintenance Recommendations for maintenance of soft landscape (other than amenity turf).

Reason

So that the Council may be satisfied with the details of the landscaping scheme in accordance with The National Planning Policy Framework 2012 Parts 7, 8, 11 & 12 and policies of The Core Strategy 2011: SP11 Open spaces and wildlife; SP12 Design and conservation; SP13 High environmental standards, and Saved Policies of The Southwark Plan 2007: Policy 3.2 Protection of amenity; Policy 3.12 Quality in Design; Policy 3.13 Urban Design and Policy 3.28 Biodiversity.

Pre-occupation condition(s) - the details required to be submitted for approval by the condition(s) listed below must be submitted to and approved by the council before the building(s) hereby permitted are occupied or the use hereby permitted is commenced.

- 7 Before the first occupation of the building/extension the cycle storage facilities as shown on drawing no. 15/024/A/003 B shall be provided and thereafter such facilities shall be retained and the space used for no other purpose and the development shall not be carried out otherwise in accordance with any such approval given.

Reason

To ensure that satisfactory safe and secure bicycle parking is provided and retained for the benefit of the users and occupiers of the building in order to encourage the use of alternative means of transport and to reduce reliance on the use of the private car in accordance with The National Planning Policy Framework 2012, Strategic Policy 2 - Sustainable Transport of The Core Strategy and Saved Policy 5.3 Walking and Cycling of the Southwark Plan 2007.

Compliance condition(s) - the following condition(s) impose restrictions and/or other requirements that must be complied with at all times once the permission has been implemented.

- 8 The materials to be used in the implementation of this permission shall not be otherwise than as described and specified in the application and on the drawings hereby approved unless the prior written consent of the local planning authority has been obtained for any proposed change or variation.

Reason

To ensure that the new works blend in with the existing building in the interest of the design and appearance of the

building in accordance with The National Planning Policy Framework 2012, Strategic Policy 12 - Design and Conservation of The Core Strategy 2011 and Saved Policies 3.12 Quality in Design and 3.13 Urban Design of the Southwark Plan 2007

Statement of positive and proactive action in dealing with the application

The Council has published its development plan and core strategy on its website together with advice about how applications are considered and the information that needs to be submitted to ensure timely consideration of an application. Applicants are advised that planning law requires applications to be determined in accordance with the development plan unless material considerations indicate otherwise.
