

NOTIFICATION OF KEY DECISION TO BE TAKEN

GENERAL EXCEPTION NOTICE

DETAILS OF DECISION	
Title of Report	Gateway 2: Contract Award Approval Leased Cars
Description/Nature of matter requiring Key Decision	Approval of Gateway 2 for selection of framework agreements to procure commercial fleet.
Decision taker	Cabinet Member for Environment and the Public Realm
Date by which Key Decision must be taken	October 2016
Reason why it was impracticable for decision to be on the Forward Plan	Decision was on the forward plan for a September 2016. However due to an administration error the cut off date for the decision to be made for this period was missed by one working day.
Reason why the decision cannot wait for inclusion in the next Forward Plan	The next forward plan relates to decisions to be taken from November 2016 onwards. To delay this decision until then would mean the existing framework continuing to be in use and value not been had at the earliest opportunity. It would also incur further resource to the council in terms of possible renegotiation with the current supplier and future supplier. A decision is therefore sought as soon as possible.
