

Item No. 6.1	Classification: Open	Date: 15 November 2016	Meeting Name: Peckham and Nunhead Community Council
Report title:		Deputation Request – Traffic management functions at community councils (addendum)	
Ward(s) or groups affected:		All wards in Peckham and Nunhead	
From:		Proper constitutional officer	

RECOMMENDATION

1. That the Peckham and Nunhead Community Council consider a deputation request from residents of the Lane ward and note further information from the Head of Highways.

BACKGROUND INFORMATION

2. A deputation request has been submitted by some residents living in the Lane ward. The deputation will be presented to the Peckham and Nunhead Community Council meeting on 15 November 2016.
3. The deputation report was despatched with the agenda on 7 November 2016.

SUPPLEMENTARY ADVICE FROM OFFICERS

4. The Head of Highways has given further comments as mentioned below:
 - Southwark Council plans to change the decision-maker for TMOs for **non-strategic schemes** to be the relevant cabinet member, which means that decisions can be made whenever they are needed.
 - Councillors from wards affected by TMOs will be contacted directly before the statutory consultation, and if at least two ward members ask for part or all of a TMO decision to come to community council for consultation, it will be put on hold and brought to the next community council meeting for **consultation**. The community council's comments will then be taken into account by the cabinet member when taking the decision, as well as any comments from members of the public and individual ward members.
 - **There are no changes proposed to the way that strategic traffic and highway schemes** – which are generally those that generate most interest in the community – will be consulted and decided upon.
