 - The licensing authority's own statement of licensing policy
 - The application, including the operating schedule submitted as part of the application
 - Relevant representations.
7. 9. The premises licence application form provides the applicant operating schedule. Parts E, F, G, H, I, J, K, L, and M set out the proposed operating hours and operating controls in full, with reference to the four licensing objectives as stated in the Licensing Act 2003. Should a premises licence be issued in respect of the application the information provided in part M of the operating schedule will form the basis of conditions that will be attached to the licence. A copy of the application is attached to this report as Appendix A.

Designated premises supervisor

10. The proposed designated premises supervisor Oliver Challiner who has a personal licence issued by Hackney Council.

Representations from responsible authorities

11. Representations were submitted by the Metropolitan Police, environmental protection team (EPT), licensing (as a responsible authority) and public health.
12. The Metropolitan Police representation state The terminal hour applied for falls 30 minutes outside the planning permission granted and the Southwark council statement of licensing policy advise parity and proper integration between Licensing and planning hours and the applicant should have relevant planning consent prior to the application. They have also recommended a number of conditions to be included on the licence, to promote the crime and disorder licensing objective. Some of which may have been offered as part of the operating schedule but the wording is important to avoid ambiguity.
13. The EPT representation also state that the licence application seeks opening hours 30 minutes longer than the opening hours stipulated within condition 23 of planning permission 15/AP/3066. From a review of the planning application plans it appears as if the basement proposed for cinema use is in very close proximity to existing residents in Park Street. EPT request that the opening hours be amended and as a result the licensable activities should be brought back 30 mins also. The plan is also not very clear.it does not show where the site is in relation to the whole site and surrounding area and seeks more clarification.

14. The licensing representation state the premises sits in the Borough and Bankside cumulative impact policy area as defined in paragraph 129 of the Southwark statement of licensing policy, however if the predominant use of the premises classes the premises as a cinema or live music venue then the policy will not apply to this premises. To ensure that the premises remains within this classification and does not become predominantly a public bar or nightclub. They have requested additional information and also recommended conditions for consideration.
15. The public health representation have concerns regarding the hours of alcohol sales requested. Early-morning alcohol purchasers are more likely to be alcohol misusers and may thereby contribute to antisocial behaviour such as street drinking. Moreover, the applicant has requested off-sales of alcohol but has provided no justification for this request. They have also made recommended conditions if agreed to be added to the licence
16. Copies of the representations are attached as Appendix B.

Representation from other persons

17. There are no representation from other persons.

Conciliation

18. The representations received have been forwarded to the applicant and awaiting responses. The licensing sub committee will be updated on 15 September 2017.

The local area

19. A map of the area is attached to this report as Appendix C. The premises is identified by a triangle at the centre of the map. For purposes of scale-only the circle on the map has a 100 metre radius. The following licensed premises terminal hours are also shown on the map

Deregulation of entertainment

20. On 6 April 2015 entertainment became deregulated and as a result:
- Live unamplified music is deregulated between 08:00hrs – 23:00hrs on any premises.
 - Live amplified music is deregulated between 08.00 and 23.00 provided the audience does not exceed 500 people.
21. However, live music can become licensable in on-licensed premises if the licensing authority removes the effect of the deregulation following a licence review ('licence review mechanism').

Borough and Bankside cumulative impact zone

22. Council assembly approved the introduction of a special policy for Borough and Bankside on the cumulative impact of a concentration of licensed premises (saturation/cumulative impact policy) on 5 November 2008, and extended the area in April 2011. This application falls within the policy area.
23. The decision to introduce saturation policy was taken with regard to the committee's concern over rising trends of late night alcohol related violence against the person and late night disorder and rowdiness associated with late night licensed premises in the area.
24. The effect of this special policy is to create a presumption that applications for new premises licences or variations that are likely to add to the existing cumulative impact will normally be refused, following relevant representations, unless the applicant can demonstrate in their operating schedule that there will be no negative cumulative impact on one or more of the licensing objectives.
25. The applicant has been advised to address the committees concerns around cumulative impact at the meeting.

Southwark statement of licensing policy

26. Within Southwark's statement of licensing policy, the premises are identified as being within a residential area. Relevant closing times recommended in the statement of licensing policy for licensed premises in residential areas are as follows:
- Closing time for restaurants and cafes: Sunday to Thursday is 00:00 and for Friday and Saturday is 01:00
 - Closing time for public houses wine bars or other drinking establishments: Sunday to Thursday is 23:00 hours and for Friday and Saturday 00:00 hours.

27. Council assembly approved Southwark's statement of licensing policy 2016-20 on 25 November 2015. Sections of the statement that are considered to be of particular relevance to the sub-committee's consideration are:
- Section 3 - Purpose and scope of the policy. This reinforces the four licensing objectives and the fundamental principles upon which this Authority relies in determining licence applications
 - Section 5 – Determining applications for premises licences and club premises certificates. This explains how the policy works and considers issues such as location; high standards of management; and the principles behind condition setting.
 - Section 6 – Local cumulative impact policies. This sets out this authority's approach to cumulative impact and defines the boundaries of the current special policy areas and the classifications of premises to which they apply. To be read in conjunction with Appendix B to the policy
 - Section 7 – Hours of operation. This provides a guide to the hours of licensed operation that this authority might consider appropriate by type of premises and (planning) area classification.
 - Section 8 – The prevention of crime and disorder. This provides general guidance on the promotion of the first licensing objective.
 - Section 9 – Public safety. This provides general guidance on the promotion of the second licensing objective
 - Section 10 – The prevention of nuisance. This provides general guidance on the promotion of the third licensing objective
 - Section 11 – The protection of children from harm. This provides general guidance on the promotion of the fourth licensing objective.
28. The purpose of Southwark's statement of licensing policy is to make clear to applicants what considerations will be taken into account when determining applications and should act as a guide to the sub-committee when considering the applications. However, the sub-committee must always consider each application on its own merits and allow exceptions to the normal policy where these are justified by the circumstances of the application.

Resource implications

29. A fee of £315 has been paid by the applicant company in respect of this application being the statutory fee payable for premises within non-domestic rateable value band C.

Consultation

30. Consultation has been carried out on this application in accordance with the provisions of the Licensing Act 2003. A public notice was published in a local newspaper and a similar notice exhibited outside of the premises for a period of 28 consecutive days.

Community impact statement

31. Each application is required by law to be considered upon its own individual merits with all relevant matters taken into account.

SUPPLEMENTARY ADVICE FROM OTHER OFFICERS

Director of Law and Democracy

32. The sub-committee is asked to determine the application for a premises licence under section 17 of the Licensing Act 2003.
33. The principles which sub-committee members must apply are set out below.

Principles for making the determination

34. The general principle is that applications for premises licence applications must be granted unless relevant representations are received. This is subject to the proviso that the applicant has complied with regulations in advertising and submitting the application.
35. Relevant representations are those which:
 - Are about the likely effect of the granting of the application on the promotion of the licensing objectives
 - Are made by an interested party or responsible authority
 - Have not been withdrawn
 - Are not, in the opinion of the relevant licensing authority, frivolous or vexatious
36. If relevant representations are received then the sub-committee must have regard to them, in determining whether it is necessary for the promotion of the licensing objectives to:
 - To grant the licence subject to:
 - The conditions mentioned in section 18 (2)(a) modified to such extent as the licensing authority considers necessary for the promotion of the licensing objectives
 - Any condition which must under section 19, 20 or 21 be included in the licence
 - To exclude from the scope of the licence any of the licensable activities to which the application relates
 - To refuse to specify a person in the licence as the premises supervisor
 - To reject the application.

Conditions

37. The sub-committee's discretion is thus limited. It can only modify the conditions put forward by the applicant, or refuse the application, if it is necessary to do so. Conditions must be necessary and proportionate for the promotion of one of the four licensing objectives, and not for any other reason. Conditions must also be within the control of the licensee, and should be worded in a way which is clear, certain, consistent and enforceable.

38. The four licensing objectives are:
- The prevention of crime and disorder
 - Public safety
 - The prevention of nuisance
 - The protection of children from harm.
39. Members should note that each objective is of equal importance. There are no other licensing objectives, and the four objectives are paramount considerations at all times.
40. Conditions will not be necessary if they duplicate a statutory position. Conditions relating to night café and take away aspect of the license must relate to the night time operation of the premises and must not be used to impose conditions which could not be imposed on day time operators.
41. Members are also referred to the Home Office revised guidance issued under section 182 of the Licensing Act 2003 on conditions, specifically section 10.

Reasons

42. If the sub-committee determines that it is necessary to modify the conditions, or to refuse the application for a premises licence application, it must give reasons for its decision.

Hearing procedures

43. Subject to the licensing hearing regulations, the licensing committee may determine its own procedures. Key elements of the regulations are that:
- The hearing shall take the form of a discussion led by the authority. Cross examination shall not be permitted unless the authority considered that it is required for it to consider the representations.
 - Members of the authority are free to ask any question of any party or other person appearing at the hearing.
 - The committee must allow the parties an equal maximum period of time in which to exercise their rights to:
 - Address the authority
 - If given permission by the committee, question any other party.
 - In response to a point which the authority has given notice it will require clarification, give further information in support of their application.
 - The committee shall disregard any information given by a party which is not relevant to the particular application before the committee and the licensing objectives.
 - The hearing shall be in public, although the committee may exclude the public from all or part of a hearing where it considers that the public interest in doing so outweighs the public interest in the hearing, or that part of the hearing, taking place in private.

- In considering any representations or notice made by a party the authority may take into account documentary or other information produced by a party in support of their application, representations or notice (as applicable) either before the hearing or, with the consent of all the other parties, at the hearing.
44. This matter relates to the determination of an application for a premises licence under section 17 of the Licensing Act 2003. Regulation 26(1) (a) requires the sub-committee to make its determination at the conclusion of the hearing.

Council's multiple roles and the role of the licensing sub-committee

45. Sub-committee members will note that, in relation to this application, the council has multiple roles. Council officers from various departments have been asked to consider the application from the perspective of the council as authority responsible respectively for environmental health, trading standards, health and safety and as the planning authority.
46. Members should note that the licensing sub-committee is meeting on this occasion solely to perform the role of licensing authority. The sub-committee sits in quasi-judicial capacity, and must act impartially. It must offer a fair and unbiased hearing of the application. In this case, members should disregard the council's broader policy objectives and role as statutory authority in other contexts. Members must direct themselves to making a determination solely based upon the licensing law, guidance and the council's statement of licensing policy.
47. As a quasi-judicial body the licensing sub-committee is required to consider the application on its merits. The sub-committee must take into account only relevant factors, and ignore irrelevant factors. The decision must be based on evidence, that is to say material, which tends logically to show the existence or non-existence of relevant facts, or the likelihood or unlikelihood of the occurrence of some future event, the occurrence of which would be relevant. The licensing sub-committee must give fair consideration to the contentions of all persons entitled to make representations to them.
48. The licensing sub-committee is entitled to consider events outside of the premises if they are relevant, i.e. are properly attributable to the premises being open. The proprietors do not have to be personally responsible for the incidents for the same to be relevant. However, if such events are not properly attributable to the premises being open, then the evidence is not relevant and should be excluded. Guidance is that the licensing authority will primarily focus on the direct impact of the activities taking place at the licensed premises on members of the public, living, working or engaged in normal activity in the area concerned.
49. Members will be aware of the council's code of conduct which requires them to declare personal and prejudicial interests. The code applies to members when considering licensing applications. In addition, as a quasi-judicial body, members are required to avoid both actual bias, and the appearance of bias.
50. The sub-committee can only consider matters within the application that have been raised through representations from other persons and responsible authorities. Interested parties must live in the vicinity of the premises. This will be decided on a case to case basis.

51. Under the Human Rights Act 1998, the sub-committee needs to consider the balance between the rights of the applicant and those making representations to the application when making their decision. The sub-committee has a duty under section 17 Crime and Disorder Act 1998 when making its decision to do all it can to prevent crime and disorder in the borough.
52. Other persons, responsible authorities and the applicant have the right to appeal the decision of the sub-committee to the magistrates' court within a period of 21 days beginning with the day on which the applicant was notified by the licensing authority of the decision to be appealed against.

Guidance

53. Members are required to have regard to the Home Office revised guidance in carrying out the functions of licensing authority. However, guidance does not cover every possible situation, so long as the guidance has been properly and carefully understood, members may depart from it if they have reason to do so. Full reasons must be given if this is the case.

Strategic Director of Finance and Governance

54. The head of regulatory services has confirmed that the costs of this process over and above the application fee are borne by the service.
