

NOTIFICATION OF KEY DECISION TO BE TAKEN

GENERAL EXCEPTION NOTICE

DETAILS OF DECISION	
Title of Report	Camberwell Town Centre and Pocket Places improvements
Description/Nature of matter requiring Key Decision	<p>To approve the implementation of the four Camberwell Pocket Places (Wren Road, Selborne Road, Artichoke Place, and Grove Lane) subject to the necessary statutory procedures.</p> <p>To approve the implementation of the Camberwell Town Centre improvements on Denmark Hill, Orpheus Street, and Daneville Road subject to necessary statutory procedures.</p>
Decision taker	Cabinet Member for Environment and the Public Realm
Date by which Key Decision must be taken	June 2017
Reason why it was impracticable for decision to be on the Forward Plan	The report was listed as non-key and as such did not appear on the forward plans for May or June 2017. Further delays in the confirmation of available project budgets from Transport for London also led to delays in internal clearances of the report.
Reason why the decision cannot wait for inclusion in the next Forward Plan	The next forward plan relates to decisions to be taken from July 2017 onwards. Elements of the scheme relate to known road safety issues and commitments made to the Coroner regarding these. A decision in June 2017 is required to ensure the planned construction programme for these commitments can be maintained.
