	<p>The CLF Art Cafe night club situated ki the Bussey Building causes a public nuisance. The nuisance is due to the constant noise pollution which is caused by drunken very noisy punters . This nuisance to us is elevated by the fact that this night club has a licence till 6am in the morning , both Saturday and Sunday mornings including bank holiday Monday mornings at times when applicable .</p> <p>This I feel is not only a nuisance as listed above but I feel it impinges on mine and my family Human Rights . Article 8 Respect for my home , article 8 states " right not to have one's home life interfered with . And the right to respect for one's established family life .</p> <p>I strongy feel that the ongoing noise pollution from this building going on till 6am in the morning is excesssive and cruel . I want the opening times reviewed please . We ned some respite and need to have our windows and patio doors open as and when required. We have just suffered a summer of hell , not being able to have my bedroom window open or patio even she it was very hot . The noise from music and punteres screaming and shouting in a narrow pathway right next door to my bedroom goes on till 6-7am .</p>

Please provide as much information as possible to support the application (please read guidance note 3)

	<p>I have suffered gong on nearly three years now with this situation. I cannot beleive that a council has allowed this to go on. I have tried everything, noise pollution team visiting my address. Constant calls to on call noise pollution services. Liaising with the council noise pollution, environmental teams constantly. Contacting Mr Mickey Smith directly to discuss without success. It is like living in purgatory with no let up. The night club is situated right next door to a built up housing complex I can visibly see the night club from my bedroom window. I want the license hours reviewed I feel that the license opening hours are excessive. Noise pollution team came out to review the noise pollution issues and found that they were in breach of the license from this view point and it took months for The Art Cafe to apply some sound proofing, which does not filter out any noise. The noise pollution is still as bad.</p>
