Subject: FW: TENS for Beer festival, Copeland Park Industrial Park.

Dear Licensing (Legal and other EPT Officers BCC'd)

I would like to object to three TENS, all served by [REDACTED] for a Beer Festival planned to take place in Copeland Road Industrial Park, spread over the Bussey Roof D, Copeland Park car park, and Copeland Gallery, on the grounds that;

- these 3 TENS are submitted as a way to exceed the 499 capacity limit, which therefore undermines the Licensing Act and associated s.182 Guidance
- exceeding the 499 event capacity limit creates a risk that licensing objectives, specifically prevention of crime and disorder, public safety, and the prevention of public nuisance will not be upheld.

The TENS CMU reference numbers and details are;

856063 22/07/17 - 23/07/17 from 12:00 - 02:00 at Car Park Copeland Road (Supply of alcohol and regulated entertainment)

856066 21/07/2017-22/07/2017 12:00-23:00 at Bussey Roof D (Supply of alcohol only)

856051 21/07/2017 - 1200-2400, 22/07/2017 - 0000- 0200/1200-0200, 23/07/2017 - 0000-0200 at Copeland Gallery (Supply of alcohol and regulated entertainment)

I previously wrote to [REDACTED] (see forwarded email below) asking for the details of how the Beer Festival will operate, but I have not received a reply.

Kind regards

Paul Newman

Subject: TENS for Beer festival, Copeland Park Industrial Park.

Dear [REDACTED]

I am considering your Temporary Event Notices on behalf of the Environmental Health Responsible Authority for 3 areas of Copeland Park, for a beer festival. These areas are adjacent on the plan (although Roof B is vertically separated).

The two ground floor areas have also got regulated entertainment on the TEN.

There are concerns over the legality of authorising events for more than 499 people by using multiple TENs, especially where the TENs are on adjacent property. There are additional concerns where there may be more than 499 people in the same audience for regulated entertainment.

Following recent similar applications, Licensing Sub Committee has indicated that in line with the House of Lords select committee report, Environmental Health are expected to make a representation, so the matter can be considered in detail by a Licensing Sub Committee.

Before I make my representation, I would like to hear anything you have to say about these multiple TENs, and the detailed way the beer festival will operate.

I look forward to hearing from you

Kind regards

Paul Newman
