Dear Sir/Madam

Re: Premises Licence Application - City Cruises

I write with regard to the application for premises licence and enclose the Premises Licence and Licence Summary, where the application was for a transfer or variation of an existing premise licence this will be an amended licence to reflect the determination of the application and is not a new premises licence.

If you have other applications and/or appeals that are not yet determined these may not be reflected in this version of the premises licence until such time as they are fully determined.

Please check the details on the Licence carefully. The licensing authority is prepared to correct clerical errors for up to 28 days after the licence has been issued. Beyond that time, any change must be made as an application for a new licence or as a variation. This does not affect your statutory rights of appeal.

The Licence, or a certified* copy of the Licence, must be kept at the premises in the custody or control of the holder of the licence or a person who works at the premises and whom the holder of the licence has nominated in writing. The Licence Summary, or a certified* copy of the Licence Summary, and a notice specifying the position held by the nominated person must be prominently displayed at the premises.

Please note that other consents such as planning permission, permission to use the land from the owners (including public land) or lease agreements may be required before the activities specified within the licence can be carried out.

If you require any further information or assistance please contact us on the telephone number above.

Yours sincerely,

Kirty Read
Processing Manager

*The copy can be certified as a true copy by Southwark Council's Licensing Authority, a solicitor or notary or a person of prescribed description.
