
RECOMMENDATION

This document shows the case officer's recommended decision for the application referred to below.
This document is not a decision notice for this application.

Applicant	Mr Jason King Dulwich and Sydenham Hill Golf Club	Reg. Number	17/AP/1149
Application Type	Full Planning Application	Case Number	TP/2568-D
Recommendation	Grant permission		

Draft of Decision Notice

Planning Permission was GRANTED for the following development:

Construction of a single storey timber outbuilding to be used as a 'halfway house'

At: DULWICH AND SYDENHAM HILL GOLF CLUB, GRANGE LANE LONDON SE21 7LH

In accordance with application received on 22/03/2017 08:02:10

and Applicant's Drawing Nos. Site location plan; Block plan; Design and Access Statement; Proposed Design and Layout Plan

Subject to the following four conditions:

Time limit for implementing this permission and the approved plans

- 1 The development hereby permitted shall not be carried out otherwise than in accordance with the following approved plans: Proposed Design and Layout Plan

Reason:
For the avoidance of doubt and in the interests of proper planning.
- 2 The development hereby permitted shall be begun before the end of three years from the date of this permission.

Reason
As required by Section 91 of the Town and Country Planning Act 1990 as amended.

Pre-commencement condition(s) - the details required to be submitted for approval by the condition(s) listed below must be submitted to and approved by the council before any work in connection with implementing this permission is commenced.

- 3 Prior to works commencing, including any demolition, an Arboricultural Impacts Assessment including an Arboricultural Survey shall be submitted to and approved in writing by the Local Planning Authority.
 - a) A pre-commencement meeting shall be arranged, the details of which shall be notified to the Local Planning Authority for agreement in writing prior to the meeting and prior to works commencing on site, including any demolition, changes to ground levels, pruning or tree removal.
 - b) A detailed Arboricultural Method Statement showing the means by which any retained trees on or directly adjacent to the site are to be protected from damage by demolition works, excavation, vehicles, stored or stacked building supplies, waste or other materials, and building plant, scaffolding or other equipment, shall then be submitted to and approved in writing by the Local Planning Authority. The method statements shall include details of facilitative pruning specifications and a supervision schedule overseen by an accredited arboricultural consultant.
 - c) Cross sections shall be provided to show surface and other changes to levels, special engineering or construction details and any proposed activity within root protection areas required in order to facilitate demolition, construction and excavation.

The existing trees on or adjoining the site which are to be retained shall be protected and both the site and trees managed in accordance with the recommendations contained in the method statement. Following the pre-commencement meeting all tree protection measures shall be installed, carried out and retained throughout the period of the works, unless otherwise agreed in writing by the Local Planning Authority. In any case, all works must adhere to BS5837: (2012) Trees in relation to demolition, design and construction and BS3998: (2010) Tree work - recommendations.

If within the expiration of 5 years from the date of the occupation of the building for its permitted use any retained tree is removed, uprooted is destroyed or dies, another tree shall be planted at the same place and that tree shall be of such size and species, and shall be planted at such time, as may be specified in writing by the Local Planning Authority.

Reason

To avoid damage to the existing trees which represent an important visual amenity in the area, in accordance with The National Planning Policy Framework 2012 Parts 7, 8, 11 & 12 and policies of The Core Strategy 2011: SP11 Open spaces and wildlife; SP12 Design and conservation; SP13 High environmental standards, and Saved Policies of The Southwark Plan 2007: Policy 3.2 Protection of amenity; Policy 3.12 Quality in Design; Policy 3.13 Urban Design and Policy 3.28 Biodiversity.

Compliance condition(s) - the following condition(s) impose restrictions and/or other requirements that must be complied with at all times once the permission has been implemented.

- 4 The materials to be used in the implementation of this permission shall not be otherwise than as described and specified in the application and on the drawings hereby approved unless the prior written consent of the local planning authority has been obtained for any proposed change or variation.

Reason

To ensure that the new works blend in with the existing building in the interest of the design and appearance of the building in accordance with The National Planning Policy Framework 2012, Strategic Policy 12 - Design and Conservation of The Core Strategy 2011 and Saved Policies 3.12 Quality in Design and 3.13 Urban Design of the Southwark Plan 2007

Statement of positive and proactive action in dealing with the application

To assist applicants the Local Planning Authority has produced policies, provided written guidance, all of which is available on the Council's website and which has been followed in this instance.
