Item No.	Classification: Open	<b>Date:</b> 10 March 2017	Decision Maker: Cabinet Member for Finance, Modernisation and Performance	
Report title:		Authorisation of debt write-offs between £5,000 and £50,000 for Chief Executives Department, Commercial Rents		
Ward(s) or groups affected:		All		
From:		Director of Regeneration		

## **RECOMMENDATIONS**

- 1. That approval is given for the write off of £73,407.27 for 6 debts.
- 2. That the cabinet member advises any further action they require on any writeoffs not agreed within this report.

### **BACKGROUND INFORMATION**

- 3. Under the council's constitution write-off of debts of £5,000 up to £50,000 has been delegated to individual members within their own service area. Debt write-off under £5,000 can be authorised by chief officers. Write-off of any debt of £50,000 or over must be referred to cabinet for authorisation.
- 4. There are a number of key reasons why the council may wish to write-off a debt. These are :
  - The debt is uneconomic to collect i.e. the cost of collection, including substantiation, is greater than the value of the debt.
  - The debt is time barred, where the statute of limitation applies. Generally this
    means that if a period of six years has elapsed since the debt was last
    demanded, the debt cannot be enforced by legal action.
  - There has been a negotiated settlement as part of a complaint or dispute resolution which leaves a residual amount to be written off.
  - The debtor cannot be found or communicated with despite all reasonable attempts to trace the debtor.
  - The debtor is deceased and there is no likely settlement from the estate or next of kin.
  - Insolvency where the organisation or person has gone into bankruptcy and there are no assets to claim against and no likelihood of settlement.

#### **KEY ISSUES FOR CONSIDERATION**

## **Policy implications**

5. The proposed write-offs set out in this report is recommended in accordance with the Council's agreed write-off policies and procedures in accordance with the list in paragraph 4 above.

## **Community impact statement**

6. All write-offs are considered with due regard to any potential community impact and on their own merits. This decision has been judged to have no or a very small impact on local people and communities.

## **Resource implications**

7. The cost of writing-off the commercial rent debts will be contained within the bad debt provisions held within the HRA.

### SUPPLEMENTARY ADVICE FROM OTHER OFFICERS

## **Director of Law and Democracy**

- 8. This report recommends that the debts, be written off in accordance with the council's procedure on debt write off.
- 9. The report has set out circumstances whereby debts can lawfully be written off by the council and these include circumstances when a debtor has gone bankrupt, the debt is time barred, where the debtor is deceased or gone away or where the debt is uneconomic to collect i.e. the cost of collection, including substantiation, is greater than the value of the debt. In such circumstances to pursue the debt would be very difficult and costly exercise with little or no chances of success.
- 10. The approval of debt write-offs for sums of £5,000 up to £50,000 is delegated to individual members within their own service area. This particular debt has arisen as a result of non payment of commercial rents.
- 11. The Director of Law and Democracy considers these write-offs to be in accordance with the council's procedures and lawful.
