

## NOTIFICATION OF KEY DECISION TO BE TAKEN

### GENERAL EXCEPTION NOTICE

DETAILS OF DECISION	
<b>Title of Report</b>	Cycling Quietway 7: Elephant and Castle to Crystal Palace
<b>Description/Nature of matter requiring Key Decision</b>	Approval of the implementation of the Elephant & Castle to Crystal Palace Quietway proposal.
<b>Decision taker</b>	Cabinet Member for Environment and the Public Realm
<b>Date by which Key Decision must be taken</b>	October 2016
<b>Reason why it was impracticable for decision to be on the Forward Plan</b>	The decision was on the forward plan for a September 2016 decision. However due to additional consultation required during the latter stages of the proposal and as a result of Community Council input it was not possible to finalise the report in time for a decision to taken in September.
<b>Reason why the decision cannot wait for inclusion in the next Forward Plan</b>	The next forward plan relates to decisions to be taken from December 2016 onwards. To delay this decision until December 2016 would have a negative effect on the works programme and funding constraints around the project. Funding from TfL for this project is time limited to current financial year and the works proposed within the report require significant lead in of design. A decision is therefore sought as soon as possible so that works can begin.
