

NOTIFICATION OF KEY DECISION TO BE TAKEN

GENERAL EXCEPTION NOTICE

DETAILS OF DECISION	
Title of Report	New Approach for location of new Canada Water Leisure Centre
Description/Nature of matter requiring Key Decision	Rescinding of the November 2015 decision which identified "plot 6" as the preferred site for the location of the new Canada Water Leisure Centre and to agree a new approach for the location of the new Canada Water Leisure Centre.
Decision taker	Cabinet Member for Regeneration and New Homes
Date by which Key Decision must be taken	October 2016
Reason why it was impracticable for decision to be on the Forward Plan	The forward plan relating to decisions to be taken in October was published at the end of August 2016. In September 2016 British Land confirmed that they would work with the council to identify alternative sites for a new leisure centre as part of their review of the wider masterplan for Canada water. This agreement enabled the council to consider rescinding its decision to identify plot 6 as the preferred site for a new leisure centre. This decision was entered on to the last forward plan published on 30 September with a view to a general exception notice be issued to enable the decision to be taken in October.
Reason why the decision cannot wait for inclusion in the next Forward Plan	The next forward plan to be published relates to decisions to be taken from December 2016 onwards. The location of the new leisure centre is of great public interest. A decision this month will provide the council with the opportunity to confirm as soon as possible that it is rescinding its decision in respect of plot 6 in light of the outcome of the public consultation exercise and enable the commencement of identifying alternative sites for the new leisure centre.
