Application to vary a premises licence

I write with regards to the above application to vary the premises licence submitted by Sefatullah Rozikhel under the Licensing Act 2003, which seeks to extend the following licensable activities:

- To extend Late Night refreshment (indoors) on Monday to Saturday from 00:30 to 05:00 and on Sunday from 00:00 to 05:00
- To extend the supply of alcohol (on and off the premises) on Monday to Saturday from 00:00 to 03:00 the following day and on Sunday from 23:30 to 03:00 the following day.
- Overall opening times shall be extended on Monday to Saturday from 00:00 to 05:00 and On Sunday from 23:30 to 05:00 the following day

This premises is situated in Camberwell District Town Centre Area and also falls within the Camberwell CIP Area. The CIP does not apply to restaurants.

My representation is submitted under the prevention of crime and disorder and public nuisance licensing objectives and under the Southwark Statement of Licensing policy 2016 – 2020 the appropriate closing times recommended for restaurants and cafes in this area are Sunday to Thursday 00:00 hours and for Friday and Saturday 01:00 hours.

The applicant has not offered any further controls measures within the operating schedule to address the impact that the later operation of the premises will have on the four licensing objectives. The current licence is lacking in controls measures other than the mandatory conditions.

I therefore submit this representation with regards to crime and disorder and public nuisance as the later operation of the premises and of people leaving the premises later a night would impact upon local residents living nearby and in the surrounding streets. The management would have no control of patrons that have left the premises if it were allowed to open later and the possible impact of any rowdy and anti-social behaviour or crime and disorder.

Due to the limited information provided on the application form and to help address my concerns I ask the applicant to provide the following:

- An accommodation limit to the premises.
- A written dispersal policy for the premises.

To consider amending the closing times to be brought in line with what is considered appropriate for the area and type of premises as described within the licensing policy and for the sales of alcohol to cease at least half an hour before the closing times.

I would also ask the applicant to consider adding the following condition to the operating schedule:

- Alcohol shall be supplied only to those taking a table meal at the premises.

I therefore submit this representation and welcome any discussion with the applicant to consider the above representation.

Once all of the information is received I may suggest further conditions/control measures to promote the licensing objectives.

**Re: 22 Camberwell Church Street, London SE5 8QU**

On behalf of the Acting Director of Public Health for Southwark (a responsible authority under the Licensing Act 2003) I wish to make representation in respect of the above.

The representation is made in respect of the following licensing objective(s):

- The prevention of crime and disorder
- Prevention of public nuisance
- Public safety

### **General Comments**

Public Health are in receipt of an application from the above for a minor variation to the premises licence to be granted under the licensing act 2003 for the following hours:

Supply of alcohol on/off the premises until 03:00 daily.

This premises falls within Camberwell CIP area and In my opinion, the applicant has not adequately rebutted the presumption that this extension to the hours of alcohol sales both on and off the premises will add to the cumulative impact of alcohol related harms in the local area.

Additionally, Southwark's statement of licensing policy recommends a closing time of 00:00 hours Sunday to Thursday and 01:00 on Fridays and Saturdays for restaurants and cafes in this location.

### **Recommendations**

- I recommend this application is rejected
