M Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e) (please read guidance note 9)

This is a new licence application to replace the existing because of the increase in size.

This application is submitted largely for the same hours as existing but on Thursday with a terminal hour of 23:00 rather than 00:00; the start time for alcohol is 10:00 rather than 11:00.

There is no entertainment applied for.

Fullers will operate a public house of high quality with its own award winning beers, fine wines and good quality, mainly British, food.

It is aware that the premises has had issues in the past in relation to the outside area and that it is in the cumulative impact area and that the licensing policy refers to hours of operation.

The application is submitted in line with those hours and Fullers submit that the application is an exemption to the policy because, although bigger, it is a replacement licence and because of the change in style of operation and investment, in terms of impact it will have less on the surrounding area than the previous operation.

This is also applicable to the control of the outside area where conditions are offered to address this, together with a firm commitment to strong management, and the roof terrace will provide an alternative outside space.

Fullers are an experienced and respected operator of managed houses and are confident that this will be a substantial improvement to the existing White Hart and will benefit the surrounding area.

b) The prevention of crime and disorder

1. A CCTV system will be installed at the premises and maintained in good working order to the satisfaction of the Metropolitan Police and will record continuously whenever the premises is in use for licensable activities. The CCTV recordings will be kept for a period of 28 days and subject to the requirements of the Data Protection Act will be made available to officers of the Metropolitan Police or Southwark Borough Council.

c) Public safety

1. We understand our obligations under existing legislation, and take our responsibility seriously. No further measures are considered appropriate

d) The prevention of public nuisance

1. The outside area, on the ground floor is not to be used by customers eating and drinking after 10:30pm on any day.
2. Customers in the outside area, on the ground floor will be encouraged to leave that area from 10pm on every day.
3. Notices will be displayed in the outside area reminding customers of the proximity of local residents and requesting customers respect this.
4. Notices will be displayed at exits requiring that customers respect local residents and leave the premises as quietly as possible.

e) The protection of children from harm

1. The premises will adopt a "Challenge 21" policy and any person wishing to purchase alcohol who appears to be under 21 shall be asked to produce an acceptable form of identification (photographic driving licence, international passport, a PASS hologrammed/ultraviolet feature card, Military ID card).
2. Staff will be trained in relation to their responsibilities under the Licensing Act 2003, the conditions on the Premises Licence and underage sales. All training will be documented and records will be kept for 12 months. Refresher training will take place every six months.
