Note 1

A temporary event notice may only be given by an individual and not, for example, by an organisation or club or business. The individual giving the notice is the proposed “premises user”. Within businesses, clubs or organisations, one individual will therefore need to be identified as the proposed premises user. If you include an e-mail address in section 1(7) or 1(9), the licensing authority may send to this the acknowledgement of receipt of your notice or any notice or counter notice it is required to give under sections 104A, 106A or 107 of the Licensing Act 2003.

Note 2

For the purposes of the Licensing Act 2003, “premises” means any place. Premises will therefore not always be a building with a formal address and postcode. Premises can include, for example, public parks, recreation grounds and private land.

If a premises licence or club premises certificate has effect in relation to the premises (or any part of the premises) which you want to use to carry on licensable activities, it is possible that any conditions which apply to the licence or certificate may be imposed on the temporary event notice if certain pre-conditions are met. These pre-conditions are that the police or the local authority exercising environmental health functions object to the notice and the licensing authority decides:

- not to give a counter notice under section 105 of the Licensing Act 2003;
- the conditions apply to the licence or certificate; and
- the imposition of the conditions on the notice would not be inconsistent with the carrying on of the licensable activities under the notice.

Note 3

A temporary event notice can be given for part of a building, such as a single room or a plot within a larger area of land. You should provide a clear description of the area in which you propose to carry on licensable activities. This is important as any licensable activities conducted outside the area of the premises protected by the authority of this temporary event notice would be unlawful and could lead to prosecution. In addition, when holding the proposed event, the premises user would need to be able to restrict the number of people on the premises at any one time when licensable activities are taking place to less than 500.

If more than 499 are on the premises when licensable activities are being carried on, the licensable activities would be unlawful and the premises user would be liable to prosecution. The maximum figure of 499 includes, for example, staff, organisers, stewards and performers.

Note 4

A description of the nature of the premises assists the chief officer of police and local authority exercising environmental health functions in deciding if any issues relating to the licensing objectives are likely to arise. You should state clearly that the premises to be used are, for example, a public house, a restaurant, an open field, a village hall or a beer tent.

Note 5

A description of the nature of the event similarly assists the chief officer of police and local authority exercising environmental health functions in making a decision as to whether or not to make an objection. You should state clearly that the event taking place at the premises would be, for example, a wedding with a pay bar, the supply of beer at a particular farmers’ market, a discotheque, the performance of a string quartet, a folk group or a rock band.

Please state the licensable activities that you intend to carry on at the premises (please check next to the licensable activities you intend to carry on). (Please read note 6)

	The provision of regulated entertainment
--	--

Please state the dates on which you intend to intend to use these premises for licensable activities. (Please read note 8)

	SUNDAY 18TH JUNE 2017
--	-----------------------

Please state the times during the event period that you propose to carry on licensable activities (please give times in 24 hour clock). (Please read note 9)

	12.00 - 21.00
--	---------------

Please state the maximum number of people at any one time that you intend to allow to be present at the premises during the times when you intend to carry on licensable activities, including any staff, organisers or performers. (Please read note 10)

	499
--	-----

If the licensable activities will include the supply of alcohol, please state whether the supplies will be for consumption on or off the premises, or both (please check next to the appropriate box). (Please read note 11)

--	--

Note 6

The licensable activities are:

- the sale by retail of alcohol;
- the supply of alcohol by or on behalf of a club to, or to the order of, a member of a club;
- the provision of regulated entertainment; and
- the provision of late night refreshment.

Please refer to Schedules 1 and 2 to the Licensing Act 2003 for fuller details of the definitions and exemptions relating to regulated entertainment and late night refreshment.

Regulated entertainment, subject to specified conditions and exemptions, includes:

- (a) a performance of a play;
- (b) an exhibition of a film;
- (c) an indoor sporting event;
- (d) a boxing or wrestling entertainment;
- (e) a performance of live music;
- (f) any playing of recorded music;
- (g) a performance of dance;
- (h) entertainment of a similar description to that falling within (e), (f) or (g).

Regulated entertainment also includes the provision of "entertainment facilities" for:

- (a) making music;
- (b) dancing; and
- (c) entertainment of a similar description to that falling within (a) or (b).

If you are uncertain whether or not the activities that you propose are licensable, you should contact your licensing authority for further advice.

Note 7 (not including the date that the form is submitted and the date of the Event )

Late notices can be given no later than 5 working days but no earlier than 9 working days before the event in relation to which the notice is given. A late notice given later than 5 working days before the event to which it relates will be returned as void and the activities described in it will not be authorised.

The number of late notices that can be given in any one calendar year is limited to 5 for personal licence holders and 2 for non-personal licence holders. These count towards the total number of temporary event notices (i.e. 50 temporary event notices per year for personal licence holders and 5 temporary event notices for non-personal licence holders).

If there is an objection from either the police or local authority exercising environmental health functions, the event will not go ahead and a counter notice will be issued.

Note 8

The maximum period for using premises for licensable activities under the authority of a temporary event notice is 168 hours (seven days).

Note 9

You should state here the times during the event period, for example 48 hours, when you intend to carry on licensable activities. For example, you may not intend to carry on licensable activities throughout the entire 48 hour event period, and may intend to sell alcohol between 8.00 hrs and 23.00 hrs on each of the two days.

Note 10

No more than 499 may be on the premises for a temporary event at any one time when licensable activities are being carried on. If you intend to have more than 499 attending the event, you should obtain a premises licence for the event. Your licensing authority should be able to advise you. The maximum figure of 499 does not just include the audience, spectators or consumers and includes, for example, staff, organisers, stewards and performers who will be present on the premises.

Note 11

If you indicate that alcohol will be supplied only for consumption on the premises, you would be required to ensure that no person leaves the premises with alcohol supplied there.

If such a supply takes place, the premises user may be liable to prosecution for carrying on an unauthorised licensable activity. Similarly, if the premises user gives notice that only supplies of alcohol for consumption off the premises will take place, he/she must ensure that alcohol supplied is not consumed on the premises. The premises user is free to give notice that he/she intends to carry on both types of supplies. For this purpose the supply of alcohol includes both of the first two licensable activities listed in note 6 above.

Do you currently hold a valid personal licence?

	No
--	----

If "Yes" please provide the details of your personal licence below.

Issuing licensing authority	
Licence number	
Date of issue	
Date of expiry	
Any further relevant details	

Note 12

The holder of a valid personal licence issued under the Licensing Act 2003 may give up to 50 temporary event notices in any calendar year subject to the other limitations in the 2003 Act. A proposed premises user who holds such a licence should give the details requested.

Have you previously given a temporary event notice in respect of any premises for events falling in the same calendar year as the event for which you are now giving this temporary event notice?

	No
--	----

If answering yes, please state the number of temporary event notices you have given for events in that same calendar year

--	--

Have you already given a temporary event notice for the same premises in which the event period:

a) ends 24 hours or less before; or	No
b) begins 24 hours or less after	No

Note 13

As stated under Note 12, a personal licence holder (issued under the Licensing Act 2003) may give up to 50 temporary event notices (including 5 late notices) in any calendar year. An individual who does not hold a personal licence may only give 5 temporary event notices (including 2 late notices) in England and Wales in any calendar year. A calendar year is the period between 1 January to 31 December inclusive in any year. If an event straddles two calendar years, it will count against the limits on temporary event notices (12 for each premises, 21 days for each premises, 50 per personal licence holder and 5 for non-holders) for each year, however, only one notice needs to be given.

For the purposes of determining the overall limits of 50 temporary event notices per personal licence holder (in a calendar year) and of 5 for a non-personal licence holder (in a calendar year), temporary event notices given by an associate or a person who is in business with a premises user (and that business involves carrying on licensable activities) count towards those totals. Note 14 below sets out the definition of an "associate".

If a temporary event notice has been given for the same premises, by the same premises user, and would have effect within 24 hours before the start of the event period under the current proposal or within 24 hours after the end of that period, the temporary event notice given would be void and any licensable activities carried on under it would therefore be unlicensed.

For the purposes of determining whether or not the required gap of 24 hours is upheld, temporary event notices given by an associate or a person who is in business with a premises user (and that business involves carrying on licensable activities) count as if they had been given by the premises user himself. Note 14 below sets out the definition of an "associate".

Has any associate of yours given a temporary event notice for an event in the same calendar year as the event for which you are now giving a temporary event notice?

	No
--	----

If answering yes, please state the total number of temporary event notices your associate(s) have given for events in the same calendar year

--	--

Has any associate of yours already given a temporary event notice for the same premises in which the event period:

a) ends 24 hours or less before; or	No
b) begins 24 hours or less after	No

Has any person with whom you are in business carrying on licensable activities given a temporary event notice for an event in the same calendar year as the event for which you are now giving a temporary event notice?

	No
--	----

If answering yes, please state the total number of temporary event notices your business colleague(s) have given for events in the same calendar year.

--	--

Has any person with whom you are in business carrying on licensable activities already given a temporary event notice for the same premises in which the event period:

a) ends 24 hours or less before; or	No
b) begins 24 hours or less after	No

Note 14

An "associate" of the proposed premises user is:

- a. the spouse of that person;
- b. a child, parent, grandchild, grandparent, brother or sister of that person;
- c. an agent or employee of that person; or
- d. the spouse of a person within (b) or (c).

For these purposes, a person living with another as that person's husband or wife is to be treated as that person's spouse.

These provisions will be subject to amendment by the Civil Partnerships Act. These amendments are due to take effect from 5th December 2005.

I shall

	If the premises are situated in one or more licensing authority areas, send at least one copy  of this notice to each additional licensing authority If the premises are situated in one or more police areas, send a copy of this notice  to each additional chief officer of police If the premises are situated in one or more local authority areas, send a copy of this notice to each additional  local authority exercising environmental health functions
--	--

Note 15

It is a requirement that you send at least one copy of this notice to the licensing authority at least ten working days (not including the date that the form is submitted and the date of the Event ) (or five working days for a late notice) (not including the date that the form is submitted and the date of the Event )before the commencement of the proposed licensable activities.

The authority will give you written acknowledgement of the receipt of the notice. This will be important proof that you gave the notice and when you gave it for the purposes of the Act. Some premises may be situated in two licensing authority areas, for example, where a building or field straddles the local authority boundary.

Where this is the case, at least one copy of the notice must be sent to each of the licensing authorities identified, together with the appropriate fee in each case. In such circumstances, you will receive acknowledgements from all the relevant licensing authorities.

One copy must be sent to each of the chief officer of police and the local authority exercising environmental health functions for the area in which the premises is situated at least ten working days for a standard notice (or five working days for a late notice) before the commencement of the proposed licensable activities. Where the premises are situated in two police areas or environmental health areas, a further copy will need to be sent to the second police force and local authority exercising environmental health functions.

BOST have employed one security team for the overall event, Corporate Security Solutions (CSS), headed by Darryl O'Leary. The security plan below shows how they will deploy their security guards and monitor the area. In Flat Iron Square zone G where there is a live music stage, CCS have created crowd management and safety strategies which all BOST staff/stewards will also follow. Medical cover is provided by the UK specialist ambulance service will be positioned on O'Meara Street.

#### Other areas to cover:

**1 x Security Manager**

We may be able to utilise some of the security from other areas but these areas will need a security presence at all times and increased while acts are on the main stage

**2 x Security Boxing Ring + 2 x Stewards (BOST)**

**2 x Security Main Stage + 2 x Stewards (BOST)**

**8 x Security Roaming 2 in each of the areas**

**5 x Security Permanent on Road Closures**

**TOTAL SIA LICENSED SECURITY = 18 MINIMUM**

#### Timings:

**Security Manager (1) 08:00-21:30 = 13.5 hours**

**All Road Closure points (4) from the start of the day to the end 08:30-22:00 13.5 hours x 4 = 54 hours**

**All Roaming, Stage and Boxing Ring points (12) from 30mins before the start to 30mins after the finish 11:30-21:30 10 hours x 12 = 120 hours**

**SECURITY PLAN FOR GREAT GET TOGETHER-  
FLAT IRON SQUARE-ZONE G- MAIN MUSIC STAGE AREA**

2 x SIA on the road closure point + 2 x BOST Stewards - The stewards will engage with visitors explaining in detail what the event is, SIA will deal with any escalation of complaints regarding road closures which will include trying to explain the legal procedure and process in closing a road.

2 x SIA roaming throughout the west zone + 1 x BOST Steward – The steward and sia will continue to give local and event information. SIA will be monitoring overcrowding and directing crowds to create a safer spaces, SIA will also interact with any individuals or groups of people who may be considered as being anti-social.

2 x SIA Main stage = 2 BOST Stewards – Making sure the stage is kept clear from general public and only authorised people are allowed to access it.

*2. Details of how the number of patrons and staff will not exceed 499 at any one time, particularly in area G.*

Crowd control barriers will be used on Union Street around the main stage limiting the amount of walkway to get past the stage, with the limited walkway space and the importance of keeping the walkway at all times clear SIA will ask visitors to move away from the area if the number of persons exceeds 499

*3. Details of how persons congregating outside area G to listen/watch the bands in area G will be dealt with to prevent public safety issues from congestion in the street and prevent the audience rising above 499.*

**By having a clearly marked standing/viewing area with the use of crowd control barriers and safely decreasing the amount of walkway to pass along Union Street on the outside of the stage viewing area, will make it easier for the SIA to disperse people stopping in the walkway and keeping the total number of spectators around 499.**
