

Item No.	Classification: Open	Date: 20 February 2017	Decision taker: Cabinet Member for Children and Schools
Report title:		Southwark Coordinated Admission Schemes for Primary, Junior and Secondary Admissions 2018	
Ward(s) or groups affected:		All	
From:		Strategic Director of Children's and Adults Services	

RECOMMENDATION

1. That the cabinet member agrees the primary (reception), junior and secondary (Year 7) coordinated admission schemes for 2018 admissions attached as appendix 1, appendix 2 and appendix 3 of this report.

BACKGROUND

2. The coordination of admission arrangements must adhere to the requirements of the School Standards and Framework Act 1998, The School Admissions (Admission Arrangements and Co-ordination of Admission Arrangements) (England) Regulations 2012 (as amended) and the School Admissions Code 2014. These arrangements apply to admission authorities of all maintained schools and non-maintained state funded schools.
3. At the cabinet meeting on 19 March 2013, the Leader of the Council delegated authority to the cabinet member for children's services to agree the secondary and primary admissions schemes for 2015 admissions and onwards where there were no changes made from the previous year. These reports are being presented to the cabinet member for Children and Schools this year as there are no proposed changes made to the coordinated admission schemes for 2018.
4. The council is the admissions authority for Southwark community primary schools only and also has a statutory responsibility for coordinating school admission applications on behalf of all Southwark residents applying for a place at a primary, junior or secondary maintained school/non maintained state funded school in England. This includes admissions at normal points of entry, e.g. to primary reception year including Year 3 transfer and secondary Year 7 including 14-19 University Technical College transfer. Arrangements for these coordinated admissions are negotiated and agreed across all 33 London local authorities to form a pan-London admissions scheme.
5. Coordination provides families with a single point of application to schools where up to six preferences may be made on a common application form. The council is also responsible for confirming a single school offer to each child on offer date, which, for the September 2018 intake, is 1 March for secondary and 16 April for reception and junior applications. The exception to this coordinated admissions process would be applications to any new free schools currently being

established for September 2018 which are not able to be included in the coordinated admissions process which will begin in September 2017. Currently, John Keats Primary School is the only new free school with confirmation of a proposal to open in Southwark in September 2018. John Keats Primary School alongside any other new free school which may open will be expected to operate a separate application process alongside the council's coordinated primary (reception) and secondary (Year 7) admission schemes. This will enable families to submit an expression of interest directly to the schools in addition to listing up to six preferences via Southwark's primary (reception) and secondary (Year 7) coordinated admission schemes. The council will then work collaboratively with the free school to coordinate the change of offers where families reject an offer received through the coordinated admissions scheme in favour of a place at the new free school. This method worked successfully for Galleywall Primary School and the Charter School East Dulwich which opened in September 2016.

6. Local authorities like all other admission authorities must determine their final admission arrangements and coordinated admission schemes (primary - reception, junior and secondary - year 7) by 28 February 2017 for September 2018 admissions, and notify the Secretary of State if a coordinated scheme has been secured also by this date.
7. There are no proposed changes to the council's coordinated admission schemes (primary - reception, junior and secondary - year 7) for September 2018.

KEY ISSUES FOR CONSIDERATION

Co-ordinated admissions schemes

8. The school admissions code 2014 sets out requirements for local authorities to provide a system to enable the efficient admission of pupils to schools at normal point of entry (reception, Year 3, Year 7 and 14-19 UTC transfer). A co-ordinated admissions scheme for 2017 admissions must be in place with details of how this will operate within each local authority.
9. Coordinated admissions schemes must enable parents in a home local authority to apply to any school in England. The coordinated admission schemes must set out how information will be received, processed and transferred between the local authority, the applicants, the schools and neighbouring boroughs for primary (reception), junior and secondary (Year 7). Any offer of a school place must be made by the home local authority.
10. Coordinated admission arrangements provide a fair and efficient school admissions process whilst almost entirely eliminating the risk of multiple offers being made to individual families.
11. Local authority officers across London developed the key principles, including a mix of mandatory and optional clauses for each for coordinated scheme to be considered and implemented by individual local authorities. Coordinated admission schemes for primary (reception), junior and secondary (Year 7) which meet the PAN London requirements are attached respectively as appendices 1, 2 and 3 of this report.
12. The current coordinated admission schemes for primary (reception), junior and secondary (Year 7) admissions have worked well and enabled successful management of school admissions. No changes have been made to these

arrangements other than dates throughout the documents to reflect the 2018 academic year and the inclusion of the online application process.

Community impact statement

13. The coordinated admissions process is designed to produce fair and equitable access to school places for all children. Allocation of places is delivered through the strict application of admissions and oversubscription criteria of each school through a central PAN London computer. All admission authorities are expected to implement clear admission arrangements that achieve equity and fair access for all pupils in line with the school admissions code 2014.
14. Additional support is made available to families who may need support in understanding the application process and selecting schools of their preference through the southwark information, advice and support team. This involves a significant amount of outreach support and drop in sessions throughout the year at schools and libraries, some for specific EAL communities with interpreters plus weekly drop in at a Southwark one stop shop. Support is also made available on a one to one basis on request and through referrals from schools and other agencies.
15. Southwark residents have also been supported directly by school admission officers during the application stage of the admissions process. 'Apply online' sessions were held at participating schools/nurseries across Southwark during the autumn term, aimed at families requiring additional one to one support. For families without access to a computer or internet at home, Southwark libraries and one stop shops also offered free internet usage with admissions staff on hand to help. The online application system enables a streamlined service to be delivered so officers are able to provide high quality direct assistance to families and advise on the admissions process in person, thus improving the service as a whole and in particular for those families who may have difficulty navigating the admissions system.

Finance implications CAS17/005

16. All costs associated with the admissions process are chargeable to the Schools Budget and are therefore met from the Dedicated Schools Grant (DSG). There are no direct financial implications for the council's revenue budgets.

SUPPLEMENTARY ADVICE FROM OTHER OFFICERS

Director of Law and Democracy

17. The cabinet member is advised that they are enabled to agree the recommendation by virtue of the delegation by the Leader of the Council agreed at the cabinet meeting dated 19 March 2013.
18. The cabinet member is advised that the legal framework surrounding the admissions schemes is set out in the School Standards and Framework Act 1998, the School Admissions (Admission Arrangements and Co-ordination of Admission Arrangements) (England) Regulations 2012 (as amended) and the School Admissions Code 2014.
19. The cabinet member is reminded of the public sector equality duty under section 149 Equality Act 2010 when making this decision. This requires that, when

exercising any of the council's functions, due regard be given to the need to need to eliminate discrimination, advance equality of opportunity, and foster good relations between people with protected characteristics and those with none. In particular cabinet will note the adjustments in place to enable full access to support and information for all communities in Southwark, outlined in the community impact statement.

Strategic Director of Finance and Governance

20. This report seeks approval from the cabinet member for Children and Schools to the Primary (Reception), Junior and Secondary (Year 7) coordinated admission schemes for 2018 admissions attached as appendix 1, appendix 2 and appendix 3 of this report. Paragraph 16 confirms that the costs associated with the admissions process are met from the Dedicated Schools Grant, and that there is no direct financial implication on the council's revenue budgets.
