BACKGROUND INFORMATION

The Licensing Act 2003

3. The Licensing Act 2003 provides a regime for:
 - The sale of and supply of alcohol
 - The provision of regulated entertainment

- The provision of late night refreshment.
4. Within Southwark, the licensing responsibility is wholly administered by this council.
 5. The Act requires the licensing authority to carry out its functions under the Act with a view to promoting the four stated licensing objectives. These are:
 - The prevention of crime and disorder
 - The promotion of public safety
 - The prevention of nuisance
 - The protection of children from harm.
 6. In carrying out its licensing functions, a licensing authority must also have regard to
 - The Act itself
 - The guidance to the act issued under Section 182 of the Act
 - Secondary regulations issued under the Act
 - The licensing authority's own statement of licensing policy
 - The application, including the operating schedule submitted as part of the application
 - Relevant representations.
 7. The premises licence application process involves the provision of all relevant information required under the Act to the licensing authority with copies provided by the applicant to the relevant responsible bodies under the Act. The application must also be advertised at the premises and in the local press. The responsible authorities and other persons within the local community may make representations on any part of the application where relevant to the four licensing objectives.

KEY ISSUES FOR CONSIDERATION

The premises licence application

8. On 4 October 2016, Chapter 72 Ltd applied to this council for the grant of a new premises licence in respect of the premises known as Chapter 72 Ltd, 72 Bermondsey Street, London SE1 3UD. The premises is described as a coffee shop.
9. The application as amended after conciliation agreement is summarized as follows:
 - The supply of alcohol (for consumption on the premises)
Monday to Saturday from 11:00 to 22:30
Sunday from 08:00 to 21:30
 - Operating hours
Monday to Saturday from 07:00 to 22:30
Sunday from 08:00 to 21:30.
10. The premises licence application form provides the applicant operating schedule. Parts J, K, L, and M set out the proposed operating hours and operating controls in full, with reference to the four licensing objectives as stated in the Licensing Act 2003. Should a premises licence be issued in respect of the application the information provided in part M of the operating schedule will form the basis of conditions that will be attached to the licence. A copy of the application is attached to this report as Appendix A.

Designated premises supervisor

11. The proposed designated premises supervisor (DPS) is Rod Eslamieh, who has a personal licence from Richmond Upon Thames Council.

Representations from responsible authorities

12. Representations were submitted by the Metropolitan Police Service and the public health authority.
13. The police representation recommends conditions in relation to CCTV and staff training. Some of conditions may have been offered as part of the operating schedule but the wording offered by the police is important to avoid ambiguity. The police think that the conditions will assist with the prevention of crime and disorder in addition to the conditions offered within the operating schedule. The conditions listed have been agreed by the applicant and as such the police representation has been withdrawn.
14. The proposed conditions concern the installation and maintenance of CCTV, ensuring staff are trained in the mandatory conditions imposed by the Licensing Act 2003 and the licence conditions imposed by the licensing sub-committee.
15. The public health representation recommends that the start time for alcohol sales be changed to 11:00 daily and also the licence granted for on sales only. These have been accepted and agreed by the applicant and therefore the public health representation is withdrawn.
16. The representations and the corresponding withdrawal statements are attached as Appendices B and B1.

Representations from other persons

17. Six representations have been received from eight other persons. They state that they live very close to the premises and other existing licensed premises. The area is densely populated and they already have well known and long running issues with some of the other premises with regards to noise nuisance. Concerns are also raised regarding vertical drinking and anti-social behaviour of the patrons.
18. Copies of the representations are attached as Appendix C.

Conciliation

19. The applicant was forwarded the representations received and responded by submitting a conciliation statement which has been circulated to all parties. Following the acceptance of the public health conditions the application has been amended to provide only on licence sales and therefore there shall be no off sales provided. Both the police and public health representations have been withdrawn.
20. A conciliation meeting was also arranged between the residents and applicant to address the concerns raised but residents are not satisfied with the some of the solutions suggested and as such the representations are still outstanding. The conciliation statement and further correspondences are attached as Appendix D.

Temporary event notices

21. There have been no temporary event notices (TENs) submitted for this address within the last 12 months.

Complaints

22. There have been no complaints specifically related to the premises received by the licensing team within the last 12 months.

The local area

23. A map of the area is attached to this report as Appendix E. The premises is identified at the centre of the map. For purposes of scale-only the circle on the map has a 100 metre radius. There are a number of licensed premises within this 100 metre radius.

- Live amplified music is deregulated between 08:00 and 23:00 provided the audience does not exceed 500 people.

25. However, live music can become licensable in on-licensed premises if the licensing authority removes the effect of the deregulation following a licence review ('licence review mechanism').

27. Council assembly approved Southwark's Statement of Licensing Policy 2016-20 on 25 November 2015. Sections of the statement that are considered to be of particular relevance to the sub-committee's consideration are:
- Section 3: Purpose and Scope of the Policy. This reinforces the four licensing objectives and the fundamental principles upon which this Authority relies in determining licence applications
 - Section 5: Determining Applications for Premises Licences and Club Premises certificates. This explains how the policy works and considers issues such as location; high standards of management; and the principles behind condition setting.
 - Section 6: Local Cumulative Impact Policies. This sets out this authority's approach to cumulative impact and defines the boundaries of the current special policy areas and the classifications of premises to which they apply. To be read in conjunction with Appendix B to the policy
 - Section 7: Hours of Operation. This provides a guide to the hours of licensed operation that this Authority might consider appropriate by type of premises and (planning) area classification. To be read in conjunction with Appendix B to the policy.
 - Section 8: The Prevention of Crime and Disorder. This provides general guidance on the promotion of the first licensing objective
 - Section 9: Public Safety. This provides general guidance on the promotion of the second licensing objective
 - Section 10: The Prevention of Nuisance. This provides general guidance on the promotion of the third licensing objective
 - Section 11: The Protection of Children from Harm. This provides general guidance on the promotion of the fourth licensing objective.
28. The purpose of Southwark's statement of licensing policy is to make clear to applicants what considerations will be taken into account when determining applications and should act as a guide to the sub-committee when considering the applications. However, the sub-committee must always consider each application on its own merits and allow exceptions to the normal policy where these are justified by the circumstances of the application.

Resource implications

29. A fee of £190 has been paid by the applicant company in respect of this application being the statutory fee payable for premises within non-domestic rateable value band B.

Consultation

30. Consultation has been carried out on this application in accordance with the provisions of the Licensing Act 2003. A public notice was published in a local newspaper and a similar notice exhibited outside of the premises for a period of 28 consecutive days.

Community impact statement

31. Each application is required by law to be considered upon its own individual merits with all relevant matters taken into account.

SUPPLEMENTARY ADVICE FROM OTHER OFFICERS

Director of Law and Democracy

32. The sub-committee is asked to determine the application for a premises licence under section 17 of the Licensing Act 2003.
33. The principles which sub-committee members must apply are set out below.

Principles for making the determination

34. The general principle is that applications for premises licence applications must be granted unless relevant representations are received. This is subject to the proviso that the applicant has complied with regulations in advertising and submitting the application.
35. Relevant representations are those which:
 - Are about the likely effect of the granting of the application on the promotion of the licensing objectives
 - Are made by an interested party or responsible authority
 - Have not been withdrawn
 - Are not, in the opinion of the relevant licensing authority, frivolous or vexatious
36. If relevant representations are received then the sub-committee must have regard to them, in determining whether it is necessary for the promotion of the licensing objectives to:
 - To grant the licence subject to:
 - The conditions mentioned in section 18 (2)(a) modified to such extent as the licensing authority considers necessary for the promotion of the licensing objectives
 - Any condition which must under section 19, 20 or 21 be included in the licence
 - To exclude from the scope of the licence any of the licensable activities to which the application relates
 - To refuse to specify a person in the licence as the premises supervisor
 - To reject the application.

Conditions

37. The sub-committee's discretion is thus limited. It can only modify the conditions put forward by the applicant, or refuse the application, if it is necessary to do so. Conditions must be necessary and proportionate for the promotion of one of the four licensing objectives, and not for any other reason. Conditions must also be within the control of the licensee, and should be worded in a way which is clear, certain, consistent and enforceable.

38. The four licensing objectives are:
- The prevention of crime and disorder
 - Public safety
 - The prevention of nuisance
 - The protection of children from harm.
39. Members should note that each objective is of equal importance. There are no other licensing objectives, and the four objectives are paramount considerations at all times.
40. Conditions will not be necessary if they duplicate a statutory position. Conditions relating to night café and take away aspect of the license must relate to the night time operation of the premises and must not be used to impose conditions which could not be imposed on day time operators.
41. Members are also referred to the Home Office Revised Guidance issued under section 182 of the Licensing Act 2003 on conditions, specifically section 10.

Reasons

42. If the sub-committee determines that it is necessary to modify the conditions, or to refuse the application for a premises licence application, it must give reasons for its decision.

Hearing procedures

43. Subject to the licensing hearing regulations, the licensing committee may determine its own procedures. Key elements of the regulations are that:
- The hearing shall take the form of a discussion led by the authority. Cross examination shall not be permitted unless the authority considered that it is required for it to consider the representations.
 - Members of the authority are free to ask any question of any party or other person appearing at the hearing.
 - The committee must allow the parties an equal maximum period of time in which to exercise their rights to:
 - Address the authority
 - If given permission by the committee, question any other party.
 - In response to a point which the authority has given notice it will require clarification, give further information in support of their application.
 - The committee shall disregard any information given by a party which is not relevant to the particular application before the committee and the licensing objectives.
 - The hearing shall be in public, although the committee may exclude the public from all or part of a hearing where it considers that the public interest in doing so outweighs the public interest in the hearing, or that part of the hearing, taking place in private.

- In considering any representations or notice made by a party the authority may take into account documentary or other information produced by a party in support of their application, representations or notice (as applicable) either before the hearing or, with the consent of all the other parties, at the hearing.
44. This matter relates to the determination of an application for a premises licence under section 17 of the Licensing Act 2003. Regulation 26(1) (a) requires the sub-committee to make its determination at the conclusion of the hearing.

Council's multiple roles and the role of the licensing sub-committee

45. Sub-committee members will note that, in relation to this application, the council has multiple roles. Council officers from various departments have been asked to consider the application from the perspective of the council as authority responsible respectively for environmental health, trading standards, health and safety and as the planning authority.
46. Members should note that the licensing sub-committee is meeting on this occasion solely to perform the role of licensing authority. The sub-committee sits in quasi-judicial capacity, and must act impartially. It must offer a fair and unbiased hearing of the application. In this case, members should disregard the council's broader policy objectives and role as statutory authority in other contexts. Members must direct themselves to making a determination solely based upon the licensing law, guidance and the council's statement of licensing policy.
47. As a quasi-judicial body the licensing sub-committee is required to consider the application on its merits. The sub-committee must take into account only relevant factors, and ignore irrelevant factors. The decision must be based on evidence, that is to say material, which tends logically to show the existence or non-existence of relevant facts, or the likelihood or unlikelihood of the occurrence of some future event, the occurrence of which would be relevant. The licensing sub-committee must give fair consideration to the contentions of all persons entitled to make representations to them.
48. The licensing sub-committee is entitled to consider events outside of the premises if they are relevant, i.e. are properly attributable to the premises being open. The proprietors do not have to be personally responsible for the incidents for the same to be relevant. However, if such events are not properly attributable to the premises being open, then the evidence is not relevant and should be excluded. Guidance is that the licensing authority will primarily focus on the direct impact of the activities taking place at the licensed premises on members of the public, living, working or engaged in normal activity in the area concerned.
49. Members will be aware of the council's code of conduct which requires them to declare personal and prejudicial interests. The code applies to members when considering licensing applications. In addition, as a quasi-judicial body, members are required to avoid both actual bias, and the appearance of bias.
50. The sub-committee can only consider matters within the application that have been raised through representations from other persons and responsible authorities. Other persons must live in the vicinity of the premises. This will be decided on a case to case basis.
51. Under the Human Rights Act 1998, the sub-committee needs to consider the balance between the rights of the applicant and those making representations to the

application when making their decision. The sub-committee has a duty under section 17 Crime and Disorder Act 1998 when making its decision to do all it can to prevent crime and disorder in the borough.

52. Other persons, responsible authorities and the applicant have the right to appeal the decision of the sub-committee to the magistrates' court within a period of 21 days beginning with the day on which the applicant was notified by the licensing authority of the decision to be appealed against.

Guidance

53. Members are required to have regard to the Home Office guidance in carrying out the functions of licensing authority. However, guidance does not cover every possible situation, so long as the guidance has been properly and carefully understood, members may depart from it if they have reason to do so. Full reasons must be given if this is the case.

Strategic Director of Finance and Governance

54. The head of regulatory services has confirmed that the costs of this process over and above the application fee are borne by the service.
