Subject: White Hart, 20-22 Great Suffolk Street - Application for a new Premises Licence

Dear Dorcas

As you know, I act for Fuller's in relation to the new licensing application for the White Hart.

I write to confirm that Fuller's wish to amend the application by removing the roof terrace on the second floor.

As you know, the related planning application has been adjourned until a date towards the end of April and therefore there will not be planning in place for the roof terrace by 12th April 2017.

It would not therefore be appropriate to ask the licensing committee to consider the roof terrace before planning permission has been granted.

I will send you an amended drawing but that will simply remove the second floor from it leaving consideration of the ground floor and first floor only.

Yours sincerely
